In Defense of Elitism Joel Stein,2019-10-22 From Thurber finalist and former star Time columnist Joel Stein comes a brilliant exploration Walter Isaacson of America s political culture war and a hilarious call to arms for the elite I can think of no one more suited to defend elitism than Stein a funny man with hands as delicate as a baby full of soft boiled eggs Jimmy Kimmel host of Jimmy Kimmel Live The night Donald Trump won the presidency our author Joel Stein Thurber Prize finalist

and former staff writer for Time Magazine instantly knew why The main reason wasn't economic anxiety or racism It was that he was anti elitist Hillary Clinton represented Wall Street academics policy papers Davos international treaties and the people who think they're better than you People like Joel Stein Trump represented something far more appealing which was beating up people like Joel Stein In a full throated defense of academia the mainstream press medium rare steak and civility Joel Stein fights against populism He fears a new tribal elite is coming to replace him one that will fend off expertise of all kinds and send the country hurtling backward to a time of wars economic stagnation and the well done steaks doused with ketchup that Trump eats To find out how this shift happened and what can be done Stein spends a week in Roberts County Texas which had the highest percentage of Trump voters in the country He goes to the home of Trump loving Dilbert cartoonist Scott Adams meets people who create fake news and finds the new elitist organizations merging both right and left to fight the populists All the while using the biggest words he knows

South By Southwest Wales Darkwater Syndicate, Inc.,2018-06-15 Samson Valentine is the best private eye ever to wear a fedora or at least he was before he became a washed up booze hound There simply isn't demand for a whiskey swilling Welsh gumshoe who insists he's living in 1940's Chicago Everything changes when a massive diamond falls into his lap Before he's too sure of what's going on he's swept up in the biggest case of his life The mob will do anything to get its gemstone back and they prove it when Sam's friend turns up dead Now it's personal and Sam sets out on a one man mission to take down the Welsh crime syndicate Armed with little more than his wits and his fists the odds don't look good Too much time at the bottom of a whiskey bottle has given him trembling hands and an addled brain If he's to have any chance of bringing the mob to justice he'll first need to come to grips with his worst enemy himself
