

I experienced the meeting and opening of fabric as the most delightfully absorbing place I had experienced since I was ten years old. And like a

flower (and with hands-  
ies had become a prom-  
ent) needed to be open-  
back me. Not being able  
to wait it all out outside

of my room should the  
before that, I will make a  
momentary "quilt." Like  
Elizabeth Hubbard's quilt,  
mine will be elaborate and  
detailed, but mine that can  
be completed in a week.

Learning to quilt  
isn't just a hobby,  
it's a way of life. It's a  
way of life that's been  
around for centuries.  
It's a way of life that's  
been around for centuries.

JANET CATHERINE BERLO

These comfortable secretaries had become a "quilt"  
person and I needed to escape. Finally, after this  
being able to write at all was certainly one of the  
meaning of the quilted notes. Quilting all day  
was excellent.

I wonder how it is possible  
ing from the world. Quilting  
myself to know that way out  
of my ignorance. Quilting my  
innermost sense of design. Not  
understanding the pattern.  
Letting it happen.

After all, what's been in  
is the dream of a quilt.  
I'm not sure I've been  
to the world of a quilt.  
I'm not sure I've been  
to the world of a quilt.

I wonder how it is possible  
ing from the world. Quilting

innermost sense of design. Not  
understanding the pattern.  
Letting it happen.

**Quilting Lessons** Janet Catherine Berlo, 2004-04-01 In the middle of a successful academic career art historian Janet Catherine Berlo found herself literally at a loss for words A severe case of writer s block forced her to abandon a book manuscript midstream she found herself quilting instead Scorning the logic planning and order of scholarship and writing she immersed herself in freewheeling patterns and vivid colors For eighteen months she spent all day every day quilting This book penetrates to the very heart of women s lives focusing on their relationships to family and friends to work to daily tasks It is a search for meaning at midlife a search for an integration of career and creativity *Remembering the AIDS Quilt*

Charles E. Morris III, 2011-06-01 A collaborative creation unlike any other the Names Project Foundation s AIDS Memorial Quilt has played an invaluable role in shattering the silence and stigma that surrounded the epidemic in the first years of its existence Designed by Cleve Jones the AIDS Quilt is the largest ongoing community arts project in the world Since its conception in 1987 the Quilt has transformed the cultural and political responses to AIDS in the U S Representative of both marginalized and mainstream peoples the Quilt contains crucial material and symbolic implications for mourning the dead and the treatment and prevention of AIDS However the project has raised numerous questions concerning memory activism identity ownership and nationalism as well as issues of sexuality race class and gender As thought provoking as the Quilt itself this diverse collection of essays by ten prominent rhetorical scholars provides a rich experience of the AIDS Quilt incorporating a variety of perspectives critiques and interpretations **Quilts and Health** Marsha MacDowell, Clare

Luz, Beth Donaldson, 2018-01-05 Name an illness medical condition or disease and you will find quilting associated with it From Alzheimer s to Irritable Bowel Syndrome Lou Gehrig s Disease to Crigler Najjar Syndrome and for nearly every form of cancer millions of quilts have been made in support of personal well being health education patient advocacy memorialization of victims and fundraising In *Quilts and Health* Marsha MacDowell Clare Luz and Beth Donaldson explore the long historical connection between textiles and health and its continued and ever growing importance in contemporary society This lavishly illustrated book brings together hundreds of health related quilts with imagery from abstract patterns to depictions of fibromyalgia to an ovarian cancer diary and the stories behind the art as told by makers recipients healthcare professionals and many others This incredible book speaks to the healing power of quilts and quilting and to the deep connections between art and health *Crafting Community* Amy M. Smith, 2024-03-22 This book explores the threads between

community building and fiber arts Essays explore a variety of communities different types of crafts and the unique spaces and places where those communities exist Readers will get a sense of how community is established supported and deconstructed to better understand the benefits they hold for community members Thinking about how the communities work and why members join and stay within them offers the reader a rich view into the world of fiber arts and the communities within *With Her Own Hands* Nicole Nehrig, 2025-08-19 A rich and intimate exploration of how women have

used textile work to create meaningful lives from ancient mythology to our current moment Knitting sewing embroidery quilting throughout history these and other forms of textile work have often been dismissed as merely women's work and attached to ideas of domesticity and obedience Yet as psychologist and avid knitter Nicole Nehrig wonderfully explores in this captivating book textile work has often been a way for women to exercise power When their voices were silenced and other avenues were closed off to them women used the tools they had often a needle and thread to seek freedom within the restrictive societies they lived in Spanning continents and centuries *With Her Own Hands* brings together remarkable stories of women who have used textiles as a means of liberation from an eighteenth century Quaker boarding school that used embroidered samplers to teach girls math and geography to the Quechua weavers working to preserve and revive Incan traditions today and from the Miao women of southern China who in the absence of a written language pass down their histories in elaborate story cloths to a midcentury British women's postal art exchange Textiles have been a way for women to explore their intellectual capacities seek economic independence create community process traumas and convey powerful messages of self expression and political protest Heartfelt and deeply moving *With Her Own Hands* is a celebration of women who have woven their own stories and a testament to their resilience *Rhetorica in Motion* Eileen E. Schell, K. J.

Rawson, 2010-01-31 *Rhetorica in Motion* is the first collected work to investigate feminist rhetorical research methods in both contemporary and historical contexts The contributors analyze the decision making processes and methodologies employed in deciphering the origins meanings theories workings and manifestations of feminist rhetoric The volume examines familiar themes such as archival literary and online research but also looks to other areas of rhetoric such as disability studies gerontology aging studies Latina o queer and transgender studies performance studies and transnational feminisms in both the United States and larger geopolitical spaces *Rhetorica in Motion* incorporates previous views of feminist research outlines a set of principles that guides current methods and develops models for undertaking future inquiry including working as individuals or balancing the dynamics of group research The text explores how feminist research embodies what has come before and reflects what researchers institutions and instructors bring to it and what it brings to them Underlying the discovery of this volume is the understanding that feminist rhetoric is in constant motion in a dynamic that resists definition

*Writing otherwise* Jackie Stacey, Janet Wolff, 2016-05-16 *Writing otherwise* is a collection of essays by established feminist and cultural critics interested in experimenting with new styles of expression Leading figures in their field such as Marianne Hirsch Lynne Pearce Griselda Pollock Carol Smart Jackie Stacey and Janet Wolff all risk new ways of writing about themselves and their subjects Aimed at both general and academic readers interested in how scholarly writing might be more innovative and creative this collection introduces the personal the poetic and the experimental into the frame of cultural criticism This collection of essays is highly interdisciplinary and contributes to debates in sociology history anthropology art history cultural and media studies and gender studies ***Stitching the Self*** Johanna Amos, Lisa

Binkley,2020-01-09 The needle arts are traditionally associated with the decorative domestic and feminine *Stitching the Self* sets out to expand this narrow view demonstrating how needlework has emerged as an art form through which both objects and identities social political and often non conformist are crafted Bringing together the work of ten art and craft historians this illustrated collection focuses on the interplay between craft and artistry amateurism and professionalism and re evaluates ideas of gendered production between 1850 and the present From quilting in settler Canada to the embroidery of suffragist banners and the needlework of the Bloomsbury Group it reveals how needlework is a transformative process one which is used to express political ideas forge professional relationships and document shifting identities With a range of methodological approaches including object based feminist and historical analyses *Stitching the Self* examines individual and communal involvement in a range of textile practices Exploring how stitching shapes both self and world the book recognizes the needle as a powerful tool in the fight for self expression *Using Textile Arts and Handcrafts in Therapy with Women*
