Betterton, 2013-04-16 This book contains a classic article on the subject of quilting being an exploration of its history popularity development traditions and influence this illustrated article is worthy of a place in any collection and is not to be missed by those with an interest in the history of the textile industry Many vintage books such as this are becoming increasingly scarce and expensive We are republishing this book now in an affordable high quality edition complete with a specially commissioned new introduction on quilting [The Natural History of the Traditional Quilt](#) John Forrest, Deborah

Blincoe, 2011-01-19 Traditional quilts serve many purposes over the course of a useful life Beginning as a beautiful bed covering a quilt may later function as a ground cover at picnics until years of wear relegate it to someone's ragbag for scrap uses Observing this life cycle led authors John Forrest and Deborah Blincoe to the idea that quilts like living things have a natural history that can be studied scientifically They explore that natural history through an examination of the taxonomy morphology behavior and ecology of quilts in their native environment the homes of humans who make use keep and bestow them The taxonomy proposed by Forrest and Blincoe is rooted in the mechanics of replicating quilts so that it can be used to understand evolutionary and genetic relationships between quilt types The morphology section anatomizes normal and abnormal physical features of quilts while the section on conception and birth in the life cycle discusses how the underlying processes of replication intersect with environmental factors to produce tangible objects This methodology is applicable to many kinds of crafts and will be of wide interest to students of folklore anthropology and art history Case studies of traditional quilts and their makers in the Catskills and Appalachia add a warm human dimension to the book *Old Nova Scotian Quilts* Scott Robson, Sharon MacDonald, Nova Scotia Museum, 1995 Nova Scotian women have been making quilts for over 250 years The is a celebration of the beauty and the importance of their household art Based on a touring exhibit of the
