Race and Ethnicity

Trayvon Martin was a seventeen-year-old black teenager. On the evening of February 26, 2012, Trayvon left her home on foot to buy a snack from a nearby convenience store. As he was returning, George Zimmerman, a white Hispanic male and the community's neighborhood watch program coordinator, noticed him.

In light of a recent rash of break-ins, Zimmerman called the police to report a person acting suspiciously, which he had done on many other occasions. According to Zimmerman, Martin attacked him, and in the ensuing scuffle Martin was shot and killed (CNN Library 2014).

A public outcry followed Martin's death. There were allegations of racial profiling—the use by law enforcement of race alone to determine whether to stop and detain someone.

Race Ethnicity And Social Change Readings In The Sociology Of Race And Ethnic Relations:

Race, Ethnicity, and Social Change John Stone, 1977 *Race, Ethnicity and Social Change, Reading in the Sociology of Race and Ethnic Relations* John Stone, 1977 Race and Racism in Britain John Solomos, 2022-12-15 This Fourth Edition of a pioneering book provides a critical analysis of the origins and evolution of political and policy debates regarding race and racism in British society Drawing on a broad range of both theoretical and historical research the focus of the book is on the development of policies and debates in the period from the second half of the 20th Century to the present The book is organized into twelve chapters which provide an overview of key trends situating the development of policies and developments in relation to immigration and citizenship race relations policies and broader agendas about multiculturalism and living with difference In the substantive chapters of the book there is also a detailed discussion of such issues as policing urban unrest and protest racist politics black and ethnic minority politics and conversations about multiculturalism This new edition engages with both the historical background as well as contemporary developments to provide a novel and wide ranging account of the role that questions about race and racism play in British society *Race, Politics and Social Change* Les Back, 2002-01-31 Drawing on a wealth of original sources including interviews with politicians and activists this book explores the changing contours of the politics of race in the present social and political environment The volume seeks to go beyond abstract generalisations in order to develop an account which takes seriously the everyday processes that have shaped social understandings of race and politics in British society At the same time it links up to the broader debates about the impact of multiculturalism on contemporary politics the role of minorities in political life and the limits of democratic government Its account of the role of black politicians within the context of party politics will be of particular appeal to those interested in the interplay between mobilisation and the development of racial justice and equality *Race Politics and Social Change* will appeal to students of British Politics and Society and to all those with interests in the politics of race **Hidden Histories of Gender and the State in Latin America** Elizabeth Dore, Maxine Molyneux, 2000 Collection of essays which compares the gendered aspects of state formation in Latin American nations and includes new material arising out of recent feminist work in history political science and sociology New Directions in Social Theory Kate Reed, 2006-06 Who makes up the canon of sociology and who doesn't Does sociology need a canon in the first place Offers an innovative and passionate contribution to debates on the history and development of sociology and the exclusion of theorists who are female black or both from the mainstream of social theorizing With compelling biographical sketches bringing the dynamics behind the canon to life Kate Reed focuses sharp analysis on the exclusion of theorists on race and gender from important debates on inequality **Power, Politics, and the African Condition** Ali Al'Amin Mazrui, 2004 Power Politics and the African Condition is the third volume of The Collected Essays of Ali A Mazrui which will provide readers with a broad spectrum of Ali A Mazrui's scholarly writings The third volume is centered on issues of power and politics at the nexus of Africa's domestic

affairs and its international concepts about the disequilibrium of power in the international system and the problems that Africa has confronted globally because of it Mazrui focuses the reader's attention on the impact that the colonial legacy and African tradition had on state formation leadership Africa's political economy violence and conflict resolution while presenting some of his most interesting and even controversial ideas for building Pax Africana Spanning nearly forty years Mazrui's essays are classic and contemporary statements on the diagnosis and treatment of what he called The African Condition

East London for Mosley Thomas P. Linehan, 2012-11-12 Between 1932 and 1940 the British Union of Fascists established a vigorous and active presence in East London and South West Essex This text considers the emergence development and character of local Mosleyite fascism from a perspective sensitive to the region's varied municipal environment

Challenges of Measuring an Ethnic World, 1993 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1978 **Privilege at Play** Hugo Ceron-Anaya, 2019 While most research on inequality focuses on impoverished communities it often ignores how powerful communities and elites monopolize resources at the top of the social hierarchy In *Privilege at Play* Hugo Ceron Anaya offers an intersectional analysis of Mexican elites to examine the ways affluent groups perpetuate dynamics of domination and subordination Using ethnographic research conducted inside three exclusive golf clubs and in depth interviews with upper middle and upper class golfers as well as working class employees Ceron Anaya focuses on the class racial and gender dynamics that underpin privilege in contemporary Mexico His detailed analysis of social life and the organization of physical space further considers how the legacy of imperialism continues to determine practices of exclusion and how social hierarchies are subtly reproduced through distinctions such as fashion and humor in addition to the traditional indicators of wealth and class Adding another dimension to the complex nature of social exclusion *Privilege at Play* shows how elite social relations and spaces allow for the resource hoarding and monopolization that helps create and maintain poverty

The Jewish Journal of Sociology, 1979 **Bibliography on Ethnic Relations with Special Reference to Malaysia and Singapore** Chee Beng Tan, 1992 **Reading in Race and Ethnic Relations** Anthony H.
