## **Rabbi Talks With Jesus:**

**Rabbi Talks with Jesus** Jacob Neusner, 2000 Imagine yourself transported two thousand years back in time to Galilee at the moment of Jesus Sermon on the Mount After hearing it would you abandon your religious beliefs and ideology to follow him or would you hold on to your own beliefs and walk away In *A Rabbi Talks with Jesus* Jacob Neusner considers just such a spiritual journey *A Rabbi Talks with Jesus* Jacob Neusner, 1993 Straightforward terms concerning why while Christians believe in Jesus Christ and the Kingdom of Heaven Jews believe in the Torah of Moses and a kingdom of priests and holy people on earth **Children of the Flesh, Children of the Promise** Jacob Neusner, 2005-02-02 In this provocative follow up to his enormously influential *A Rabbi Talks with Jesus* Jacob Neusner challenges the apostle Paul to debate the true meaning and significance of Judaism Drawing new boundaries for Jewish Christian dialogue Neusner contends that Paul's misinterpretation of Judaism a misinterpretation perpetuated today by many Christians and Jews has resulted in the widespread perception of Judaism as ethnic and particular and Christianity as universal Yet as Neusner clearly demonstrates just as Christianity presents an option to all of God's faithful so too does Judaism's mediation of the voice of God at Sinai echo across the entire world *Rabbi Talks with Jesus* Jacob Neusner, 2000-02-16 Placing himself within the context of the Gospel of Matthew Neusner imagines himself in a dialogue with Jesus of Nazareth and pays him the supreme Judaic gesture of respect making a connection with him through an honest debate about the nature of God's One Truth Neusner explains why the Sermon on the Mount would not have convinced him to follow Jesus and why by the criterion of the Torah of Moses he would have continued to follow the teachings of Moses He explores the reasons Christians believe in Jesus Christ and the Kingdom of Heaven while Jews continue to believe in the Torah of Moses and a kingdom of priests and holy people on earth This revised and expanded edition with a foreword by Donald Akenson creates a thoughtful and accessible context for discussion of the most fundamental question of why Christians and Jews believe what they believe *A Rabbi Talks with Jesus* Doubleday Publishing, *Jesus, Interpreted* Matthew J. Ramage, 2017 In this sequel volume to his *Dark Passages of the Bible* CUA Press 2013 author Matthew Ramage turns his attention from the Old to the New Testament now tackling truth claims bearing directly on the heart of the Christian faith cast into doubt by contemporary New Testament scholarship Did God become man in Jesus or did the first Christians make Jesus into God Was Jesus resurrection a historical event or rather a myth fabricated by the early Church Will Jesus indeed return to earth on the last day or was this merely the naive expectation of ancient believers that reasonable people today ought to abandon *Encountering World Religions* Irving Hexham, 2019-05-21 The diversity of the world's religions has come to the West but believers are often ill equipped for any kind of serious engagement with non Christians In *Encountering World Religions* professor and author Irving Hexham introduces all the world's major religious traditions in a brief and understandable way Hexham outlines key beliefs and practices in each religion while also providing guidance on how to think critically about them from the standpoint of

Christian theology African yogic and Abrahamic traditions are all covered Accessible and clear Encountering World Religions will provide formal and lay students alike with a useful Christian introduction to the major faiths of our world *Engaging the Doctrine of Israel* Matthew Levering, 2021-09-16 This book is the dogmatic sequel to Levering's *Engaging the Doctrine of Marriage* in which he argued that God's purpose in creating the cosmos is the eschatological marriage of God and his people God sets this marriage into motion through his covenantal election of a particular people the people of Israel Central to this people's relationship with the Creator God are their Scriptures exodus Torah Temple land and Davidic kingship As a Christian Israelology this book devotes a chapter to each of these topics investigating their theological significance both in light of ongoing Judaism and in light of Christian Scripture Old and New Testaments and Christian theology The book makes a significant contribution to charting a path forward for Jewish Christian dialogue from the perspective of post Vatican II Catholicism

**Pathways for Inter-Religious Dialogue in the Twenty-First Century** Vladimir Latinovic, Gerard Mannion, Peter C. Phan, 2016-01-26 Without question inter religious relations are crucial in the contemporary age While most dialogue works on past and contemporary matters this volume takes on the relations among the Abrahamic religions and looks forward toward the possibility of real and lasting dialogue The book centers upon inter faith issues It identifies problems that stand in the way of fostering healthy dialogues both within particular religious traditions and between faiths The volume's contributors strive for a realization of already existing common ground between religions They engagingly explore how inter religious dialogue can be re energized for a new century

**Interpreters** Jacob Neusner, 2012-07-10 The result for the history of Judaism of a documentary reading of the Rabbinic canonical sources illustrates the working of that hypothesis It is the first major outcome of that hypothesis but there are other implications and a variety of new problems emerge from time to time as the work proceeds In the recent past Neusner has continued to explore special problems of the documentary hypothesis of the Rabbinic canon At the same time Neusner notes others join in the discussion that have produced important and ambitious analyses of the thesis and its implications Here Neuser has collected some of the more ambitious ventures into the hypothesis and its current recapitulations Neusner begins with the article written by Professor William Scott Green for the Encyclopaedia Judaica second edition as Green places the documentary hypothesis into the context of Neusner s entire oeuvre Neuser then reproduces what he regards as the single most successful venture of the documentary hypothesis contrasting between the Mishnah s and the Talmuds
