

# THE RACIAL DIMENSION OF AMERICAN OVERSEAS COLONIAL POLICY

---

*Hazel M. McPerson*

# Racial Dimension Of American Overseas Colonial Policy

**Julian Go, Anne L. Foster**

## **Racial Dimension Of American Overseas Colonial Policy:**

*The Racial Dimension of American Overseas Colonial Policy* Hazel McFerson, 1997-09-23 Beginning in 1898 the United States won overseas colonies as the spoils of the Spanish American War Puerto Rico the Philippines and Cuba Guam and Hawaii were also acquired in that year and in 1917 the Danish Antilles became the United States Virgin Islands The racial heritage of the territorial inhabitants paralleled that of nonwhite groups in the United States Native Americans Africans Asians Hispanics and mixed race people The nonwhite race of domestic and overseas colonial people established important links between American domestic racial policies and the racial policies and the racial dimension of American overseas colonies This book is about these links as shaped by the prevailing racial tradition and social structure in the United States itself Crucial to examining these links is the little known role of Booker T Washington in shaping American overseas colonial policy It is argued that following colonial acquisition at the turn of the century the American racial tradition was exported to overseas territories thereby largely determining colonial policy and administrative practices the nature of social and racial conflict and the direction and pace of political evolution in the territories

**The American Colonial State in the Philippines** Julian Go, Anne L. Foster, 2003-07-08 Interdisciplinary collection placing the U S imperial project in the Philippines within a global comparative framework

**Deadly Force, Colonialism, and the Rule of Law** Joan Mars, 2002-08-30 In post colonial countries such as Guyana the legacy of colonialism and its influence on policing and society is of crucial significance in developing an explanation for police violence and police caused homicide Mars applies a contextual approach grounded in the conflict theoretical perspective to explain and understand variations in police violence over time and she extends her study to include the social political and legal structure in which such actions are embedded Her findings support the notion that police violence is a function of decades of coercive state rule under British colonialism as well as the state's legitimization of violence in police work In this first study on police violence and homicide in Guyana Mars presents and analyzes data covering a 14 year period She also provides comparative and descriptive information on the use of excessive and deadly force by the police and in addition discusses laws relating to such incidents Mars finds little support for the community violence hypothesis in reference to Guyana and concludes instead that the level of violence in the community and the everyday dangers of police work does not significantly influence the rates of police caused homicide in that country

**Revolutionary Masculinity and Racial Inequality** Bonnie A. Lucero, 2021-12-01 One of the most paradoxical aspects of Cuban history is the coexistence of national myths of racial harmony with lived experiences of racial inequality Here a historian addresses this issue by examining the ways soldiers and politicians coded their discussions of race in ideas of masculinity during Cuba's transition from colony to republic Cuban insurgents the author shows rarely mentioned race outright Instead they often expressed their attitudes toward racial hierarchy through distinctly gendered language revolutionary masculinity By examining the relationship between historical experiences of race and discourses of masculinity

Lucero advances understandings about how racial exclusion functioned in a supposedly raceless society Revolutionary masculinity she shows outwardly reinforced the centrality of color blindness to Cuban ideals of manhood at the same time as it perpetuated exclusion of Cubans of African descent from positions of authority *The History of Discrimination in U.S. Education* E. Tamura, 2008-03-03 How have power and agency been revealed in educational issues involving minorities More specifically how have politicians policymakers practitioners and others in the mainstream used and misused their power in relation to those in the margins How have those in the margins asserted their agency and negotiated their way within the larger society What have been the relationships not only between those more powerful and those less powerful but also among those on the fringes of society How have people sought to bridge the gap separating those in the margins and those in the mainstream The essays in this book respond to these questions by delving into the educational past to reveal minority issues involving ethnicity gender class disability and sexual identity **White Enough to Be American?** Lauren L. Basson, 2012-09-01 Racial mixture posed a distinct threat to European American perceptions of the nation and state in the late nineteenth century says Lauren Basson as it exposed and disrupted the racial categories that organized political and social life in the United States Offering a provocative conceptual approach to the study of citizenship nationhood and race Basson explores how racial mixture challenged and sometimes changed the boundaries that defined what it meant to be American Drawing on government documents press coverage and firsthand accounts Basson presents four fascinating case studies concerning indigenous people of mixed descent She reveals how the ambiguous status of racially mixed people underscored the problematic nature of policies and practices based on clearly defined racial boundaries Contributing to timely discussions about race ethnicity citizenship and nationhood Basson demonstrates how the challenges to the American political and legal systems posed by racial mixture helped lead to a new definition of what it meant to be American one that relied on institutions of private property and white supremacy **A Cuban City, Segregated** Bonnie A. Lucero, 2019-04-09 A microhistory of racial segregation in Cienfuegos a central Cuban port city Founded as a white colony in 1819 Cienfuegos Cuba quickly became home to people of African descent both free and enslaved and later a small community of Chinese and other immigrants Despite the racial ethnic and cultural diversity that defined the city's population the urban landscape was characterized by distinctive racial boundaries separating the white city center from the heterogeneous peripheries *A Cuban City Segregated Race and Urbanization in the Nineteenth Century* explores how the de facto racial segregation was constructed and perpetuated in a society devoid of explicitly racial laws Drawing on the insights of intersectional feminism Bonnie A. Lucero shows that the key to understanding racial segregation in Cuba is recognizing the often unspoken ways specifically classed notions and practices of gender shaped the historical production of race and racial inequality In the context of nineteenth century Cienfuegos gender race and class converged in the concept of urban order a complex and historically contingent nexus of ideas about the appropriate and desired social hierarchy among urban residents often

