Racial Politics In American Cities

**Richard A. Keiser, Katherine
Underwood**

Racial Politics In American Cities:

Racial Politics in American Cities Rufus P. Browning, Dale Rogers Marshall, David H. Tabb, 1997 It compares the politics of urban minorities within a common conceptual framework drawing together a substantial body of research on ethnic coalition and mobilization strategies and their consequences in a diversity of settings **Morality Politics in American Cities** Elaine B. Sharp, Yvette M. Alex-Assensoh, 2005 Topless bars casino gambling needle exchange programs for drug addicts there s no question morality issues remain front and center in urban politics Presenting a systematic analysis of culture war issues at the local level Elaine Sharp shows how American cities deal with these ongoing concerns Drawing on a sample of ten strategically chosen cities she explains differences in how municipalities respond to controversies surrounding sex business abortion clinics legalized gambling gay rights and drug use By analyzing the relative importance of subculture economics and institutional arrangements in the disputes she points the way toward richer and more complete understanding of how different cities respond differently to these hot button issues Far more than a statistical study **Morality Politics in American Cities** is a collection of fascinating stories of real people grappling with down to earth issues and real life drama richly informative case studies that will captivate students and interested citizens alike Mayors public health directors activists and others speak their minds about the pros and cons of these controversies Here are officials in one city confronting the Vatican over funding for abortion services those in another battling a local university over its refusal to provide health benefits to gay partners of faculty members and still others mounting a massive community sponsored attack on topless clubs These stories provide detailed evidence to support classifications needed for comparing cities experience with each of the five morality issues They also corroborate inferences drawn from the comparisons by showing what considerations were in play as local officials grappled with these issues Overall the study shows that cultural factors usually dominate policymaking in local politics except when specific economic interests are at stake and also observes that county level governments are more important than previously thought in terms of morality issue decisions As provocative as it is informative **Morality Politics in American Cities** demonstrates that such issues same sex marriage for example are multidimensional and often difficult to resolve Its conclusions however contingent mark an important step in the ongoing process of understanding important differences in approaches to these issues and clearly show how moral conflicts continue to define American politics

Race, Poverty, and American Cities John Charles Boger, Judith Welch Wegner, 1996-09-09 Precise connections between race poverty and the condition of America s cities are drawn in this collection of seventeen essays Policymakers and scholars from a variety of disciplines analyze the plight of the urban poor since the riots of the 1960s and the resulting 1968 Kerner Commission Report on the status of African Americans In essays addressing health care education welfare and housing policies the contributors reassess the findings of the report in light of developments over the last thirty years including the Los Angeles riots of 1992 Some argue that the long standing obstacles faced by the urban poor

cannot be removed without revitalizing inner city neighborhoods others emphasize strategies to break down racial and economic isolation and promote residential desegregation throughout metropolitan areas Guided by a historical perspective the contributors propose a new combination of economic and social policies to transform cities while at the same time improving opportunities and outcomes for inner city residents This approach highlights the close links between progress for racial minorities and the overall health of cities and the nation as a whole The volume which began as a special issue of the North Carolina Law Review has been significantly revised and expanded for publication as a book The contributors are John Charles Boger Alison Brett John O Calmore Peter Dreier Susan F Fainstein Walter C Farrell Jr Nancy Fishman George C Galster Chester Hartman James H Johnson Jr Ann Markusen Patricia Meaden James E Rosenbaum Peter W Salsich Jr Michael A Stegman David Stoesz Charles Sumner Stone Jr William L Taylor Sidney D Watson and Judith Welch Wegner

Interpreting Racial Politics in the United States Ronald Schmidt, Sr., 2020-12-30 Few subjects of social scientific inquiry need interpretive analysis more than the topic of racial politics yet most US political science employs a narrowly behavioralist orientation This book argues that it is time for political scientists studying race to more fully engage the issues that generate its political significance Drawing on the work of interpretive political scholars and methods Ron Schmidt Sr addresses core questions regarding racial politics in the US to demonstrate the value of using interpretive methods to better understand the meaning and significance of political actions structures and conflicts involving racial identities not instead of behavioral research but as a necessary addition *Interpreting Racial Politics in the United States* will greatly enhance the evolving conversations concerning race and inequality within the US It will be of great interest to students and scholars of politics and sociology but also to those interested in deepening their understanding of racial politics

