few of us have the time the patience the technique or the cream and butter allowance to tackle the classics as presented by Julia Child's *Mastering the Art of French Cooking*. The good news is we don't need to. For the past 40 years Richard Grausman, America's premier culinary teacher, has been training American chefs in a simpler better way of French cooking and in *French Classics Made Easy*, a refreshed and updated edition of his original collection. At Home with the French Classics he shares all of his extraordinary innovations and techniques: Golden soufflé's in ten minutes. A light and luscious chocolate mousse that can be made as a cake, a chocolate roll, soufflé or pudding. Plus Cassoulet, Boeuf Bourguignon, Coq au Vin, Bouillabaisse, Poached Salmon with Beurre Blanc in all 250 impeccably clear step by step recipes in range of anyone who knows how to boil water or dice an onion. When a step isn't critical Grausman eliminates it. If something can be done in advance he does it. Plus he's cut the amount of butter, cream, egg yolks, salt and sugar, the result is health conscious recipes that don't compromise the essential nature of the dish. Techniques are illustrated throughout in line drawings. It's the grandness of French cuisine made accessible for both entertaining and everyday meals. **Soyfoods - Winter 1981** Richard Leviton, *The Food Professional's Guide*, 1990 **Palm Beach Life**, 2006-01 Since 1906 Palm Beach Life has been the premier showcase of island living at its finest: fashion, interiors, landscapes, personality profiles, society news and much more. *Palm Beach Life*, 2005-12 Since 1906 Palm Beach Life has been the premier showcase of island living at its finest: fashion, interiors, landscapes, personality profiles, society news and much more. *Palm Beach Life*, 2006-02 Since 1906 Palm Beach Life has been the premier showcase of island living at its finest: fashion, interiors, landscapes, personality profiles, society news and much more. **New York Magazine**, 1980-08-25 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country.