embodied spatially in particular relationships to the urban landscape As Cienfuegos evolved subtly over time the internal logic of urban order was driven by the construction and defense of a legible developed aesthetically pleasing and most importantly white city center Local authorities produced policies that reduced access to the city center along class and gendered lines for example by imposing expensive building codes on centric lands criminalizing poor peoples leisure activities regulating prostitution and quashing organized labor Although none of these policies mentioned race outright this new scholarship demonstrates that the policies were instrumental in producing and perpetuating the geographic marginality and discursive erasure of people of color from the historic center of Cienfuegos during its first century of existence

**American Tropics** Allan Punzalan Isaac,2006      *Race and US Foreign Policy* Mark Ledwidge,2012-02-06 African Americans analysis of and interest in foreign affairs represents a rich and dynamic legacy and this work provides a cutting edge insight into this neglected aspect of US foreign affairs In addition to extending the parameters of US foreign policy literature to include race and ethnicity the book documents case specific analyses of the evolutionary development of the African American foreign affairs network AAFAN Whilst the examination of race in regard to the construction of US foreign policy is significant this book also provides a cross disciplinary approach which utilises historical and political science methods to paint a more realistic appraisal of US foreign policy Including analysis of original archival evidence this theoretically informed work seeks to transcend the standard mono disciplinary approach which overestimates the separation between domestic and foreign affairs The unique approach of this work will add an important dimension to a newly emerging field and will be of interest to scholars in ethnic and racial studies American politics US foreign policy and US history      *The Yanks Are Coming Over There* Dino E. Buenviaje,2017-12-21 World War I was a global cataclysm that toppled centuries old dynasties and launched the American century Yet at the outset few Americans saw any reason to get involved in yet another conflict among the crowned heads of Europe Despite its declared neutrality the U S government gradually became more sympathetic with the Allies until President Woodrow Wilson asked Congress to declare war on Germany to make the world safe for democracy Key to this shift in policy and public opinion was the belief that the English speaking peoples were inherently superior and fit for world leadership Just before the war British and American elites set aside former disputes and recognized their potential for dominating the international stage By casting Germans as barbarians and spreading stories of atrocities the Wilson administration persuaded the public including millions of German Americans that siding with the Allies was a just cause      *Race and Empire* Jane Samson,2015-10-23 Readers at the beginning of the twenty first century are probably more racially self aware than any other generation has been Like the relationship between gender and history that between race and history is perceived to be of the utmost importance by young people and the older generation because it has left such a controversial legacy in the shape of hopes for multiculturalism diversity and tolerance This new Seminar Study provides an introduction to the intricate and far reaching relationship between attitudes toward racial difference and

imperial expansion Imperialism is a topic that can be approached from many different angles By concentrating on the topical issue of race this book takes a very different approach from the more familiar political or economic studies of imperial expansion

