Freeman,2018-05-15 The world has been taught a systematic self perpetuating form of thinking People have become slaves to their minds which control how they act and think within society This mind control is more a result of tyranny than self righteousness Sadly the educational system has forced

this deceit upon everyone since birth Society's main goal is controlling thoughts by dividing and conquering the mind driving people more toward hate than love This tyranny has been the separation of our identity Love is within all DNA but this systematic thinking has been destroying love in our consciousness You can ask one simple question using the systematic self-perpetuating form of thinking and the entire world will know the answer No matter the language barrier people are socially confined to their minds We are all taught to socially accept certain people and not others We tend to debate whether or not it is worthwhile to help someone but we act quickly without thinking to help defenseless animals It is possible to illuminate the idea within the program and destroy the evil lying within the recesses of the mind It is a dark paradox of bitterness jealousy envy lust hatred and loathing You likely have heard this before many times but never thought it was inside of you It is there and it has been there forever controlling you It must be destroyed by our true identity This book provokes the innermost truth in all people as one collective thought Our current one-sided thought will never evolve into a higher consciousness It is the destroyer rather than the maker of thoughts It opposes the law of righteousness within the abstract of color This opposition of color has risen within the walls of its own kind since 1681 It is the idea within the separation of the colors black and white It still exists whether anyone believes it or not It thrives among conversations gestures and facial expressions It is here

*Understanding Human Races:* Professor Donald E. Mbosowo, PhD, 2012-01-23 The Bible Torah Koran and historical records show that Adam and Eve were the first family and that every human being on earth came from Adam These claims indicate that there was only one human race the Adamic race The Bible and Bible scholars believe that Noah had three sons Shem Ham and Japheth and concluded that the three human races were the progeny of Noah's three sons This book questions whether Noah married three wives from three different racial groups The book claims that there were three different racial groups The first two lines of racial groups were in the Garden of Eden and they left the garden after Adam had sinned The third race emerged from the interracial marriage between the first two lines of racial groups that left the garden The first race came from Adam and Eve and through Seth the race was represented by Ham The second race came from Eve and Lucifer through Eve's sexual relationship with Lucifer that produced Cain as Lucifer's son and through Cain another human race evolved which was represented by Shem The third race came from the intermarriage between the Hamitic race and Shemitic race and that race was represented by Japheth Adam fell into sin and lost his position of authority and power to Lucifer and Lucifer ruled over him and determined to destroy the Adamic race by the Flood so that his Luciferian race could inherit the earth This book argues that Noah did not marry and did not have any children He was a prophet chosen by the I AM to save the Adamic race from being exterminated by Noah's flood The Bible call it Noah's flood but it was Lucifer's flood This shows that Noah's flood was local and through it Lucifer targeted the Adamic race to destroy it After the Flood Lucifer knew that the Adamic race was not completely destroyed He engineered Shem and Japheth to accuse Ham of seeing Noah's nakedness and that accusation made Lucifer who became the God of Shem instituted the
