Knock, Knock, Knock and Other Stories; The Novels Ivan Sergeevich Turgenev, 2025-08-16 Reproduction of the original *The Antigonos* publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *Knock, Knock, Knock and Other Stories* Ivan Sergeevich Turgenev, 2020-09-28 Lieutenant Tyeglev belonged precisely to the class of those fatal individuals though he did not possess the exterior commonly associated with them he was not for instance in the least like

Lermontov's fatalist He was a man of medium height fairly solid and round shouldered with fair almost white eyebrows and eyelashes he had a round fresh rosy cheeked face a turn up nose a low forehead with the hair growing thick over the temples and full well shaped always immobile lips he never laughed never even smiled Only when he was tired and out of heart he showed his square teeth white as sugar The same artificial immobility was imprinted on all his features had it not been for that they would have had a good natured expression His small green eyes with yellow lashes were the only thing not quite ordinary in his face his right eye was very slightly higher than his left and the left eyelid drooped a little which made his eyes look different strange and drowsy Tyeglev's countenance which was not however without a certain attractiveness almost always wore an expression of discontent mingled with perplexity as though he were chasing within himself a gloomy thought which he was never able to catch At the same time he did not give one the impression of being stuck up he might rather have been taken for an aggrieved than a haughty man He spoke very little hesitatingly in a husky voice with unnecessary repetitions Unlike most fatalists he did not use particularly elaborate expressions in speaking and only had recourse to them in writing his handwriting was quite like a child's His superiors regarded him as an officer of no great merit not particularly capable and not over zealous The brigadier general a man of German extraction used to say of him He has punctuality but not precision With the soldiers too Tyeglev had the character of being neither one thing nor the other He lived modestly in accordance with his means He had been left an orphan at nine years old his father and mother were drowned when they were being ferried across the Oka in the spring floods He had been educated at a private school where he had the reputation of being one of the slowest and quietest of the boys and at his own earnest desire and through the good offices of a cousin who was a man of influence he obtained a commission in the horse guards artillery and though with some difficulty passed his examination first as an ensign and then as a second lieutenant Daily Bread, and Other Stories, 1870 Parishioners and Other Stories Joseph Dylan, 2012-07-28 Tales of the East and West

Flann O'Brien and the European Avant-Garde, 1934-1945 Tobias William Harris, 2025-01-23 Crossing the boundaries of a single author study this book uncovers Flann O'Brien's attempt to forge a commercially successful Irish literary project from international avant garde influences Situating O'Brien's early work within a global context the book uses new evidence of his collaborations to reimagine him as a networked writer O'Brien drew upon experimental techniques to generate new categories of writing rethink Irish culture and reach a wide audience This study illuminates a network of cultural production around O'Brien linking his work to English comic magazines Dadaist photomontage Expressionism Central European theatre and renowned writers like Jorge Luis Borges and Franz Kafka By re-examining Flann O'Brien within the context of the momentous global political and cultural crises that spurred avant garde experimentation the book also rewrites the cultural history of Ireland in the 1930s and 1940s **John Wayne** Randy Roberts, 1997-01-01 John Wayne remains a constant in American popular culture Middle America grew up with him in the late 1920s and 1930s went to war with him in the 1940s matured with him in

the 1950s and kept the faith with him in the 1960s and 1970s In his person and in the persona he so carefully constructed middle America saw itself its past and its future John Wayne was his country's alter ego Thus begins John Wayne American a biography bursting with vitality and revealing the changing scene in Hollywood and America from the Great Depression through the Vietnam War During a long movie career John Wayne defined the role of the cowboy and soldier the gruff man of decency the hero who prevailed when the chips were down But who was he really Here is the first substantive serious view of a contradictory private and public figure On the Rez and Other Stories Barbara Wyatt Olson, 2015-08-21 Fifteen stories of quiet longing and desire of second chances and no chance at all In *On the Rez* when you're broken down and abandoned in Indian territory on the dusty back roads of Kansas there are certain to be monsters and fiends In *Ask for Anything* a family escaped into the Blue Ridge Mountains learns you do not always get what you think you want In *Florida Blues* a former lover on a prison visit must face regret heartache and frustration While in California Quarter a lady friend has not agreed to starving on the trip home *Kitty's Class Day; And Other Stories* Louisa May Alcott, 2025-08-16 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **The Wicked Stepbrother and Other Stories** Warren Rochelle, 2020-09-23 Fairy tales Prince Charming fights evil wins the princess lives happily ever after Three sons three wishes witches dragons a quest and happily ever after These stories are part of our cultural fabric The stories change in retellings to reflect contemporary culture such as Princess Charming or heroes and heroines as people of color In this collection queer characters take center stage in stories that grew out of questions What if the prince falls in love with Cinderella's gay stepbrother What if Rumpelstiltskin doesn't really want the Queen's child but rather the King himself What if Beauty and the Beast are two men These stories explore metaphors of magic and the magical this time with a gay perspective What price must be paid for happily ever after Duty or love Is love worth great sacrifice Once upon a time

The Legend of Sleepy Hollow and Other Stories From the Sketch Book Washington Irving, 2006-04-04 Sage storyteller and wit Washington Irving created such staples of American fiction as the stories *Rip Van Winkle* and *The Legend of Sleepy Hollow* He earned his preeminence in early American literature with the masterpieces in miniature collected here dozens of stories travel essays biographical discourses and literary musings His influence on American writers is unquestioned wrote Edgar Allan Poe and his stories have proved as enduring as the Catskill Mountains the author immortalized Exceptional talent I am one of his most ardent admirers I admired Mr Irving's work so much in fact that I gave it the ultimate praise I borrowed it Edgar Allan Poe With an Introduction by Wayne Franklin Outlaws of the Purple Cow and Other Stories Lester Goran, 1999 In this his third collection of stories Lester Goran moves us again through the times and places indelibly stamped with his wit and insight about people and events lost to history *Outlaws of the Purple Cow* centers around the domains of Irish American men and women in Pittsburgh Goran creates once more his world of poignant and magical times and places

within the mundane affairs of ordinary men and women Goran's evocative settings and narratives range from the supernatural to the humorous from bawdy to richly detailed realism Goran with his mastery of language and images chronicles in stories the unheralded laughter and sorrows of Americans seldom noted in fiction Goran creates once more his world of poignant and magical times and places within the mundane affairs of ordinary men and women Goran's evocative settings and narratives range from the supernatural to the humorous from bawdy to richly detailed realism the bewildering ceremony enacted on a suburban lawn on Good Friday an inventory of the loves of a lifetime compiled on scraps of paper and matchbook covers the young man home on leave from the army who encounters a woman whose entire life is reflected in the wires holding together her threadbare Christmas tree and the young man on the first day of his first job who delivers roses to a house where the homeowner had died since ordering the flowers Goran with his mastery of language and images chronicles in stories the unheralded laughter and sorrows of Americans seldom noted in fiction