American Urban Politics in a Global Age Paul Kantor, Dennis R. Judd, 2015-10-05 Bringing together a selection of readings that represent some of the most important trends and topics in urban scholarship today *American Urban Politics* provides historical context and contemporary commentaries on the economy politics culture and identity of American cities This seventh edition examines the ability of highly autonomous local governments to grapple with the serious challenges of recent years challenges such as the stresses of the lingering economic crisis and a series of recent natural disasters Features Each chapter is introduced by an editor's essay that places the readings into context and highlights their central ideas and findings Division into three historical periods emphasizes both the changes and continuities in American urban politics over time The reader is the perfect complement for Judd Swannstrom's *City Politics The Political Economy of Urban America* 7 e also available in a new edition ISBN 0 205 03246 X

Governing American Cities Michael Jones-Correa, 2001-11-29 The new immigrants who have poured into the United States over the past thirty years are rapidly changing the political landscape of American cities Like their predecessors at the turn of the century recent immigrants have settled overwhelmingly in a few large urban areas where they receive their first sustained experience with government in this country including its role in policing housing

health care education and the job market Governing American Cities brings together the best research from both established and rising scholars to examine the changing demographics of America's cities the experience of these new immigrants and their impact on urban politics Building on the experiences of such large ports of entry as Los Angeles New York Miami Houston Chicago and Washington D C Governing American Cities addresses important questions about the incorporation of the newest immigrants into American political life Are the new arrivals joining existing political coalitions or forming new ones Where competition exists among new and old ethnic and racial groups what are its characteristics and how can it be harnessed to meet the needs of each group How do the answers to these questions vary across cities and regions In one chapter Peter Kwong uses New York's Chinatown to demonstrate how divisions within immigrant communities can cripple efforts to mobilize immigrants politically Sociologist Guillermo Grenier uses the relationship between blacks and Latinos in Cuban American dominated Miami to examine the nature of competition in a city largely controlled by a single ethnic group And Matthew McKeever takes the 1997 mayoral race in Houston as an example of the importance of inter ethnic relations in forging a successful political consensus Other contributors compare the response of cities with different institutional set ups some cities have turned to the private sector to help incorporate the new arrivals while others rely on traditional political channels Governing American Cities crosses geographic and disciplinary borders to provide an illuminating review of the complex political negotiations taking place between new immigrants and previous residents as cities adjust to the newest ethnic succession A solution oriented book the authors use concrete case studies to help formulate suggestions and strategies and to highlight the importance of reframing urban issues away from the zero sum battles of the past

Cities in American Political History Richard Dilworth, 2011-09-13 Profiling the ten most populous cities in the United States during ten critical eras of political development Cities in American Political History presents a unique singular focus on American cities their government and politics industry commerce labor and race and ethnicity Cities in American Political History analyzes the role that large cities from New York to Chicago to San Jose have played in U S politics and policymaking Each entry is structured for straightforward comparison across issues and eras The city profiles include basic data and statistics for the era and are accompanied by maps of each era and the largest cities at that time

Race, Ethnicity, and the Politics of City Redistricting Joshua G. Behr, 2004-03-11 Nationwide study of the proposal and adoption of minority opportunity districts at the local level

Minority Politics at the Millennium Richard A. Keiser, Katherine Underwood, 2013-01-11 First published in 2000 This edited collection reviews the developments in theoretical understanding of minority political incorporation The chapters focus on minority groups throughout the US Three Decades of Changing Minority Group Opportunities Richard A Keiser Electoral Arrangements and Minority Political Incorporation Richard L Engstrom Life After Districts Amy B Bridges Katherine Underwood The Dynamo of Urban Growth Immigration Naturalization and the Restructuring of Urban Politics Louis DeSipio Can Cities be Elastic and Democratic too Arnold P Fleischmann Taken In or