*Mixed Blessing* Hazel McFerson, 2001-12-30 Invidious distinctions on the basis of race and overt racism were central features in American colonial policy in the Philippines from 1898 to 1947 as America transported its domestic racial policy to the island colony This collection by young Filipino scholars analyzes American colonialism and its impact on administration and attitudes in the Philippines through the prism of American racial tradition a structural concept which refers to beliefs attitudes images classifications laws and social customs that shape race relations and racial formation in multiracial and colonial societies The dominance of this tradition was manifested in the wanton prerogatives of the U S Congress and others who helped to carry out colonial policy in the region The Spanish flexible racial tradition had resulted in a system based on ethnicity and class as determinants of social and economic structure while the rigid U S racial tradition assigned race the more dominant role The cultural affinity between the early individual American administrators and the Filipino elite however meant that class based distinctions in the islands were not broken up Thus the extreme elitist character of the Philippines economy and society persisted and became impervious to the influences which in other Asian countries led to a progressive weakening of elite structures as the 20th century advanced

**The History of American Foreign Policy from 1895** Jerald A. Combs, Jessica Elkind, 2024-04-01 Now in its fifth edition this volume offers a clear concise and nuanced history of U S foreign relations since the Spanish American War and places that narrative within the context of the most influential historiographical trends and debates The History of American Foreign Policy from 1895 includes both revised and new sections that incorporate insights from recent scholarship on the United States in the world These sections devote more attention to the international framework as well as the domestic constraints under which American foreign policymakers operated This edition also emphasizes the role of non state actors such as missionaries aid workers activists and business leaders in shaping policies and contributing to international relations As a result the text considers a broader and more diverse range of people and voices than many other histories of U S foreign policy Expanded final chapters bring the story of U S foreign relations to the present and explore some of the contemporary challenges facing American and global leaders including terrorism the effects of climate change China s increasing influence and globalization Updated controversial issues sections and suggestions for further reading at the end of each chapter reflect important contributions from new studies This engaging text is an invaluable resource for students interested in the history of American foreign policy and international relations

*Henry Watterson and the New South* Daniel Margolies, 2006-11-24 Henry Watterson 1840-1921 editor of the Louisville Courier Journal from the 1860s through WWI was one of the most important and widely read newspaper editors in American history An influential New South supporter of sectional reconciliation and economic development Watterson was also the nation s premier advocate of free trade and globalization Watterson s vision of

a prosperous and independent South within an expanding American empire was unique among prominent Southerners and Democrats He helped articulate the bipartisan embrace of globalization that accompanied America's rise to unmatched prosperity and world power Daniel S Margolies restores Watterson to his place at the heart of late nineteenth century southern and American history by combining biographical narrative with an evaluation of Watterson's unique involvement in the politics of free trade and globalization

*The Betrothed of Death* José E. Álvarez, 2001-01-30 Following her defeat in the Spanish American War of 1898 Spain shifted her colonial focus to her Protectorate in northern Morocco When Spanish conscripts began to fight and to die by the thousands political fallout forced the government to create a new unit of professional soldiers This unit would serve the dual function of providing fighting men for Moroccan service while sparing the lives of conscripted men Under its founder Jos Mill n Astray and his deputy Francisco Franco the Spanish Foreign Legion would quickly become the spearhead for Spain's army in Africa This is the story of the creation organization and combat role of the Legion in its formative years from 1919 to 1927 Based upon archival sources in Madrid Segovia and Ceuta this is the first and most complete history in English or Spanish of the early years of the Spanish Foreign Legion The unit was instrumental in crushing Abd el Krim's rebellion against Spanish colonial authority When the Riffians annihilated the army of General Silvestre at Annual in 1921 and were poised to attack the Spanish enclave of Melilla it was the arrival of the Legion that pacified its panic stricken citizens The force would be in the vanguard of all major offensives undertaken in recapturing the territory lost in 1921 and its amphibious landing at Alhucemas Bay in 1925 marked the beginning of the end for the Rif Rebellion

**Race and Sport** Charles Kenyatta Ross, 2004 An examination of the connection between race and sport in America

**Policing Islam** Harold Tollefson, 1999-11-30 The role of the police force was central in the politics and social life of Egypt during the British occupation between 1882 and 1914 Egyptians initially resisted British encroachment into the sphere of autonomy that had been reserved to them in police matters However preferring indirect rule to overt manifestations of power that would be signified by the use of the army the British used the issue of reform to tighten their hold on Egypt by means of the police This study applies modern criminological theory to examine the attendant political repression torture corruption and rising crime that soon followed Instead of the more professional and community oriented police force exemplified by the bobbies in England the British opted for a militarized Egyptian police force better suited to the repression of political dissent than of ordinary crime Tollefson seeks to account for rising crime in Egypt which Lord Cromer the British Consul General between 1883 and 1907 referred to as Egypt's worst problem during his tenure Under British control defects in the police such as low pay harsh discipline and maltreatment of suspects persisted and ordinary crime increased This work confirms what students of colonial policing have come to appreciate the police performed key security and social maintenance roles in colonial and quasi colonial situations

