#### *The Outlaw Biker Legacy of Violence* Thomas

Barker, 2018-04-24 Outlaw bikers represent a very small percentage of motorcycle riders who join motorcycle clubs but they receive disproportionate attention due to their mystique unconventional behavior and violence Although the outlaw biker phenomenon started in the United States it has since spread throughout the world The involvement of Outlaw Motorcycle Gangs OMGs in organized crime at the local regional national and transnational levels fosters violence that puts innocent persons at risk for death or injury and leads to the demonization of bikers and the overcriminalization of motorcycle enthusiasts and club members The Outlaw Biker Legacy of Violence written by internationally known expert Thomas Barker addresses the legacy of violence in the outlaw biker culture and tackles the implications of the violence that progressed as outlaw biker clubs evolved into adult criminal gangs engaged in crimes for profit over long periods of time and across

borders Beginning with a history of outlaw bikers and the construction of the folk devil of the biker the book outlines the distinctions between conventional motorcycle clubs Outlaw Motorcycle Clubs and Outlaw Motorcycle Gangs and then traces the expansion of these groups across the globe This book will be relevant to those interested in the examination or investigation of biker gangs in particular or organized criminal groups in general It is essential reading for criminal justice students and others studying social groups gangs and organizations or the sociology of deviance and is also relevant for law enforcement professionals dealing with these organizations

**Jack the Ripper: The Terrible Legacy** The Whitechapel Society, 2013-07-01 Jack the Ripper was the slayer of at least five female victims in London s East End but his legacy left many more victims in its wake than he could have ever imagined From the Royal Family and the British Government to the London Police and minority groups the list of other victims that were created as a direct result of the Jack the Ripper murders goes on and on Following the success of their first book the authors from The Whitechapel Society have compiled this ultimate force in Ripper research in which each group is looked at in detail The authors are veteran Ripper chroniclers familiar with the highways and byways of the Ripper road map They share the principle that in all the plethora of commentaries about the Whitechapel Murderer there are many categories of victim apart from the five women slain in the streets in the autumn of 1888
