Against the Darkness Graham A. Cole,2019-11-12 Many Christians live as though they are effectively alone in the world However there is another realm of intelligent life that plays a role in the world angelic beings This book explores the doctrine of angels and demons answering key questions about their nature and the implications for Christians beliefs and behavior helping readers see their place in the larger biblical plotline that includes supernatural beings An understanding of the reality of angels and demons encourages believers to be vigilant in the light of spiritual warfare and to be confident in Christ s victory on the cross

The Oxford Handbook of Qur'anic Studies,2020-04-28 Traditionally revered as the literal word of God the Qur an serves as Islam s sacred book of revelation Accordingly its statements and pronouncements rest at the core of the beliefs and teachings that have inexorably defined expressions of the Islamic faith Indeed over the centuries engaging with and poring over the contents of the Qur an inspired an impressive range of traditional scholarship Notwithstanding its religious pre eminence the Qur an is also considered to be the matchless masterpiece of the Arabic language and its impact as a text can be discerned in all aspects of the Arabic

literary tradition Presenting contributions from leading experts in the field The Oxford Handbook of Qur'anic Studies offers an authoritative collection of chapters that guide readers through the gamut of themes subjects and debates that have dominated the academic study of the Qur'an and its literary heritage These range from chapters that explore the text's language vocabulary style and structure to detailed surveys of its contents concepts transmission literary influence historical significance commentary tradition and even the scholarship devoted to translations With the aim of serving as an indispensable reference resource the Handbook assesses the implications of research discourses and discussions shaping the study of the Qur'an today There exists no single volume devoted to such a broad review of the scholarship on the Qur'an and its rich commentary tradition

Religious Perspectives in Modern Muslim and Jewish Literatures

Glenda Abramson, Hilary Kilpatrick, 2006 This book brings together fascinating discussions of the way in which Muslim and Jewish beliefs and practices are represented in modern literary texts of poetry fiction and drama The chapters collected here consider elements of the expression of Judaism and Islam in modern literature Key topics such as religious ideas and teachings aspects of mysticism the tenets of religion uses made of sacred texts religion and popular culture and reflections of religious controversies are covered While there is an embodied comparative element to the chapters the essays are not confined by comparisons and cover a wide range of the literary expression of religious issues With contributions from a group of international scholars all of whom are experts in the field and each of whom has brought a particular perspective to the topic this book is a significant contribution to and will stimulate further research on the various literatures treated reflection on comparative work on these two cultural traditions and new interest in literary expressions of religion and religiousness in general

From Heart of Stone to Heart of Flesh: Evolutionary Journey from Extremism to Moderation Zeina M.

Barakat, 2017-08-24 This book examines the forces of human transformation from extremism to moderation It analyzes the ethical indicators which determine making the choice of the path to take when one is faced with crucial decisions to make The author focuses on three central values namely a moderation reflecting balance in dealing with individual and group issues b reconciliation reflecting willingness to heal wounds and repair broken relationships by showing respect for the personal and collective narrative of the other and feeling empathy and compassion for the pain and suffering of other and viewing the perspective of the other by putting oneself in the shoes of the other c peace coexisting with the other reflecting tolerance for the beliefs and views of other These three concepts are linked together in consequential sequence with each leading to the other and eventually resulting prosperity and security

Historical Dictionary of Islam Ludwig W.

Adamec, 2016-12-14 Muslims believe that the Koran is God's message in Arabic revealed through the medium of the Prophet Muhammad for the guidance of the Arabs and subsequently for all humanity There is both unity and variety in the Islamic world Muslims are not a homogeneous people who can be explained solely by their normative texts the Koran and the Sunnah Muslims differ vastly in their interpretation of Islam modernists want to reinterpret Islam to adapt to the requirements of

modern times while traditionalists tend to look to the classical and medieval periods of Islam as their model of the Islamic state This third edition of Historical Dictionary of Islam contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on major sects schools of theology and jurisprudence as well as aspects of Islamic culture This book is an excellent resource for students researchers and anyone wanting to know more about Islam
