Racehorse In The Rai:

Of Sound and Symbol Daniel Joseph Cesar,2010-08-01 A Critical Discourse Analysis of South Asian Women's Magazines Linda McLoughlin,2017-07-03 This intriguing book applies Critical Discourse Analysis to a range of South Asian women s lifestyle magazines exposing the disconnection between the magazines representations of South Asian women and the lived realities of the target audience The author challenges the notion that discourses of freedom and choice employed by women s magazines are emancipatory demonstrating instead that the version of feminism on offer is a commodified form which accords with the commercial aims of the publications McLoughlin demonstrates that whilst British magazines present women in the East as the exotic and culturally superior Other women in India are encouraged to emulate Western women to signify their engagement with globalization and modernity She uses data from focus groups carried out in both countries to illustrate the interpretive frameworks and multivocality of participants attitudes experiences and beliefs This thought provoking book will appeal to students and researchers of Language and Linguistics Women s Studies Anthropology Sociology Media Communications and Cultural Studies The Trotting Horse of America: how to Train and Drive Him.
