Quiet in His Presence Jan Harris, 2003 Experiencing God's love through silent prayer Contemplation and Midlife Crisis Rosemarie Carfagna, 2014-05-14 This book helps the reader in midlife crisis frame his/her experience in spiritual contemplative terms and thereby provides a wider context in which to understand and eventually accept it **Life in the Spirit** Jeffrey P. Greenman, George Kalantzis, 2010-02-12 Including essays from 2009 Wheaton Theology Conference keynote speakers Dallas Willard and Gordon Fee as well as contributing essays by noted presenters such as Chris Hall David Gushee Linda Cannell Cherith Fee Nordling and Lawrence Cunningham this book offers a stimulating exploration of the historical biblical and theological dimensions of spiritual formation The Living Church, 1949 **It's Okay to Be Me** Veronica Sue Arnold, 2012-11-08 A cancer diagnosis is never welcome but for Veronica Arnold it was a call to battle rather than a temptation to drown in despair Her response was Bring it on She wanted to see what God would do to help her through this Its Okay to Be Me A Journey to God's Heart by Way of Cancer presents the very personal account of Veronicas early years and the factors that contributed to her feelings of rejection While not a victim of abusive alcoholic or drug using parents or even of abject poverty indwelling sin twisted her experience convincing her that she was terribly flawed and unworthy But God was at work in her life calling out to her and holding her close even at her most rebellious times It was when she was at her most vulnerable point fearing a possible death sentence from cancer that she finally got the message that she was infinitely valuable and eternally and unconditionally loved by the very Creator of the universe Walk with her through the revelational process of finding her true worth Discover the ways God prepared her for her most difficult journey and continually supported her through the stress of the challenging decisions surgery and recovery Its Okay to Be Me chronicles how she discovered for the first time in sixty five years why it really was okay to be herself An amazing and inspirational life changing account of a personal journey Veronica has given a gift to others by sharing her story Ashley Hood medical oncology social worker **Being Truly Human** Mark Mah, 2012-10-12 Our busy exterior may be a cover up for an undernourished interior soul Modern life is so packed with things to do that we have not learned to be truly human It is difficult to nurture the spiritual life in a media saturated world filled with relentless information ongoing activities material wants worrisome uncertainties and seductive addictions Being Truly Human challenges readers to give space in their busy life for God to do the work of transformation in the inner self It takes inspiration from the Desert Fathers of the fourth and fifth centuries whose directness simplicity and concreteness to life's struggles provide a fresh perspective for modern saints Like the desert saints modern Christians are challenged to begin a spiritual odyssey in the wilderness of their soul to become their true selves To be truly human means the freedom to love in concrete acts of humility and hospitality acts which are truly lacking in our world today The practice of solitude and silence will lead us to be indifferent to the crying needs of our false selves and to give God our undivided attention which is necessary for the spiritual formation of our true selves **The Solitude**

Things Happen Lorene Hanley Duquin, 2025-07-07 *Wisdom From the Margins* William G. Britton, 2018-05-16 Henri Nouwen wisely said The great illusion of leadership is to think that man can be led out of the desert by someone who has never been there Jesus has been there and knows how to lead us out but first he just may lead us in He meets us in the desert and does his best work in us there We look for an easier way in vain I myself reluctantly entered the desert and eventually received unimagined gifts there gifts I didn't ask for deserve or want gifts hidden in such painful loss that I despaired and yet looking back now these desert gifts were the best thing that ever happened to me I entered the desert and years later found my way out It's not a new way it was just new to me Jewish and Christian sages had been living it for thousands of years Somehow in recent generations we managed to forget it In this collection I mean to begin to make those riches available to you I'm hoping that like me you'll discover something that you didn't know you wanted or needed and something now you wouldn't give up at any price **No Greater Love** A.W. Tozer, 2020-01-21 God came in the flesh to show us what love looks like To truly see the dynamics of this love we must take a close look at Jesus's relationships while he was here on earth How he loved then is how he loves now and how he loves now is how we as believers are to love No Greater Love is a study of Jesus's interactions with people throughout the book of John including Nicodemus the woman at the well and even the Pharisees What did this love look like in action especially with those who are hard to love As it turns out he didn't love people because they deserved it he loved them because he is love With the great tragedies in our culture today there is a need for this Jesus love that's available to all believers May this book help you better know his love for you which in the end will lead you to becoming more like him **Full Service** Siang-Yang Tan, 2006-03-01 Although servanthood is often discussed as an important part of leadership it is also the basic calling of every follower of Jesus Christ Siang Yang Tan takes a fresh approach to servanthood exploring it as loving obedience to God in and of itself regardless of personal greatness fulfillment or success He lays out the biblical case and practical guidance to help all Christians live out their foundational call of being a servant of God in all areas of life Tan's focus on servanthood alone in contrast to the many books on servant leadership will appeal to pastors church leaders and all Christians interested in a biblical perspective on servanthood *The OMG Effect* Chris Lee, 2020-11-26 NOW AVAILABLE Bite sized wisdom and inspirational advice to lift your spirits and help you live a fuller life from Instagram's answer to Fleabag's Hot Priest _____ One minute could change your life Reverend Christopher Lee is a young vicar who has taken the internet by storm With more Instagram followers than the Arch Bishop of Canterbury and the Church of England put together Rev Chris helps and inspires hundreds of thousands of his followers everyday with his sixty second sermons full of bite sized wisdom for busy people From family to faith career to community self care to self worth The OMG Effect encapsulates Rev Chris Lee's uplifting message of positivity and inclusivity which has inspired millions of people globally regardless of their religious beliefs or lack thereof and throughout the Covid 19 pandemic Rev Chris Lee has been live streaming prayer and faith sessions for those under lock down quarantine or in self isolation to