*The Kingdom of Swaziland* D. Hugh Gillis, 1999-03-30 A scholarly and engaging study this history of Swaziland by an author who spent many years in the kingdom

presents a vivid account of the interplay of politics and personalities along the passage to post colonial independence From the early stages of Swazi occupation of the present day kingdom to the accession of Sobhuza II as king in 1921 this book traces problems in consolidating leadership under the Dlamini chieftaincy and examines the influence of Boer and British settlers and of mining and commercial interests on Swazi culture and governance It recounts the story of a thriving small nation that sought to maintain traditional customs and institutions in the face of a powerful European presence Each of the sixteen chapters concentrates on an aspect of political history that has influenced the character of the present day kingdom and much of the material especially after 1900 has not been utilized in previous studies The introduction looks at Swazi experience in a contemporary context evaluating historic forces that have made for stability in a rapidly changing world Other sections detail the Swazi reaction to European controlled neighboring states the Transvaal Natal and Mozambique the tensions introduced by successive Boer and British policies the Swazi detachment during two external wars 1899 1902 and 1914 1918 and widespread concerns about colonialism and self governance following World War I

**Race and Sport** Charles K. Ross, 2009-09-18 Even before the desegregation of the military and public education and before blacks had full legal access to voting racial barriers had begun to fall in American sports This collection of essays shows that for many African Americans it was the world of athletics that first opened an avenue to equality and democratic involvement Race and Sport showcases African Americans as key figures making football baseball basketball and boxing internationally popular though inequalities still exist today Among the early notables discussed is Fritz Pollard an African American who played professional football before the National Football League established a controversial color barrier Another the boxer Sugar Ray Robinson exemplifies the black American athlete as an international celebrity African American women also played an important role in bringing down the barriers especially in the early development of women's basketball In baseball both African American and Hispanic players faced down obstacles and entered the sports mainstream after World War II One essay discusses the international spread of American imperialism through sport Another shows how mass media images of African American athletes continue to shape public perceptions Although each of these six essays explores a different facet of sports in America together they comprise an analytical examination of African American society's tumultuous struggle for full participation both on and off the athletic field

**The Canal Builders** Julie Greene, 2009 A history of the Panama Canal told from the perspectives of its construction workers discusses Theodore Roosevelt's unpopular vision for Panama the extensive resources that went into its building and its role as a symbol of American power

## **Racial Dimension Of American Overseas Colonial Policy** Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the energy of words has are more evident than ever. They have the capacity to inspire, provoke, and ignite change. ### **Racial Dimension Of American Overseas Colonial Policy Introduction**

Racial Dimension Of American Overseas Colonial Policy Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Racial Dimension Of American Overseas Colonial Policy Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Racial Dimension Of American Overseas Colonial Policy : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Racial Dimension Of American Overseas Colonial Policy : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Racial Dimension Of American Overseas Colonial Policy Offers a diverse range of free eBooks across various genres. Racial Dimension Of American Overseas Colonial Policy Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Racial Dimension Of American Overseas Colonial Policy Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Racial Dimension Of American Overseas Colonial Policy, especially related to Racial Dimension Of American Overseas Colonial Policy, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Racial Dimension Of American Overseas Colonial Policy, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Racial Dimension Of American Overseas Colonial Policy books or magazines might include. Look for these in online stores or libraries. Remember that while Racial Dimension Of American Overseas Colonial Policy, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Racial Dimension Of American Overseas Colonial Policy eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or

publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Racial Dimension Of American Overseas Colonial Policy full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Racial Dimension Of American Overseas Colonial Policy eBooks, including some popular titles.

### FAQs About Racial Dimension Of American Overseas Colonial Policy Books

**What is a Racial Dimension Of American Overseas Colonial Policy PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Racial Dimension Of American Overseas Colonial Policy PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Racial Dimension Of American Overseas Colonial Policy PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Racial Dimension Of American Overseas Colonial Policy PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Racial Dimension Of American Overseas Colonial Policy PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by

their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
