Rachmaninoff His Life And Times

Watson Lyle

Rachmaninoff His Life And Times:

Rachmaninoff Robert Matthew-Walker, 1983 *Rachmaninoff* Robert Walker, 1979-08-01 **The Lives and Times of the Great Composers** Michael Steen, 2011-07-01 A glorious plum pudding of a book to be consulted with pleasure and profit over and over again Sir Jeremy Isaacs Michael Steen's Great Composers was originally published in 2003 A lifetime's work and almost 1000 pages long it has since become the reference point and key read on the biographical backgrounds to classical music's biggest names Authoritative and hugely detailed but nonetheless a joy to read this new edition will expand its readership further and capitalise on a newfound popular interest in classical music Steen's book helps you explore the story of Bach the respectable burgher much of whose vast output was composed amidst petty turf disputes in Lutheran Leipzig or the ugly argumentative Beethoven in French occupied Vienna obsessed by his laundry or Mozart the over-exploited infant prodigy whose untimely death was shrouded in rumour Read about Verdi who composed against the background of the Italian Risorgimento or about the family life of the Wagners and Brahms who rose from the slums of Hamburg to become a devotee of beer and coffee in fin de siècle Vienna a cultural capital bent on destroying Mahler and much much more **Rachmaninoff** Michael Scott, 2011-10-21 The musical child of Russia's golden age Sergei Rachmaninoff was the last of the great Romantics Scorned by the musical establishment until very recently his music received hostile reviews from critics and other composers Conversely it never failed to find widespread popular acclaim and today he is one of the most popular composers of all time Biographer Michael Scott investigates Rachmaninoff's intense and often melodramatic life following him from imperial Russia to his years of exile as a wandering virtuoso and his death in Beverly Hills during the Second World War worn out by his punishing schedule In this remarkable biography which relates the man to his music Michael Scott tells the colourful story of a life that spanned two centuries and two continents His original research from the Russian archives so long closed to writers from the West brings us closer to the spirit of a man who genuinely believed that music could be both good and popular a belief that is now triumphantly vindicated **The Gift of Music** Jane Stuart Smith, Betty Carlson, 1995 Fascinating descriptions of forty leading composers whose faith or lack of it had an influence on Western civilization Indexed Great for all students of music *Rachmaninoff* Victor Seroff, 1950

Rachmaninoff and His World Philip Ross Bullock, 2022-08-12 A biography of composer Sergei Rachmaninoff published in collaboration with the Bard Music Festival One of the most popular classical composers of all time Sergei Rachmaninoff 1873-1943 has often been dismissed by critics as a conservative nostalgic holdover of the nineteenth century and a composer fundamentally hostile to musical modernism The original essays collected here show how he was more responsive to aspects of contemporary musical life than is often thought and how his deeply felt sense of Russianness coexisted with an appreciation of American and European culture In particular the essays document his involvement with intellectual and artistic circles in prerevolutionary Moscow and how the form of modernity they promoted shaped his early output This

volume represents one of the first serious explorations of Rachmaninoff's successful career as a composer pianist and conductor first in late Imperial Russia and then after emigration in both the United States and interwar Europe. Shedding light on some unfamiliar works especially his three operas and his many songs the book also includes a substantial number of new documents illustrating Rachmaninoff's celebrity status in America.

The Mystery of Leopold Stokowski William Ander Smith, 1990 Although supporters and critics of conductor Leopold Stokowski have disagreed over his contribution to symphonic music a consensus developed that he was a man of paradox and mystery an extrovert showman reclusively shy about who he was and what he was trying to do in music This volume attempts to solve the mysteries Includes an annotated discography

[Rachmaninoff's Complete Songs](#) Richard D. Sylvester, 2014-04-22 Sergei Rachmaninoff the last great Russian romantic and arguably the finest pianist of the late 19th and early 20th centuries wrote 83 songs which are performed and beloved throughout the world Like German Lieder and French m lodies the songs were composed for one singer accompanied by a piano In this complete collection Richard D Sylvester provides English translations of the songs along with accurate transliterations of the original texts and detailed commentary Since Rachmaninoff viewed these romances primarily as performances and painstakingly annotated the scores this volume will be especially valuable for students scholars and practitioners of voice and piano

What Killed the Great and Not So Great Composers? Joseph W. Lewis, Jr., M.D., 2010-04-23 From a personally assembled database of 13 859 classical musicians What Killed the Great and not so Great Composers delves into the medical histories of a wide variety of composers from both a musical and medical standpoint Biographies of musicians from Johann Sebastian Bach of the Baroque period to Benjamin Britten of the Modern era explore in depth their illnesses and the impact their diseases had on musical productivity Other chapters referenced to specific composers are devoted to such diverse ailments as deafness mental disorders sexually transmitted diseases surgery and war injuries to name a few A unique section of statistics and demographics analyzes various aspects of composers lives such as their longevity related to contemporaneous nonmusical populations the incidence of various illnesses they experienced over the centuries and the type of medical problems suffered by the so called top 100 classical musicians Although a precise and complete accounting of the great composers ailments may never be possible a general understanding of the medical problems experienced by these unique individuals nevertheless can heighten one's appreciation of their creative processes despite the hardships imposed by their physical and mental illnesses Although some individuals surrendered to their disabilities for a variety of reasons others were able to rise above their infirmities and produce the wonderful music mankind has enjoyed through the centuries

Sergei Rachmaninoff Robert E. Cunningham Jr., 2000-10-30 Sergei Rachmaninoff was a renowned composer pianist and conductor Because he was a member of the Russian aristocracy he fled the country after the tsar's abdication and eventually relocated in the United States Many of his compositions are for piano yet he also composed orchestral and symphony works three operas choral and liturgical works

some chamber works and numerous songs This guide catalogues his numerous works and performances provides a detailed bibliography and includes a discography of recordings released within the last half century Cross referenced throughout this volume should appeal to music and Rachmaninoff scholars who are looking for a comprehensive guide to further research

Music of the Great Composers Patrick Kavanaugh,1996 A unique guide to enhance and enrich your enjoyment of classical music this book is for music lovers who want to better understand the works of the masters **Musical Heritage Review** ,1983-03 *The New Grove Piano* Edwin M. Ripin,Phillip R. Belt,1988 The New Grove Musical Instruments Series a companion to the much acclaimed New Grove Composer Biography Series presents in book form many of the lengthy and informative articles published in The New Grove Dictionary of Musical Instruments **The Strad** ,1900 Rachmaninoff Watson Lyle,1976 God Seen Through the Eyes of the Greatest Minds Michael Caputo,2000-10 In this fascinating and captivating book you can read and experience how the greatest minds in history saw God Playbill ,2003

Rachmaninoff's Recollections Oskar von Riesemann,2015-07-24 This book first published in 1934 contains the recollections of the varied and coloured life of a great pianist and composer who is one of the most striking figures of the musical world Rachmaninoff dictated his memoirs to the author of this book and much of the story is therefore told in the first person The final chapter is Riesemann's own contribution It is an estimate of Rachmaninoff's qualities as composer it shows knowledge of all his more important works and it shows discrimination The whole book is an authoritative and interesting study of a popular artist **Dictionary of World Biography: The 20th century, O-Z** Frank Northern Magill,Christina J. Moose,Alison Aves,1999-11 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography

Ignite the flame of optimism with Get Inspired by is motivational masterpiece, **Rachmaninoff His Life And Times** . In a downloadable PDF format (Download in PDF: *), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