Just Taken Political Incorporation of African Americans in Cities Rufus Browning Dale Rodgers Marshall David Tabb White Backlash Black Power and Shades of Gray Richard A Keiser Latino Descriptive and Policy Representation in the Midwest Do Traditional Models Apply Thomas Longoria Jr On Asian American political incorporative prospects James S Lai Gay and Lesbian Incorporation into Four Urban Regimes in Upstate New York Donald B Rosenthal A Long and Uncertain Path Looking Ahead to the 21st Century Katherine Underwood Racial Inequality in New York City since 1965 Benjamin P. Bowser, Chelli Devadutt, 2019-09-01 A comprehensive exploration of racial inequality in New York City since 1965 In the past the study of racial inequality in New York City has usually had a narrow focus examining particular social problems affecting ethnic racial groups In contrast this book provides a comprehensive overview of racial inequality in the city s economy housing and education sectors over the last half century A collection of original essays by some of New York s most well known and emerging urban experts Racial Inequality in New York City since 1965 explores what city government has done and failed to do to address racial inequality It examines the changes in circumstances of Asian Latino West Indian and African American New Yorkers outlining how theirs have either improved or deteriorated relative to their white counterparts The contributors also analyze how practices and policies in policing public housing public health and community services have maintained racial inequality and discuss how political participation can increase social capital among city residents in order to reduce racial inequality The book concludes by offering a compendium of practical recommendations and actions that can be implemented to address racial inequality in the city This book provides a broad and up to date survey of social and demographic trends in New York City Unlike many other works it crosses policy arenas and is not shy in advocating community action J Phillip Thompson New York City Deputy Mayor for Strategic Policy Initiatives *Women in Politics in the American City* Mirya Holman, 2015 How do female municipal leaders influence policymaking in American cities Can gender determine who gets a say in local politics or what programs cities fund These are some of the questions raised and answered in Mirya Holman s provocative *Women in Politics in the American City* This book provides the first comprehensive evaluation of the influence of gender on the behavior of mayors and city council members in the United States Holman considers the effects of gender in local urban politics and analyzes how a leader s gender does and does not influence policy preferences processes behavior and outcomes Holman effectively uses original survey data to evaluate policy attitudes combined with observations of city council meetings and interviews with leaders and community members In doing so she demonstrates the importance of considering the gender of leaders in local office *Women in Politics in the American City* emphasizes that the involvement of women in local politics does matter and that it has significant consequences for urban policy as well as state and local democracy **Big-city Politics, Governance, and Fiscal Constraints** George E. Peterson, 1994 Big city mayors and other political leaders face the triple challenge of assembling a winning political coalition translating this into an effective governing coalition and coping with a tightening local budget constraint The challenge is

still greater when elections have produced a change in ethnic control of local government bringing into power new groups that want to use government spending to serve their constituents demands but are resisted by those controlling the economic resources This volume explores the political transition now going on in big cities One group of chapters examines recent electoral politics in Chicago Philadelphia Los Angeles Miami and San Antonio where different types of ethnic and class lines have been drawn and where different strategies have been employed to adjust political machines to the new realities A second group of chapters considers the business of governing under the conflicting pressures of community organizations the press the business community and higher levels of government A final group of chapters examines the fiscal and budgetary constraints upon big city governments and the difficulty that these governments no matter how well motivated face in generating jobs and economic opportunity for their political constituents

Majoritarian Cities Neil Kraus,2013-10-22

Popular public policies often fail to address the needs of the disadvantaged in American cities

Politics of Democratic

Inclusion Christina Wolbrecht,Rodney E. Hero,2005-04-08 The issue of political participation has been central to American politics since the founding of the United States The Politics of Democratic Inclusion addresses the ways traditionally underrepresented groups have and have not achieved political incorporation representation and influence or democratic inclusion in American politics Each chapter provides a state of the discipline essay that addresses the politics of diversity from a range of perspectives and in a variety of institutional arenas Taken together the essays in The Politics of Democratic Inclusion evaluate and advance our understanding of the ways in which the structure processes rules and context of the American political order encourage mediate and hamper the representation and incorporation of traditionally disadvantaged groups

Urban Politics Bernard H. Ross,Myron A. Levine,2015 This popular text mixes the best classic theory and research on urban politics with the most recent developments in urban and metropolitan affairs Its very balanced and realistic approach helps students to understand the nature of urban politics and the difficulty of finding effective solutions in a suburban and global age The eighth edition provides a comprehensive review and analysis of urban policy under the Obama administration and brand new coverage of sustainable urban development A new chapter on globalization and its impact on cities brings the history of urban development up to date

