Becoming British Thom Brooks,2016-05-24 From Syrian asylum seekers to super rich foreign investors immigration is one of the most controversial issues facing Britain today Politicians kick the subject from one election to the next with energetic but ineffectual promises to crack down while newspaper editors plaster it across front pages But few know the truth behind the headlines indeed the almost daily changes to our complex immigration laws pile up so quickly that even the officials in charge struggle to keep up In this clear concise guide Thom Brooks one of the UK s leading experts on British citizenship and a newly initiated British citizen himself deftly navigates the perennially thorny path
