Sisters in Time Susan Morgan, 1989 Asking why the 19th century British novel features heroines and how and why it features feminine heroism Susan Morgan traces the relationship between fictional depictions of gender and Victorian ideas of history and progress Morgan approaches gender in selected 19th century British novels as an imaginative category accessible to authors and characters of either sex Arguing that conventional definitions of heroism offer a fixed and history denying perspective on life the book traces a literary tradition that represents social progress as a process of feminization The capacities for flexibility mercy and self doubt conventionally devalued as feminine can make it possible for characters to enter history She shows that Austen and Scott offer revolutionary definitions of feminine heroism and the tradition is elaborated and transformed by Gaskell Eliot Meredith and James partly through one of his last heroines the aging hero of *The Ambassadors* Throughout the study Morgan considers how gender functions both in individual novels and more extensively as a means of tracing larger patterns and interests especially those concerned with the redemptive possibilities of a temporal and historical perspective

Error and the Academic Self Seth Lerer, 2003-03-17 How and why did the academic style of writing with its emphasis on criticism and correctness develop Seth Lerer suggests that the answer lies in medieval and Renaissance philology and more specifically in mistakes For Lerer erring is not simply being wrong but being errant and this book illuminates the wanderings of exiles migr's dissenters and the socially estranged as they helped form the modern university disciplines of philology and rhetoric literary criticism and literary theory Examining a diverse group that includes Thomas More Stephen Greenblatt George Hickes Seamus Heaney George Eliot and Paul de Man *Error and the Academic Self* argues that this critical abstraction from society and retreat into ivory towers allowed estranged individuals to gain both a sense of private worth and the public legitimacy of a professional identity