Cities, Politics, and Policy John P. Pelissero,2002-10-01

Just because Milwaukee isn't Manhattan doesn't mean that those urban centers face completely unique challenges Through effective comparative analysis of key issues in urban studies how city managers share power with mayors how spending policies affect economic development and how school politics impact education policy students can clearly see how scholars discern patterns and formulate conclusions to offer theoretical and practical insights from which all cities can benefit Pelissero brings together an impressive team of contributors to explore variation among cities through case studies and cross sectional analyses Each author synthesizes the field's seminal literature while explaining how urban leaders and their constituents grapple with everything from city council politics to conflict and cooperation among minority groups Authors

identify both key trends and gaps in the scholarship and help set the research agenda for the years to come Lively case material will hook your students while the accessible presentation of empirical evidence make this reader the comprehensive and sophisticated text you demand

Race, Power, and Political Emergence in Memphis Sharon D. Wright, 2021-12-12

Race Power and Political Emergence in Memphis examines black political behavior and empowerment strategies in the city of Memphis Each chapter of the text focuses on three themes mobilization emergence and incorporation By analyzing the effects of race on black political development in Memphis scholars will be able to examine broader questions about its effects in other cities How do political machines use substantial black electorates to their advantage What forms of protest do black communities conduct to rebel against machine rule What primary mobilization tactics have black citizens used during the different periods of their political development Why do blacks mobilize more quickly in some cities In cities with large and predominantly black populations what elements prevent black candidates from winning citywide races What constraints do newly elected black mayors face What benefits do black citizens gain from their representation After a predominantly black governing coalition is elected what obstacles remain Can black citizens translate proportional representation into strong political incorporation How much power can African Americans realistically expect to gain in cities This book is the most comprehensive case study of the city's political scene written to date The text primarily shows that white racism is not the only obstacle to black political development Black citizens can have population majorities but lose elections for other reasons Their ability to win elections and gain full incorporation depends heavily on whether they minimize internal conflict and establish coalitions with middle class citizens and the business establishment

Understanding Urban Politics Timothy B. Krebs, Arnold Fleischmann, 2020-02-17

In Understanding Urban Politics Institutions Representation and Policies Timothy B Krebs and Arnold Fleischmann introduce a framework that focuses on the role of institutions in establishing the political rules of the game the representativeness of city government the influence of participation in local democracy and how each of these features influences the adoption and implementation of public policies Part 1 lays the groundwork for the rest of the book by exploring the many meanings of urban analyzing what local governments do and providing a history of American urban development Part 2 examines the organizations and procedures that are central to urban politics and policy making intergovernmental relations local legislatures and the local executive branch Part 3 looks at elections and voting local campaigns and non voting forms of participation The four chapters in Part 4 focus on the policy process and the delivery of local services local government finances Building the City economic development land use and housing and policies affecting the quality of life public safety the environment morality issues and urban amenities Krebs and Fleischmann bolster students learning and skills with guiding questions at the start of each chapter which ends with key terms a summary discussion questions and research exercises The appendix and website aid these efforts as does a website for instructors

Political Black Girl Magic Sharon D. Wright Austin, Pearl K. Dowe, 2023-06-02

Examines the experiences of Black female mayors in

the contexts of their campaigns and of their governance seeking to understand how race gender or the combination of both have affected them and to identify the most significant obstacles Black women have faced as mayors and mayoral candidates

21st Century Urban Race Politics Ravi K. Perry, 2013-04-16 With case studies from across the country in medium sized and large cities and mayors of various backgrounds this volume provides an account of how different minority mayors have handled minority representation in historically majority Caucasian cities and what lessons academics and politicians can learn from them

Racial Politics In American Cities Introduction

In the digital age, access to information has become easier than ever before. The ability to download Racial Politics In American Cities has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Racial Politics In American Cities has opened up a world of possibilities. Downloading Racial Politics In American Cities provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Racial Politics In American Cities has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Racial Politics In American Cities. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Racial Politics In American Cities. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Racial Politics In American Cities, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Racial Politics In American Cities has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available

and embark on a journey of continuous learning and intellectual growth.

FAQs About Racial Politics In American Cities Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Racial Politics In American Cities is one of the best book in our library for free trial. We provide copy of Racial Politics In American Cities in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Racial Politics In American Cities. Where to download Racial Politics In American Cities online for free? Are you looking for Racial Politics In American Cities PDF? This is definitely going to save you time and cash in something you should think about.
