Questions Of Conduct Sexual Harassment Citizenship Government:

Questions Of Conduct Jeffery Minson, 2016-07-27 On the basis of a distinctive material cultural approach to ethics Questions of Conduct puts the case for radically changing the conventional terms of debate on the problem of sexual harassment and the place of citizenship in socialist political theory and programmes In so doing this book makes clear the implications of viewing both liberalism and its limits as aspects of governmentality in Michel Foucault's sense which cannot be reduced to the language of political philosophy and the debates which surround it

Citizenship and Cultural Policy

Denise Meredyth, Jeffrey Minson, 2001-07-30 With the growth of interest in the debates about what culture is and who owns it questions of cultural policy have moved to the forefront of wider discussions of citizenship This book unpicks the significance of culture for citizenship Among the topics explored are the strengths and weaknesses of the civilizing mission of museums the moralism of Third Way politics the proper base for funding culture and the arts the impact of globalization on culture and citizenship the fantasies of freedom in Internet use the tensions between human rights advocacy and citizenship and the place of citizen ideals in governance What emerges is a superb resource for analyzing the meaning of cultural policy in contemporary society It both summarizes the state of the field and innovates new ways of thinking about culture and citizenship

Questions of Conduct Jeffrey Minson, 1993-01-01 **Rethinking Sexual Harassment** Clare Brant, Yun Lee Too, 1994-09-20 An innovative and challenging title from feminists in Britain makes a valuable contribution to understanding sexual harassment Feminist Bookstore News Serious and scholarly deserves a wide audience Journal of the Institute of Health Education Excellent However familiar the subject may seem or precisely because we all think we know what term sexual harassment means these discussions open up a series of vital questions both theoretical and practical Rethinking Sexual Harassment is a valuable contribution to a debate that continues all around us Parallax Sexual harassment continues to stimulate controversy and attract partisan responses This is an exciting and original exploration of how it came to be defined what institutional forces and contexts shape our understanding of it This multidisciplinary study brings together essays from feminist scholars in the fields of law literature the social sciences history and cultural studies The contributors central argument is an awareness of the social and discursive contexts required to challenge sexual harassment effectively Offering insight into current limitations and making practical suggestions for ways forward this wide ranging collection addresses general readers and professionals alike Contributors include Suzanne Gibson Helen Watson Gargi Bhattacharyya Ruth Jamieson Celia Kitzinger Suzanne Raitt Ros Hunt Diane Purkiss Padma Anagol McGinn and Jane Beckett

Rethinking Law, Society and Governance Gary Wickham, George Pavlich, 2001-12 The product of a workshop held at the International Institute for the Sociology of Law in Onati Spain the nine chapters collected here re-examine the idea of governmentality most often associated with the work of Michel Foucault to measure its relevance to contemporary sociolegal issues The book considers whether political involvement should be a necessary component of a governmentality approach

challenging governmentality theorists who have analyzed conceptual practices without demanding that they be applied to local political systems The contributors ponder topics including liberal government and resistance to it unemployment and crime as well as issues of philosophy and methodology Distributed by ISBS Annotation copyrighted by Book News Inc Portland OR **Citizenship** Ruth Lister,1998 To pinpoint the important theoretical issues that they raise Lister recasts traditional thinking about the concept of citizenship exploring its political and policy implications for women in all their diversity Themes of inclusion and exclusion at the national and international level rights and participation inequality and difference are thus brought to the fore in the development of a woman friendly theory and praxis of citizenship

Governing Morals Alan Hunt,1999-08-13 This evocative and broad ranging book traces the history of moral regulation in Britain and the US from the late seventeenth century to the present day Specific coverage is given to movements such as the Society for the Reformation of Manners and the Vice Society the sexual abuse and anti pornography movements and contemporary self help movements Hunt argues that the main impetus for moral regulations often stems from the middle classes rather than those with institutional power but most significantly they provide classic instances of the intimate link between the governance of others and the governance of the self Using the work of Foucault this book analyses how projects of self regulation can manifest themselves into the regulation of others Concurrent with this is the rise of health discourses which play a central role in contemporary discussions of moral governance Travel and Ethics Corinne Fowler,Charles Forsdick,Ludmilla Kostova,2013-12-13 Despite the recent increase in scholarly activity regarding travel writing and the accompanying proliferation of publications relating to the form its ethical dimensions have yet to be theorized with sufficient rigour Drawing from the disciplines of anthropology linguistics literary studies and modern languages the contributors in this volume apply themselves to a number of key theoretical questions pertaining to travel writing and ethics ranging from travel as commoditization to encounters with minority languages under threat Taken collectively the essays assess key critical legacies from parallel disciplines to the debate so far such as anthropological theory and postcolonial criticism Also considered and of equal significance are the ethical implications of the form s parallel genres of writing such as ethnography and journalism As some of the contributors argue innovations in these genres have important implications for the act of theorizing travel writing itself and the mode and spirit in which it continues to be conducted In the light of such innovations how might ethical theory maintain its critical edge **Courtly Culture and Political Life in Early Medieval India** Daud Ali,2004-06-24 Publisher Description *The New Public Health* Alan Petersen,Deborah Lupton,1996-12-30 Petersen and Lupton focus critically on the new public health assessing its implications for the concepts of self embodiment and citizenship They argue that the new public health is used as a source of moral regulation and for distinguishing between self and other They also explore the implications of modernist belief in the power of science and the ability of experts to solve problems through rational administrative means that underpin the strategies and rhetoric of the new public health **A Critical**

