Rachid Ghannouchi A Democrat Within Islamism:

Rachid Ghannouchi Azzam Tamimi, 2001 In fact Ghannouchi contends that civil society is an Islamic concept whereas secularism especially in the model imported to the Muslim world under the guise of modernization weakens it Jacket

Islamist Politics in the Middle East Samer Shehata, 2012-08-06 For over three decades Islamist politics or political Islam has been one of the most dynamic and contentious political forces in the Middle East Although there is broad consensus on the importance of political Islam there is far less agreement on its character the reasons for Islamist s success the role of Islamist movements in domestic and international affairs or what these movements portend for the future This volume addresses a number of central questions in the study of Islamist politics in the Middle East through detailed case studies of some of the region s most important Islamist movements Chapters by leading scholars in the field examine the Egyptian Muslim Brotherhood Hamas Hizbullah Morocco s Justice and Benevolence the Jordanian Muslim Brotherhood the Sunni Insurgency in Iraq and Islamist politics in Turkey and Iran The topics addressed within this volume include social networks and social welfare provision Islamist groups as opposition actors Islamist electoral participation the intersection of Islam and national liberation struggles the role of religion in Islamist politics and Islam and state politics in Iran among other topics All of the contributing authors are specialists with deep knowledge of the subject matter who are committed to empirically based research These scholars take Islamists seriously as modern sophisticated and strategic political players Together their work captures much of the diversity of Islamist politics in the region and will contribute to the scholarship on a topic that continues to be important for the Middle East and the world *The New Spirit of Islamism* Ezgi Basaran, 2024-05-02 This book explains the aspirations and concerns of Islamist actors in the aftermath of the Arab Uprisings by looking at two sets of relationships between Turkey s ruling AKP and the Egyptian Muslim Brotherhood and the AKP and Tunisia s Ennahda It presents a unique analysis of the interplay between the AKP Ennahda and the Muslim Brotherhood characterizing the actors the structure and the main features of the relationship and thereby illuminating a political confluence among these three critical Islamist entities in the aftermath of the Arab Uprisings Existing scholarship has assumed that this relationship revolves primarily around an ideological Islamist agenda however this research demonstrates a more complex and nuanced situation Ezgi Basaran puts forward that the interplay was not based on an aspiration of building an ideological Islamist bloc in the MENA region but rather revolved around the concept of political success and had a strong neoliberal ethos Basaran draws on data collected from over 60 interviews with high level members of the AKP Ennahda and Muslim Brotherhood to demonstrate how in the hope of achieving success and legitimization Ennahda and the Muslim Brotherhood have relied on the managerial prescriptions provided by the AKP The contents of this success formula were derived from the AKP s experience as an Islamist party in power since 2002 and includes tactics on crisis evasion legitimization winning elections and maintaining power **Islam and Democratization in Asia , Political Islam in Tunisia** Anne Wolf, 2017-07-15

Political Islam in Tunisia uncovers the secret history of Tunisia's main Islamist movement Ennahda from its origins in the 1960s to the present. Banned until the popular uprisings of 2010-11 and the overthrow of Ben Ali's dictatorship, Ennahda has until now been impossible to investigate. This is the first in-depth account of the movement, one of Tunisia's most influential political actors. Drawing on more than four years of field research, over 400 interviews, and access to private archives, Anne Wolf masterfully unveils the evolution of Ennahda's ideological and strategic orientations within changing political contexts and at times conflicting ambitions amongst its leading cadres. She also explores the challenges to Ennahda's quest for power from both secularists and Salafis. As the first full history of Ennahda, this book is a major contribution to the literature on Tunisia, Islamist movements, and political Islam in the Arab world. It will be indispensable reading for anyone seeking to understand the forces driving a key player in the country most hopeful of pursuing a democratic trajectory in the wake of the Arab Spring.

