

Regulation Amendments in support of Sustainability and Access for the Ontario Drug Benefit Program

Questions and Answers for Physicians

Responsible management of health care is part of the government's plan to build a better Ontario through its [Palmer, Franc, Ashton Plan for Health Care](#), providing patients with faster access to the right care, better home and community care, the information they need to live healthy and a health care system that's sustainable for generations to come.

The Ministry of Health and Long-Term Care (the "Ministry") is making changes to pharmacy payments, fees and program policies under the Ontario Drug Benefit (ODB) program to make the program more efficient, effective and responsive to today's patients.

These initiatives represent a fair and balanced approach to generating savings and will contribute to the Province's efforts to identify short- and longer-term opportunities to ensure continued patient access to drugs. These changes will enable the government to achieve savings of over \$200 million annually when fully implemented, as per the 2015 Ontario Budget.

Amendments to Ontario Regulation 201/06 made under the Ontario Drug Benefit Act will come into force on October 1, 2015 to support these ODB program changes. For more information, please visit our website at: <http://www.health.on.ca/en/odbfu/aboutodrugs/>

Any remaining questions can be emailed to the Ontario Public Drug Programs at: PublicDrugPrograms.mh@ontario.ca

Mark-up Reduction for High-Cost Drugs

1. How will this change affect ODB recipients?

Reducing the mark-up paid to pharmacies for high-cost drugs will not impact ODB recipients as they will continue to pay their usual co-payment (up to \$5.11, depending on eligibility) when filling their prescriptions. The mark-up on a drug product is paid to pharmacies by the Government.

For ODB prescriptions, the components of a prescription cost paid to pharmacies include the ODB Drug Benefit Cost plus mark-up plus the ODB dispensing fee minus the recipient co-payment amount.

Dispensing Fee Reduction for Claims for Residents of Long-Term Care Homes