Theory of Police Power Mark Neocleous, 2021-01-12 Putting police power into the centre of the picture of capitalism The ubiquitous nature and political attraction of the concept of order has to be understood in conjunction with the idea of police Since its first publication this book has been one of the most powerful and wide ranging critiques of the police power Neocleous argues for an expanded concept of police able to account for the range of institutions through which policing takes place These institutions are concerned not just with the maintenance and reproduction of order but with its very fabrication especially the fabrication of a social order founded on wage labour By situating the police power in relation to both capital and the state and at the heart of the politics of security the book opens up into an understanding of the ways in which the state administers civil society and fabricates order through law and the ideology of crime The discretionary violence of the police on the street is thereby connected to the wider administrative powers of the state and the thud of the truncheon to the dull compulsion of economic relations

A Companion to Cultural Studies Toby Miller, 2008-04-15 Experts from five continents provide a thorough exploration of cultural studies looking at different ideas places and problems addressed by the field Brings together the latest work in cultural studies and provides a synopsis of critical trends Showcases thirty contributors from five continents Addresses the key topics in the field the relationship of cultural studies to other disciplines and cultural studies around the world Offers a gritty introduction for the neophyte who is keen to find out what cultural studies is and covers in depth debates to satisfy the appetite of the advanced scholar Includes a comprehensive bibliography and a listing of cultural studies websites Now available in paperback for the course market

Liberalism Versus Conservatism François B. Gérard, 2000 Everyone eschews labels yet we all seem to possess them in the minds of legions of politicians marketers and even the ever peering government We are being targeted daily by flaming liberals left wing liberals right wing conservatives compassionate conservatives religious conservatives and liberals pinko liberals middle of the road liberals conservatives and liberals pinko liberals middle of the road liberals and conservatives and of course by neoconservatives and neoliberals The search is on for kindred souls the types who will open their wallets to support whatever it is the hucksters are peddling But what do these concepts mean and do their torchbearers grasp the underlying philosophies or do they care This bibliography lists over hundreds of entries under each category which are then indexed by title an author

China, Sex and Prostitution Elaine Jeffreys, 2004-02-24 China Sex and Prostitution is a topical and important critique of recent scholarship in China studies concerning sexuality prostitution and policing Jeffrey's arguments are constructed in the form of detailed analysis of a wide range of primary texts including documents press reports police report and policy and legal pronouncements and secondary literature in both English and Chinese The work engages with some key debates in the fields of cultural and gender studies and will be welcomed by scholars in these areas as well as by China specialists sociologists and anthropologists

Evidence-Based Health Communication Brown, Brian, Crawford, Paul, Carter, Ronald, 2006-10-01 What is evidence based health communication and how does it benefit patients How has communication

been taught to health professionals and how might it be improved How can health care professionals make the most of short encounters in order to maximise their therapeutic effectiveness for clients This book provides a comprehensive and critical review of the field of health communication and the kinds of evidence that have been collected concerning effective communication It also critically evaluates the kinds of training health professionals receive in communication skills and examines its relatively limited role in the curriculum In addition it sets out what has been discovered about the micro structure of interaction in health care encounters The book offers vital new agendas for research training and practice in health care based upon lessons learned from linguistics using a wide variety of gathered evidence to identify patterns that will lead to improved health care practices Moreover the book focuses upon brief ordinary and effective communicative activity in addition to the formal consultations that have been studied by researchers in the past Evidence based Health Communication is key reading for trainee health professionals as well as undergraduate and postgraduate students in the fields of health studies medical sociology and health psychology It also provides stimulating reading for health care professionals policy makers and researchers with an interest in improving health communication

Personality and Dangerousness David McCallum, 2001-09-06 In the aftermath of the Port Arthur shootings Dunblane or the schoolyard killings in America communities try to come to terms with private and public trauma and there is a need to understand what kind of person can commit such terrible acts The problem of how to understand dangerousness often centres on the role of the mental health and criminal justice systems and it is from the intersection of these two institutions that the categorisation of dangerous persons has emerged This 2001 book traces the history of the category of antisocial personality disorder and shows how it is linked to particular kinds of governing It examines key legal and institutional developments in Australia the UK and the US and also parallel developments within psychiatry and psychological medicine Applying a social theoretical analysis to this material McCallum challenges our assumptions about the formation and control concepts of dangerousness and personality

Politics of Piety Saba Mahmood, 2012 An analysis of Islamist cultural politics through the ethnography of a thriving grassroots women's piety movement in the mosques of Cairo Egypt Unlike those organized Islamist activities that seek to seize or transform the state this is a moral reform movement whose orthodox practices are commonly viewed as inconsequential to Egypt's political landscape The author's exposition of these practices challenges this assumption by showing how the ethical and the political are linked within the context of such movements

The Civilized Organization Ad van Iterson, 2002-01-01 Topics covered in this title include organizing discourse negotiating boundaries crossing cultures and theorizing practice

The Public Services under Reconstruction Marja Gastelaars, 2009-01-13 This book examines the services in and around the public domain The author analyses a number of socio cultural changes that are generally considered relevant to these services including the rationalising efforts of the New Public Management and the introduction of IT The book particularly addresses the diversity of services It focuses on the local complexities of their day to day

processes of service delivery and on the diversity of client experiences and professional roles associated with various client relationships A practical objective of this book is to encourage its readers to redefine the services they professionally deal with and move beyond the standard requirements of the New Public Management that are so often taken for granted as a starting point Professional managers are for instance invited to reconsider their currently quite dominant technical managerial perspective Service professionals are encouraged to make sense of the risks and responsibilities involved with their day to day negotiations including the impact of the services on the lives of their clients Gastelaars adopts and interpretive approach to her subject combining discourse analysis and ethnographic research to concentrate on the actual practices associated with service delivery rather than on theories and justifications **A Companion to Moral**
