Opening the Qur'an Walter H. Wagner,2010-07-02 Opening the Qur an can be a bewildering experience to non Muslim English speaking readers Those who expect historical narratives stories or essays on morals are perplexed once they pass the beautiful first Surah often shocked and then bogged down by Surah 2 and even offended by Surah 3 s strictures against nonbelievers Walter H Wagner opens the Qur an by offering a comprehensive and extraordinarily readable step by step introduction to the text making it accessible to students teachers clergy and general readers interested in Islam and Islam s holy Book Wagner first places the prophet Muhammad the Qur an and the early Muslim community in their historical geographical and theological contexts This background is a basis for interpreting the Qur an and understanding its role in later Muslim developments as well as for relationships between Muslims Jews and Christians He then looks in detail at specific passages moving from cherished devotional texts to increasingly difficult and provocative subjects The selected bibliography serves as a resource for further reading and study Woven into the discussion are references to Islamic beliefs and practices Wagner shows great sensitivity toward the risks and opportunities for non Muslims who attempt to interpret the Qur an and sympathy in the long struggle to build bridges of mutual trust and honest appreciation between Muslims and non Muslims

Guidelines for Dialogue Between Christians and Muslims Maurice Borrmans,1990 Provides a basic knowledge of Islamic beliefs and practices so that Christians may be better prepared to engage in dialogue with Muslims

What It Means to Be a Muslimah SYED IMAD ALATAS,2024-11-15 While women s concerns in Malaysia were subsumed under nationalist concerns during British colonialism the 1980s signalled a turning point Women could discuss topics in relation to their everyday experiences such as domestic violence That same period also saw Islamisation gather momentum Integral to Islamisation was an emphasis on the role of women as wives and mothers so as to maintain the integrity of the patriarchal family The domestic household and marital issues naturally became key concerns in Islamisation discourse Muslimah NGOs emerged during this period responding both to state and everyday discourses on Islam in Malaysian society One principal response of the NGOs was to go back to Islamic and alternative sources of knowledge These responses were also informed by particular orientations towards Islam such as neo traditionalism and neo modernism Utilising Mannheim s sociology of knowledge approach What It Means to Be a Muslimah examines gender activist discourse in Malaysia by focusing on the religious orientations of the activists interviewed It argues that Muslimah activists in Malaysia generally adopt a neo modernist mode of thinking when discussing various sources of knowledge and the specific marital issues of polygamy and child marriage but demonstrate a diversity in modes of thinking where they interchangeably pick and choose positions that correspond to either neo traditionalism or neo modernism when explaining a woman s role in Islam

International Law and Islam Ignacio de la Rasilla del Moral,Ayesha Shahid,2018-12-10 International Law and Islam Historical Explorations offers a unique opportunity to examine the Islamic contribution to the development of

international law in historical perspective The role of Islam in its various intellectual political and legal manifestations within the history of international law is part of the exciting intellectual renovation of international and global legal history in the dawn of the twenty first century The present volume is an invitation to engage with this thriving development after generations of prejudiced writing regarding the notable contribution of Islam to international law and its history
