Moore, 2025-05-14 Welcome to Cherry Hill Attendance is mandatory The Cherry Hill Sanitarium isn't a friendly place The inmates are among the most mentally deranged and dangerous minds known to the world It's the sort of place that sane people would do well to avoid if they value their lives John Doe is not a normal man He can't remember his name nor much of his past He's almost certain he's been dead for a while and that the asylum that has become his residence is haunted by more

than broken minds and twisted memories John isn't wrong Something dark is growing inside the walls of the asylum something that festers and hungers to be free of its prison That something has never lived before but it wants to live now even if it has to destroy everything it encounters to get its way John Doe might just be the only person in the world who can stop the madness that is trying to be born into the walls of Cherry Hill He might be the only chance for the staff and the patients alike The problem isn't simply that he can't remember how to help them It's worse than that John Doe is almost certain that if he does remember his past the knowledge could very well drive him mad Boomtown James A.

Moore, 2025-06-07 There is no peace in death Some people know that better than others In Carson's Point Colorado the dead do not rest but rise every night and try to kill whatever crosses their path Those dead are merely the symptom of something far worse something ancient and evil that does not care for the Europeans taking the lands or for those who lived there before The living do not matter the dead are tools the possible spawn of the pale white thing lurking in the woods are all that is important to that dreadful force It will kill anything that gets in its path and make living and the deceased suffer for their transgressions Carson's Point is on a course that leads straight to Hell unless something comes along that can fight back against the unnatural servants of the thing that wants the boomtown destroyed The wizard Albert Miles is in town for reasons all his own escaping the latest terrors he's spread across the land He might well be able to save the town but if he does he'll exact a terrible price The new sheriff has his work cut out for him There are savages waiting outside the town dead things crawling from the grave bad men set on taking what they want and fools aplenty trying to survive the disasters coming their way until they can once again go hunting for the dreams they hope will change their lives Jonathan Crowley could very well be the salvation that the town needs but he has no desire to help anyone living there and has settled himself on one mission and one mission only revenge against the soldiers that left him for dead The Hunter has quit and no longer wants anything to do with justice for humans or stopping the evil things that feast on humanity's sorrows Evil grows throughout the town mortal evil and things far worse And when the sun sets that evil takes root and spreads like wildfire Debt, Deficits,
