Race Without End:

Race Without End Maurice Hamilton, 1994 This is Grand Prix racing exposed and explained as never before The book takes a behind the scenes look at the Jordan Grand Prix team throughout 1993 as they raced against rivals with three times the budget The big teams were fighting to win Jordan and others like them were fighting to survive The author describes the thrills and spills of this glamorous yet punishing world bringing the story up to date with Jordan's dramatic start to the 1994 season , *Prudentius' Psychomachia* Macklin Smith, 2015-03-08 Prudentius Psychomachia written about A D 405 has been studied by classicists medievalists and general literary historians Nevertheless scholars have barely explored the allegory's inner workings or related it to its historical context The present study remedies this critical neglect and its attendant misreadings The author arrives at a coherent unified interpretation by examining the work's major features in relation to the poet's life and times He contends that the poet balanced an affirmation of Christian allegory with an ironic negation of pagan literary tradition For this remarkable achievement his audience was the aristocracy still largely pagan at a time of intense antagonism between the Church and old Roman religious institutions Originally published in 1976 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **The Enemy Within** David John Jones, 2020-04-28 What would you do if the person you loved betrayed you in the worst way possible Domini Parrino's life is fantastic She has a loving husband son and lifelong best friend And her business is booming Life couldn't be better However her perfect world is about to come crashing down around her She has a viper in the nest her cheating husband Now his terrible secret is out He's betrayed her in the worst way possible And now he's going to pay the ultimate price for his infidelity And his punishment She will not take his life but something far more valuable to him than life itself But as the saying goes Before seeking revenge first dig two graves **Derrida and Joyce** Andrew J. Mitchell, Sam Slote, 2013-04-15 Bringing together all of Jacques Derrida's writings on James Joyce this volume includes the first complete translation of his book Ulysses Gramophone Two Words for Joyce as well as the first translation of the essay The Night Watch In Ulysses Gramophone Derrida provides some of his most thorough reflections on affirmation and the yes the signature and the role of technological mediation in all of these areas In The Night Watch Derrida pursues his ruminations on writing in an explicitly feminist direction offering profound observations on the connection between writing and matricide Accompanying these texts are nine essays by leading scholars from across the humanities addressing Derrida's treatments of Joyce throughout his work and two remembrances of lectures devoted to Joyce that Derrida gave in 1982 and 1984 The volume concludes with photographs of Derrida from these two events **Leading**

Without Command Joe Mutizwa,2015-03-10 Leading Without Command offers practicing and aspiring leaders in business and other disciplines a new way to lead in a world defined by volatility uncertainty complexity and ambiguity The compelling argument in this book is that leading through command control and deployment of raw positional power can no longer guarantee superior organizational performance on a sustainable basis A new leadership model based on a humane perspective anchored on people centred principles and supported by a set of appropriate skills and behaviours is put forward This book is essential reading for anyone in a position of authority or influence over people and for anyone who needs to come to terms with the demands of a globally integrated and hypercompetitive world driven by digital technology knowledge and the redistribution of power from leaders to followers in organizations nations and societies **Be Still** B&H Editorial Staff,2021-09-07 The world keeps spinning How many have felt the need to keep up Are you tired Has the world exhausted you Let s face it We have jobs to work kids to raise spouses to support and if we take the time to list every little responsibility we would probably feel like we re drowning If we were to live this life on our own that feeling would be true We however are not meant to live this way In Be Still discover timeless truths that remind the reader to rest to wait and to trust in an amazing God Throughout this devotional the reader will find 100 messages of faith thanksgiving and reminders of God s providence that will leave the reader with a peaceful soul and a still heart Charles Dickens: Complete Works Charles
