## Quietism And Mysticism:

**Quietism, Agnosticism and Mysticism** Krishna Mani Pathak, 2022-01-01 This book presents a unique collection of papers on various philosophical aspects of the unknown and unvoiced truth and reality of the cosmic world. It offers a systematic analysis of the three philosophical theories of Quietism, Agnosticism, and Mysticism and introduces readers to the fundamentals of mystical knowledge claimed by philosophical schools of the east and the west. It discusses debates and deliberates on philosophical issues concerning the acquisition of truth, its objectivity, and its various dimensions along with the application of thoughts pertaining to Quietism, Agnosticism, and metaphysical mystic traditions in philosophy. It examines and precisely defines the scope and limits of knowledge, the respective way of life, its expressions, and morality, mystical revelation, ineffability of the ultimate value, realism, and faith, and reason with a primary focus on the classical Indian schools of Hinduism, Buddhism, Jainism, Agnosticism, the B u l s Greek traditions, modern western meta philosophy, and contemporary quietist debate in religion and theology. This insightful collection should be of great interest to independent researchers, students, and teachers of philosophy, theology, Mysticism, and Agnosticism, cultural studies, and religious studies. **Mystical Experience and Quietism** John Howley, 2005-12-01 This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia, and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high-quality modern editions that are true to the original work. *An Introduction to the Study of Mysticism* Richard H. Jones, 2021-12-01 2022 CHOICE Outstanding Academic Title The purpose of this book is to fill a gap in contemporary mystical studies: an overview of the basic ways to approach mystical experiences and mysticism. It discusses the problem of definitions of mystical experiences and mysticism and advances characterizations of mystical experiences in terms of certain altered states of consciousness and mysticism in terms of encompassing ways of life centered on such experiences and states. Types of mystical experiences, enlightened states, paths, and doctrines are discussed, as is the relation of mystical experiences and mysticism to religions and cultures. The approaches of constructivism, contextualism, essentialism, and perennialism are presented. Themes in the history of the world's major mystical traditions are set forth. Approaches to mystical phenomena in sociology, psychology, gender studies, and neuroscience are introduced. Basic philosophical issues related to whether mystical experiences are veridical and mystical claims valid, mystics' problems of language, art, and morality are laid out. Older and newer comparative approaches in religious studies and in Christian theology are discussed along with postmodernist objections. The intended audience is undergraduates and the general public interested in the general issues related to mysticism. Tungate, 2024-07-31 John Wesley eighteenth century Church

of England priest and founder of Methodism was strongly influenced by the works of Roman Catholic mystics early in his ministry These writings shaped his widely known doctrine of Christian perfection or entire sanctification The mystics inspired Wesley to advocate for a lofty spiritual goal that he believed to be attainable in this life In time however he developed many contentions with extremes as well as some particulars found in the mystical tradition Beginning in 1749 Wesley began to publish his Christian Library a fifty volume compilation of abridged works that he believed to be among the best writings on practical divinity that had been published in English Among this vast collection he incorporated two works originally written in Spanish including a sampling of Letters by Juan de vila and the Spiritual Guide by Miguel de Molinos This book examines Wesley s editing of these works as a way of evaluating Wesley s theology in comparison and contrast with Spanish mysticism In particular this book serves as a comparative study among these authors on matters of theological authority self knowledge and epistemology soteriology spiritual growth suffering and divine withdrawal prayer meditation contemplation and the spiritual goal

Devine, Mysticism Evelyn Underhill,1919 *A Companion to Jesuit Mysticism* Robert Aleksander Maryks,2017-03-06 In *A Companion to Jesuit Mysticism* Robert A Maryks provides thirteen unique essays discussing the Jesuit mystical tradition a somewhat neglected aspect of Jesuit historiography that stretches as far back as the order s co founder Ignatius of Loyola his spiritual visions at Manresa and ultimately the mystical perspective contained in his Spiritual Exercises The volume s contributions on the most significant representatives of the Jesuit mystical tradition from Baltasar lvarez to Louis Lallemant to Hugo Makibi Enomiya Lassalle aim to fill this lacuna in Jesuit historiography Although intended primarily as a handbook for scholars seeking to further their own research in this area the volume will undoubtedly be of interest to scholars and students of Jesuit studies more broadly
