Rachel Susan Davies,1995-03-16 Susan Davies's world fell apart when her young daughter was diagnosed with a terminal illness This is the story of how an ordinary family was turned upside down and of how they coped Above all it is the story of the courage of a special young girl Rachel **(The Jewess)** F. Halévy,1919 **La Juive** F. Halévy,1914 **Gone for a Soldier** Jeffry Hepple,2009-03-08 Divided by loyalty to the King of England and the idea of democracy the Van Buskirk family struggles from the Boston Tea Party to the Battle of Yorktown to preserve a way of life or forge a new nation Rachel of the Sword Linda Carnahan,2014-03-31 Rachel of the Sword by Linda Carnahan Rachel Alice Grayson suddenly wakes up in a different world Zagrith the daemon witch takes her from the safety of her home in America to Carrines a mystical place of magic aelfs faeries dwarves humans and half aelfs but she soon finds that the land is constantly threatened by daemons crazed mutants and monsters In order to earn her way back home Zagrith demands she fulfill a mission she must bring a rusty enchanted sword to the dark mage a rogue who is destined to be the Protector of the Universe and if she is successful will defeat the hungry Gothfyl She prepares to meet Michael the dark mage who has been devoid of emotion since he was a small child When Rachel arrives his emotions suddenly return and he blames her for all of his troubles Rachel must earn his trust to make him believe that he is the rightful one to use the sword or the prophecy regarding the mage will never come true But a problem arises the sword is found to be tainted with daemon magic it is no longer pure Now she not only has to deal with Michael's unpredictable behavior she also has to contend with the people believing that she is a daemon witch that has cast a spell upon Michael to destroy him As she rides with Michael and his Black Company to solve the mystery of the sword Carrines peace is threatened by the Gothfyl's minions as it tries to stop them Should they prevent it from breaking through the barrier between its universe and theirs it will be denied the sweet tasty energy it hungers for And as the mages study the life sword and the prophecy it becomes clear that Rachel's roll in saving their world is more than just giving the sword to Michael She must get Michael to see the great part his nemesis the daemon lords will play in his destiny Together they must persuade the races of Carrines to set aside their prejudices to defeat the forces of the Gothfyl About the Author Linda Carnahan is a retired detention officer of Gila County Sheriff's Office She is a very active member of the community having been a founding member and first vice chair of the Bullion Plaza Museum and Cultural Center She is currently working on her second and third cookbook to help fund the museum Proud of her Celtic heritage she created the Arizona Cornish Society put out a Cornish newsletter and participated in Celtic games in both Tucson and Mesa **Feather Castles** Patricia Veryan,2015-12-22 The author of five superbly entertaining Regency novels Patricia Veryan has been proclaimed a worthy successor to Georgette Heyer at her very best The Chattanooga Times Now in her sixth novel Feather Castles Patricia Veryan gives us another sparkling Regency full of drama and romance as she unfolds the spellbinding adventures and apparently star crossed love of the soon to be married Miss Rachel Strand and a man whose name she does not even know It