Political Islam at the Crossroads Ayfer Erdogan, Shaimaa Magued, 2025-07-24. A comparative analysis of Islamist groups' ideological positioning toward nation-state secularism and democracy across different countries in the MENA region. Authoritarian reassertion following the Arab uprisings in the Middle East has restrained Islamists' political participation and challenged their survival as both opposition groups and rulers. In light of national sociopolitical variations across the region, this book explores Islamists' means of adaptation and resilience in the face of this political exclusion, unpacking Islamists' sociopolitical persistence and ideological sustainability. In doing so, this book sheds light on the following questions: How did Islamists adapt to contextual restrictions in terms of repression and stigmatization? How did the Arab uprisings impact their internal debates, ideological revisions, and reconsideration of tools of action? Individual chapters explore similarities and divergences among Islamist groups and parties in terms of ideological affiliations, means of survival, and political participation strategies, drawing on comparative cases from across the MENA region. Examples include the Muslim Brotherhood in Egypt, Al Nahda in Tunisia, the AKP Justice and Development Party in Turkey, Hezbollah in Lebanon, Hamas in Palestine, and the Islamic State in Syria and Iraq. These studies engage critically with conceptual debates related to Islamism, post-Islamism, Jihadist Islam, and the Islamic nation community (ummah) to determine the trajectory of political Islam in the MENA.

Challenging Theocracy David Tabachnick, Toivo Koivukoski, Herminio Meireles Teixeira, 2018-06-12. Commonly perceived as a direct threat to the practice of liberal democracy, the global reemergence of theocratic claims to political rule is a misunderstood development of twenty-first-century politics. Analyzing the relationship between religion and politics throughout the Middle East, Africa, and the United States, as well as classical and medieval political philosophical sources, *Challenging Theocracy* critiques the contemporary formation of theocracy. Providing an account of the origins and influence of theocracy, the chapters in this volume explore ancient texts that articulate the theocratic political ideas that continue to bubble under the surface of political life today. In an effort to consider how regimes extend beyond their immediate institutional and legal forms and find their foundation in timeless ideas, the contributors examine ancient and modern

political thought to better understand their persistent power and impact on global politics

Democratic Transition in the Muslim World Alfred Stepan, 2018-03-13 In early 2011 widespread protests ousted dictatorial regimes in both Tunisia and Egypt Within a few years Tunisia successfully held parliamentary and presidential elections and witnessed a peaceful transition of power while the Egyptian military went on to seize power and institute authoritarian control What explains the success and failure of transitions to democracy in these two countries and how might they speak to democratic transition attempts in other Muslim majority countries *Democratic Transition in the Muslim World* convenes leading scholars to consider the implications of democratic success in Tunisia and failure in Egypt in comparative perspective Alongside case studies of Indonesia Senegal and India contributors analyze similarities and differences among democratizing countries with large Muslim populations considering universal challenges as well as each nation's particular obstacles A central theme is the need to understand the conditions under which it becomes possible to craft pro democratic coalitions among secularists and Islamists Essays discuss the dynamics of secularist fears of Islamist electoral success the role of secular constituencies in authoritarian regimes resilience and the prospects for moderation among both secularist and Islamist political actors They delve into topics such as the role of the army and foreign military aid Middle Eastern constitutions and the role of the Muslim Brotherhood The book also includes an essay by the founder and president of Tunisia's Ennahda Party Rachid Ghannouchi who discusses the political strategies his party chose to pursue

The Closed Circle Lorenzo Vidino, 2020-03-31 The Muslim Brotherhood in the West remains a mysterious entity In *The Closed Circle* Lorenzo Vidino offers an unprecedented inside view into how one of the world's most influential Islamist groups operates He marshals unique interviews with prominent former members and associates from Europe the United Kingdom and North America shedding light on why and how people join and leave Western outfits of the Muslim Brotherhood Drawing on these striking personal accounts Vidino weaves together the experiences of individuals who participated in and later renounced Brotherhood groups Their perspectives provide a wealth of new information about the Brotherhood's secretive inner workings and the networks that connecting the small yet highly organized cluster of Brotherhood influenced groups *The Closed Circle* examines the tactics the Brotherhood uses to recruit and retain participants as well as how and why individuals make the difficult decision to leave Through the stories of diverse former members Vidino paints a portrait of a highly structured tight knit movement His unprecedented access and understanding of the group's activities and motivations has significant policy implications concerning Western Brotherhood organizations and also illuminates the underlying mechanisms found in a range of extremist groups

