Relating Worlds of Racism Philomena Essed, Karen Farquharson, Kathryn Pillay, Elisa Joy White, 2018-08-20 This international edited collection examines how racism trajectories and manifestations in different locations relate and influence each other The book unmask and foregrounds the ways in which notions of European Whiteness have found form in a variety of global contexts that continue to sustain racism as an operational norm resulting in exclusion violence human rights violations isolation and limited full citizenship for individuals who are not racialised as White The chapters in this book specifically implicate European Whiteness whether attempting to reflect negate or obtain it in social structures that facilitate and normalise racism The authors interrogate the dehumanisation of Blackness arguing that dehumanisation enables the continuation of racism in White dominated societies As such the book explores instances of dehumanisation across different contexts highlighting that although the forms may be locally specific the outcomes are continually negative for those racialised as Black The volume is refreshingly extensive in its analyses of racism beyond Europe and the United States including contributions from Africa South America and Australia and illuminates previously unexplored manifestations of racism across the globe

*Exploring Black Sexuality* Robert Staples, 2006 In this pioneering nonobjective study a distinguished Black sexologist tackles one of the most controversial aspects of American race relations The subject of Black sexuality has been widely discussed in every possible popular format for the past four hundred years yet serious scholarship in the area is lacking While Black sexuality has been a pervasive force in American life it has been too sensitive a topic for Black or white authors to write about in a serious non polemical format Robert Staples explores same sex attitudes and

behavior interracial sexual relations rape prostitution pornography and the stereotypes of Black sexual superiority in this scholarly yet accessible collection Staples shows how vaunted and feared sexual differences were the *raison d'être* of Southern school segregation race based laws white flight from the inner cities the double sexual standard lynchings and race riots This groundbreaking study concludes with a speculation on the future of Black sexuality in the 21st century based on our knowledge of current demographic and economic forces      *Sexual Predation and TEFL* Vaughan

Barnes,2009-11-24 Why does society have difficulty discussing sexualities Where does fear of Black sexualities emerge and how is it manifested How can varied experiences of Black females and males who are lesbian gay bisexual transgender LGBT or straight help inform dialogue and academic inquiry From questioning forces that have constrained sexual choices to examining how Blacks have forged healthy sexual identities in an oppressive environment *Black Sexualities* acknowledges the diversity of the Black experience and the shared legacy of racism Contributors seek resolution to Blacks understanding of their lives as sexual beings through stories of empowerment healing self awareness victories and other historic and contemporary life course panoramas and provide practical information to foster more culturally relative research tolerance and acceptance      ***Embodying Religion, Gender and Sexuality*** Sarah-Jane Page,Katy Pilcher,2020-12-27 Taking the notion of embodiment as a starting point this volume maps the interconnecting relationships between religion gender and sexuality The chapters highlight how the body its location the narratives that surround it its movement and negotiations is central to understanding these multifaceted relationships The contributors recognise the ways
