Investing In Your Health... You'll Love The Returns Will Shelton, 2018 This book examines current diets to help you make decisions about your eating style as well as taking a look at sleep patterns in association with our overall health. Health and physical education warrant a bigger role in our children's overall health and well-being. One of the chapters is entitled Games People Play which focuses on games you played growing up. Will Shelton is deeply concerned that some neighborhoods including parks are too violent for youth to play in. He presents some innovative ideas that can help curtail violence in neighborhoods.