Civil Resistance in the Arab Spring Adam Roberts, Michael J. Willis, Rory McCarthy, Timothy Garton Ash, 2016-01-07 Civil resistance especially in the form of massive peaceful demonstrations was at the heart of the Arab Spring the chain of events in the Middle East and North Africa that erupted in December 2010 It won some notable victories popular movements helped to bring about the fall of authoritarian governments in Tunisia Egypt Libya and Yemen Yet these apparent triumphs of non

violent action were followed by disasters wars in Syria anarchy in Libya and Yemen reversion to authoritarian rule in Egypt and counter revolution backed by external intervention in Bahrain Looming over these events was the enduring divide between the Sunni and Shi a branches of Islam Why did so much go wrong Was the problem the methods leadership and aims of the popular movements or the conditions of their societies In this book experts on these countries and on the techniques of civil resistance set the events in their historical social and political contexts They describe how governments and outside powers including the US and EU responded how Arab monarchies in Jordan and Morocco undertook to introduce reforms to avert revolution and why the Arab Spring failed to spark a Palestinian one They indicate how and why Tunisia remained precariously the country that experienced the most political change for the lowest cost in bloodshed This book provides a vivid illustrated account and rigorous scholarly analysis of the course and fate the strengths and the weaknesses of the Arab Spring The authors draw clear and challenging conclusions from these tumultuous events Above all they show how civil resistance aiming at regime change is not enough building the institutions and the trust necessary for reforms to be implemented and democracy to develop is a more difficult but equally crucial task

Sufis, Salafis and Islamists Sadek Hamid, 2016-03-23 British Muslim activism has evolved constantly in recent decades What have been its main groups and how do their leaders compete to attract followers Which social and religious ideas from abroad are most influential In this groundbreaking study Sadek Hamid traces the evolution of Sufi Salafi and Islamist activist groups in Britain including The Young Muslims UK Hizb ut Tahrir the Salafi JIMAS organisation and Traditional Islam Network With reference to second generation British Muslims especially he explains how these groups gain and lose support embrace and reject foreign ideologies and succeed and fail to provide youth with compelling models of British Muslim identity Analysing historical and firsthand community research Hamid gives a compelling account of the complexity that underlies reductionist media narratives of Islamic activism in Britain

Rāshid al-Ghannūshī Mohammad Dawood Sofi, 2018-04-24 This book discusses various dynamic facets of the life of R shid al Ghann shi a distinguished Islamic thinker and activist not only in Tunisia and North Africa but in the entire Muslim world It especially focuses on those aspects related to his intellectual understanding and response to a number of critical contemporary issues In the 21st Century R shid al Ghann shi is considered as the most moderate among the Muslim thinkers and intellectuals particularly when it comes to the question of Islam democracy compatibility and power sharing theory This book also offers an account of a previously little known yet much talked about Muslim voice in the post Arab Spring era It further shows how the intellectual Muslim thinkers own perspectives and expectations from Islamic movement s and their interaction with the western oriented local leadership as well as their secular policies color their understanding of Islam and various other major issues

Conflict in the Modern Middle East Jonathan K. Zartman, 2020-03-19 This book provides detailed coverage of all the key conflict related developments since the Arab Spring a seminal event that began in December 2010 and continues to have major influence on events in the Middle

East North Africa and beyond This important reference offers readers a thorough understanding of the nature of the various conflicts that have erupted in the Middle East and North Africa following the Arab Spring Clear and concise explanations of important concepts related to Islam ideology and ethnicity and the economic social and cultural forces propelling conflict and revolution in the region will enable readers to gain insight into key developments there Biographical and organizational profiles combined with succinct overviews of each country provide a strong research foundation for students The book offers detailed descriptions of the minority groups that have suffered violence from both the countries and the societies around them sometimes generating refugee flows that engage neighboring states in security issues It also discusses the role of women in the region during these turbulent times Primary source documents and a chronology highlight political struggles to reach durable agreements and develop institutions to meet basic human needs in the modern Middle East

Islamism and the West Uriya Shavit, 2013-11-26 Offering a unique analysis of Islamist ideology Islamism and the West attempts to explain how and why mainstream Islamist leaders have for the past century developed and canonized theories which depict the West as engaged in a sophisticated conspiracy to undermine Muslim identity by cultural means while morally collapsing and yearning for the spiritual salvation brought by Muslim migrants This book demonstrates how seemingly triumphalist Islamist writings served in fact to legitimize pragmatic concessions undertaken by Islamists from cooperating with regimes allied with the West to encouraging Muslim migration to Christian lands Following the Arab Spring and with Islamism becoming a dominant force in Middle Eastern politics Islamism and the West is an essential reading for the understanding of a region in transition Providing new insights on familiar concepts including cultural imperialism liberal democracy and civilisational decline this book will be of use to students of Middle Eastern and Islamic Studies Political Science Migration Studies and Cultural Studies