is dusk on the ruined battlefields of Waterloo In a carriage slowly making its way across the desolation is Rachel Strand fianc e to the rich and powerful Claude Sanguinet who is accompanying her friend and teacher Sister Maria Evangeline in a desperate search for one man among the thousands who lie wounded Before they can find that man they come across a valiant young soldier who though badly wounded saves them from plunderers a man who cannot remember his name or even his nationality So begins a riveting tale that takes us to both sides of the English Channel from elegant drawing rooms and a magnificent sinister country estate to riotous taverns and hostels The London Stage; a Collection of the Most Reputed Tragedies, Comedies, Operas, Melo-dramas, Farces and Interludes, Etc. [With Portraits.] London Stage,1824 Whispering Jane Aiken Hodge,2014-01-23 When Caterina Gomez returns to her beloved home of Oporto Portugal her troubles have only just begun The country is at war with France and even though Oporto is no longer in French hands it is a shadow of its former self The scandalous cloud that Caterina left under is still not forgotten and her cruel and distant father insists on a hasty marriage or the convent Half English and half Portuguese she must walk a fine line between both societies which is all made near impossible considering her troubled past Thankfully her dear friend Miss Harriet Brown and cousin Jeremy Craddock have accompanied her from England But Harriet can only offer comfort whilst sharing in her fate and Jeremy who is seeking treatment for his ill health becomes distracted by his fair and pretty healer Then Caterina s past resurfaces in a most confusing manner in the shape of Luiz her childhood sweetheart drawing her further into the tangles of political intrigue Romantic as the adventure is Caterina must try to keep a cool head in order to find out quickly those who can be trusted and those who are not what they appear For she has a secret one that must be guarded at all costs Whispering first published in 1995 is another great historical romance from the master of the genre Jane Aiken Hodge **The American Monthly Magazine** ,1835 **Fires Forever Burning** Paul Hookham,2016-01-15 Rachel Fischer looked out at the Essex marshlands as her train sped towards London s Fenchurch Street station on a hot summer s morning in 1966 She was expecting just another uneventful day at the Polish Embassy where she worked part time as a translator She thought about her parents Izaak and Rebekah who she d last seen on the day before the Krakow ghetto was liquidated by the Nazis in 1943 She had no idea what happened to them and feared the worst Her search for the truth had proved elusive until now She never spotted the man who jumped on the train out of the shadows at the last minute He sat patiently one carriage back awaiting his moment as the final steps of his master plan were being played out It would certainly not be just another day at the office and by the end of it lives would change forever Peterson's Magazine ,1866 Schooling the Viscount Maggie Robinson,2017-01-31 Schooling the Viscount is a charming sexy romp through the English countryside Readers will fall in love with the little town of Puddling on the Wold I did Vanessa Kelly USA Today bestselling author Welcome to Puddling on the Wold where the sons and daughters of Victorian nobility come for a little rest recuperation and rehab in this brand new series of rebellious romance from Maggie Robinson After a harrowing tour of duty abroad Captain Lord Henry Challoner

fought to keep his memories at bay with two of his preferred vices liquor and ladies But the gin did more harm than good as did Henry s romantic entanglements since he was supposed to be finding a suitable bride Next stop The tiny village of Gloucestershire where Henry can finally sober up without distraction or temptation Or so he thinks A simple country schoolteacher Rachel Everett was never meant to cross paths with a gentleman such as Henry What could such a worldly man ever see in her As it turns out everything Beautiful fiercely intelligent Rachel is Henry s dream woman and wife Such a match would be scandalous for his family of course and Rachel has no business meddling with a resident at the famed rather draconian Puddling Rehabilitation Foundation All the better for two lost souls with nothing to lose and oh so very much to gain Praise for Maggie Robinson s Lady Anne s Lover Robinson never fails to provide plenty of brio banter and interpersonal heat Fans of humorous historicals will enjoy this delightful romp Publishers Weekly A charming fun Regency romp that combines an innovative compelling plot with characters that jump off the page and a hot captivating romance that will tug at heartstrings Kirkus Reviews Lively repartee and steamy sensuality yet maintains the mystery to the very end RT Book Reviews 4 Stars

Childhood and War in Eighteenth-Century Britain Jennine Hurl-Eamon,2025-01-12 The eighteenth century saw more years of war than of peace Though victimhood might jump most readily to mind when thinking about how this affected young people it is only a small part of the picture The Seven Years War and the Revolutionary and Napoleonic Wars influenced how children played learned worked and perceived the world around them regardless of whether they were in the heart of the battle or far from the action Childhood and War in Eighteenth Century Britain considers how British and foreign youngsters affected the waging of war not only as stalwart camp followers boy soldiers patriotic civilians and bereaved victims but also as evocative images of innocence inability and dependence Drawing on a wide variety of source material and reading it against the grain the book uses both children s lived experience of war and their representation in wartime imagery to reassess neglected aspects of the social and cultural histories of the long eighteenth century This includes the profound impact of military culture on eighteenth century childhood but also the surprising ways in which childhood itself was mobilized for military ends The same sentiments that set childhood apart as a distinct stage of innocence were used to marginalize youngsters war contributions or leveraged by the state to further military goals and where children s historians have concentrated on the way in which war made children grow up before their time the other side of this picture far less frequently voiced is that war might be seen to infantilize adults The result is a comprehensive and wide ranging account of childhood and war across the eighteenth century that makes novel contributions to and connects two distinct historiographical sub fields the history of childhood and military history
