Questions Non-Christians Ask Barry Wood,1977 *Asking God Your Hardest Questions* Lloyd John Ogilvie,2010-12-29
With warmth and clarity the now retired chaplain for the United States Senate offers thoughtful biblical insights to modern questions **Questioning Evangelism, 3rd edition** Randy Newman,2023-01-17 You don't need to memorize evangelical formulas or answers You just have to be willing to ask questions There was something different about the way Jesus communicated with the lost He didn't force answers upon people He asked questions So why don't we Campus ministry veteran Randy Newman has been using a questioning style of evangelism for years In this thought provoking book he provides practical insights to help Christians engage others in meaningful spiritual conversations To Newman asking questions challenges how we think about unbelievers their questions and our message instead of telling unbelievers what to think A perennial best seller this third edition includes both revisions of current chapters such as an expanded discussion on LGBTQ issues and the debate on transgenderism and new chapters that ponder issues such as science and suffering Distilled out of twenty years of personal evangelism this book reflects both a deep grasp of biblical theology and a penetrating compassion for people and finds a way forward in wise probing questions How very much like the Master Himself D A Carson Trinity Evangelical Divinity School *Questioning Evangelism* steps outside the boundaries of evangelism as usual and tackles the tougher issues of our modern day Mitch Glaser Chosen People Ministries **Christians Today—Questions—Choices We Make !** Charles Phillips,2019-05-31 The one purpose of this book is that you can understand the relationship our Creator God wants with His children that He has created on this earth As you have read and discover how far we all have departed from what our Creator made at creation week we all need to renew our relationship with our Creator God My friend whoever you are and wherever you are and no matter how far you have gone away from God this call is for you Accept Christ's atoning sacrifice for your sins there on Calvary's cross where the old account was settled years ago You cannot purchase His Gift only except His Gift of Love Soon and very soon The Son of Man shall come in the glory of His Father with His angels and then He shall reward every man according to his works Matt 16:27 Do you want to be one of those that will hear His voice calling those who Love Christ Make your decision today **60 Questions Christians Ask About Jewish Beliefs and Practices** Michael L. Lawless, Adam W. Greenway, 2010 A collection of essays by Southern Baptist leaders on the biblical theological and practical matters relating to their convention's Great Commission Resurgence initiative **Banned Questions About the Bible**

Christian D Piatt, 2011-03-31 From Christian Piatt When I was a teenager my youth minister threw a bible at my head for asking questions Too often for various reasons people don't have the opportunity to ask the hard questions they have about faith religion salvation and the bible And when questions are left unanswered in communities of faith people either seek answers elsewhere or lose interest all together The purpose of the series is to collect the most compelling and challenging questions from various theological areas and pose them to a panel of experts who are challenged with responding in two hundred words or less in plain English This volume addresses challenging or controversial questions about scripture collected from people on Facebook MySpace Twitter and other social networking media Respondents include theology professors clergy lay leaders liberals conservatives and voices representing a spectrum of views The idea behind the books is not so much to provide definitive answers as it is to stimulate thought reflection and discussion By offering multiple perspectives readers have the opportunity to arrive at their own questions Better they come to understand that questioning faith is not taboo but rather that it can be at the foundation of a strong and growing faith The directive given to each respondent guided them to be concise and to speak in plain language but also not to rely exclusively on the Bible says it justifications or to wax abstract or overly intellectual Instead they write from personal experience as much as possible and provide real life contexts that will allow the average seeker or churchgoer to apply such ideas to their daily lives

The Great Reversal Allen Verhey, 1984 Christians today are called to discern the shape and style of a life worthy of the gospel of Christ Even in the face of changing situations and new moral problems to address the contemporary church stands self consciously in a tradition of which the New Testament is a normative part In this major study of New Testament ethics Verhey examines the ethic of Jesus for it is there that the New Testament tradition begins He then analyzes the different forms in which the early church handed down the memory of Jesus's words and deeds in the development of a moral tradition Next he deals with that tradition as it came to canonical expression in the New Testament writings In the last part of the book Verhey focuses on the use of the New Testament in the continuing moral tradition of the church surveying proposals for the use of Scripture identifying the critical methodological questions and defending a modest proposal for the use of Scripture Copyright Libri GmbH All rights reserved