Islam and Politics in the Middle East Mark Tessler, 2015-06-22 Some of the most pressing questions in the Middle East and North Africa today revolve around the proper place of Islamic institutions and authorities in governance and political affairs Drawing on data from 42 surveys carried out in fifteen countries between 1988 and 2011 representing the opinions of more than 60 000 men and women this study investigates the reasons that some individuals support a central role for Islam in government while others favor a separation of religion and politics Utilizing his newly constructed Carnegie Middle East Governance and Islam Dataset which has been placed in the public domain for use by other researchers Mark Tessler formulates and tests hypotheses about the views held by ordinary citizens offering insights into the individual and country level factors that shape attitudes toward political Islam

Political and Constitutional Transitions in North Africa Justin Frosini, Francesco Biagi, 2014-12-05 The transformations which are taking place in the Arab world are dynamic processes characterised by a number of variables that one can refer to as actors and factors The implications of the Arab uprisings are important for the world at large the Arab world s successes and failures at this crucial moment may well serve as a model for other nations Political and Constitutional Transitions in North Africa focuses on five Northern African countries Tunisia Egypt Morocco Libya and Algeria examining specific institutions and actors participating in the political upheavals in North Africa since 2011 and placing them in a comparative perspective in order to better understand the processes at work This book addresses issues pertinent to North African and Middle Eastern Studies comparative constitutional law political science and transitional studies and it contains contributions by experts in all these fields Providing a significant contribution to the understanding of events that followed the immolation of Mohamed Bouazizi in Tunisia this book is a valuable contribution to North African Studies Middle Eastern Studies Comparative Constitutional Law and Transitional Studies

After the Arab Spring John R. Bradley, 2025-06-25 From the author of the book that uniquely predicted the Egyptian revolution a new message about the Middle East everything we re told about the Arab Spring is wrong When popular revolutions erupted in Tunisia and Egypt the West assumed that democracy and pluralism would triumph Greatly praised author and foreign correspondent John R Bradley draws on his extensive firsthand knowledge of the region s cultures and societies to show how Islamists will fill the power vacuum in the wake of the revolutions This vivid and timely book gives an original analysis of the new Tunisia Egypt Syria Yemen Libya and Bahrain by highlighting the dramatic spread of Saudi funded Wahhabi ideology inter tribal rivalries and Sunni Shia divisions Bradley gives a boots on the ground look at how the revolutions were first ignited and the major players behind them and shows how the local population participated in and responded to the uprisings In Tunisia he witnesses secularists under violent attack and in Egypt observes radical Islamists taking control of the streets He illuminates the ancient sectarian strife shaking Bahrain fierce civil war pitching tribe against tribe in Libya and Yemen

and ethnic divisions threatening to tear apart Syria and Iran Taking it one step further Bradley offers a comprehensive look at how across countries liberal progressive voices that first rallied the Arab masses were drowned out by the slogans of the better organized and more popular radical Islamists With the in depth knowledge of a local and the keen perspective of a seasoned reporter After the Arab Spring offers a piercing analysis of what the empowerment of Islamism bodes for the future of the Middle East and the impact on the West

Democratization in the Muslim World Frederic Volpi, Francesco Cavatorta, 2013-09-13 This book examines the role that political Islam plays in processes of democratization in the Muslim world detailing the political processes that facilitate the collective learning of democratic ways of solving the practical problems of those polities Democratization in the Muslim World represents an important contribution to the debate on democratization and political Islam that emphasises the synergetic effects and global reach of both Islamist and democratic politics It comes to terms with the problematic relationship between Islam and democracy in the uncertain post Cold War post 9 11 world order by highlighting the malleability of Islamic discourses and of its institutional resources as well as the diversity of the political strategies of incumbent regimes to remain in power It combines key theoretical issues and country specific studies of some of the most relevant Muslim polities of the post Cold War and post 9 11 era This text was previously published as a special issue of Democratization and will be of interest to students of Middle East politics governance democracy and human rights
