Dana Carpender

Quick Healthy Lowfat Carb Conscious Cooking:

Quick & Healthy Low-fat, Carb Conscious Cooking Brenda J. Ponichtera, 2005 This is the long awaited revision of the award winning Quick Healthy Recipes and Ideas Perfect for families who just want to eat better as well as for those with diabetes heart disease and those wanting to lose weight this cookbook contains more than 200 low fat quick to prepare recipes for dieters who are ready to start adding back carbs *Sugar-free & Carb-conscious Cooking* Monique le Roux Forslund, 2017-08-01 Ideal for anyone who wants to eliminate sugar from their diet Based on low carb high fat principles with the emphasis on home cooked nutritional meals that will increase satiety reduce sugar cravings and eliminate the need to snack between meals The recipes are suitable for family meals and also take account of the need to have a healthy packed lunch for school or work Recipes and tips for breakfast will get the day off to a good start while sauces dressings salads and vegetable side dishes often the key to creating variety in everyday meals are not forgotten Sugar free and Carb conscious Living includes guidance on encouraging children to adapt to a sugar free diet tips on how to incorporate alcohol and exercise into your new lifestyle nutritional information and short lists of foods that are good for you and foods to avoid

The DASH Diet Action Plan , 2010-06-15 **Live Your Life for Half the Price** Mary Hunt, 2015-08-11 It s the money you don t spend that ultimately gives you the freedom to live the life you love You work hard for your money You know you should save some but it seems like every month something comes up that sets back your best laid plans If you re tired of working hard just to get by this user friendly guide shows you that you can slash the cost of nearly everything you need without sacrificing joy and quality of life Mary Hunt shows you how to get off the monthly money roller coaster She offers the specific techniques resources and motivation you need to keep more of your money every month including finding money you didn t know you had cutting your grocery bill by 50% controlling the mother of all budget busters avoiding fees paying off your mortgage saving on bills preparing for disaster paying less for your dream car planning family vacations and more It s time to start saving giving and finally making financial progress and with humor and compassion Mary Hunt is leading the way **The DASH Diet Action Plan** Marla Heller, 2007 The DASH Diet Action Plan is the user friendly teaching guide to the DASH diet Initially many people find it difficult to follow the DASH diet This book makes it simple to understand and put into practice The book makes it easy to lose weight with the DASH diet and it has realistic ways to add exercise Although the book was not intended to be an aggressive weight loss book people are writing to say that they have surprised themselves by finding it easy to lose weight following the plan Many people find the DASH diet to be hard to implement and sustain in a hectic lifestyle The average American gets 2 3 servings of fruits and vegetables combined each day so following the DASH diet may seem daunting The DASH Diet Action Plan book is designed to help you with more than just what is involved with the DASH diet it also shows you how How to follow the DASH diet in restaurants how to lose weight how to make over your kitchen to make it easy to follow your plan how to fit in exercise how to reduce salt intake how to add vegetables even if you

hate vegetables And the book helps you make your own personal plan with specific steps you will take to fit the DASH diet into your daily routine Our readers say that this is the best DASH diet book Your step by step plan will include setting your goals for blood pressure and cholesterol determining the calorie level you need for maintenance or weight loss developing meal plans developing a realistic exercise plan adjusting the DASH diet to accommodate other health problems choosing the key DASH diet foods reading food labels and learning how to incorporate more vegetables in your diet and setting up your kitchen to make it easy to stay on track This book was written by a registered dietitian who is experienced in helping people make sustainable behavior changes and make healthy eating part of their real lives She knows that people need flexibility and options to choose different approaches since not everyone has the time or the interest in cooking or making drastic changes in how they eat The book incorporates tools that will help you plan the specific steps you will take to adopt the DASH diet Research shows that people who make concrete plans are more likely to be successful with adopting new health behavior This should improve your ability to lower your blood pressure and cholesterol without medication
