The Rules in Practice 2025-2028 Bryan Willis,2024-10-22 Every four years the Racing Rules of Sailing are updated following the Olympics To help the sailor World Sailing labels important changes with marginal markings For the new rules coming into force on 1st January 2025 there are quite a lot of marginal markings A third of the Definitions are marked including Sail the Course Mark Room Obstruction and Continuing Obstruction Nearly a third of the rules in Part 2 When Boats Meet are marked including Avoiding Contact Mark Room Room to Pass an Obstruction All of the rules in Part 5 Protests Redress Hearings Misconduct and Appeals are marked That s quite a lot of changes You need a new set of rules and to understand the implications of the changes you need a guide to them Rules in Practice has been the best selling guide to the racing rules of sailing for the last 40 years Now in its 11th edition it has been updated for and contains in full the 2025 2028 Racing Rules of Sailing To begin Rules in Practice describes the latest rule changes and their implications for sailors The book then covers the fundamental rules that always apply to sailors along with a detailed look at the rules around luffing and keeping clear which were an eye opener to many sailors when they were first published in the last edition As always throughout the book the emphasis is on the practical impact on you as a sailor rather than a theoretical discussion of the rules themselves This is brought to life in the rest of the book which takes you around the racecourse from start to finish through the key situations that frequently occur showing from the point of view of each boat in turn what you may must or must not do Other rules guides take you through the rules in order which is just not how you come across them on the racecourse You don t have to know all the rules off by heart but you do need to know your rights and obligations on the water the rules can be looked up afterwards This knowledge will build your confidence while racing and enable you to make the most of opportunities when they arise Colour diagrams throughout ensure concepts are easily understood If you are going to buy one rule book make it this one

The Rules in Practice 2021-2024 Bryan Willis,2020-11-21 Rules in Practice has been the best selling guide to the racing rules for the last 40 years Now in its 10th edition it has been updated for and contains in full the 2021 2024 Racing Rules of Sailing and features a brand new chapter on the luffing rules and how they are being applied The latest rule changes are also described along with their impact on you as a sailor With over 20 new scenarios reflecting the courses we now sail it is as up to date and relevant as the first edition was in 1985 Unlike other rules guides which take you through the rules in order this book tackles the subject from the sailors point of view It takes you around the race course from start to finish through the key situations that occur repeatedly showing from the point of view of each boat in turn what you may must or cannot do You don t have to know all the rules off by heart but you do need to know your rights and obligations on the water the rules can be looked up afterwards This knowledge will build your confidence while racing and enable you to make the most of opportunities when they arise Colour diagrams throughout ensure concepts are easily understood If you are going to buy one rule book make it this one As dictated by World Sailing the eBook does not contain the Racing Rules of Sailing but has a link to them

Coastwise Peter Firstbrook,2021-11-02 Coastwise examines the

coastline of the British Isles as a dynamic environment and offers you an understandable explanation of how the coastline functions as a single entity It is supported by hundreds of stunning photos and illustrations It begins by exploring how the forces of nature combine to create its physical features and continue to do so This is a multifaceted story that involves ancient geology and powerful ocean forces It then turns to the living nature of the coast covering the unique plants animals and other organisms whose interdependence keeps the coast alive and healthy These amazing creatures are described and displayed in full colour The third part of the book looks at how humans have interacted with the coast using it for defence commerce and leisure It explores these aspects from the earliest times to the present day The final section shows for each coastal region where the features discussed in the book can be observed and enjoyed giving you a practical way of exploring the elements described in the book All aspects of the coast are covered making it essential reading or a wonderful gift for all those who spend time on Britain s coast As Countryfile presenter Tom Heap says in his Foreword These pages are a practical love letter to Britain s waterfront and no seaside holiday home should be without them

Helming to Win Nick

Craig,2025-03-04 Nick Craig s ground breaking Helming to Win was published 10 years ago to great reviews Many sailing books can be recycles of familiar themes and ideas Not this one This is a highly personal and radical fresh view of the subject area In the following decade since it was published Nick has won 10 World 3 European and 20 National Championships That s winning more championships than most of us have attended over this period As an amateur sailor with a senior full time job Nick knows how to make the most of his time on the water Every race is recorded in his notes every race builds on his knowledge This new edition of Helming to Win utilises what he has learnt from those 33 championship wins and many other less successful events with new learning new anecdotes new photos and additional captions on the photo sequences to ensure the key learnings are easy to take on This updated breakthrough book will help you make the transition from weekend racer to national champion just as Nick has done Covering everything from where to look and getting in the groove to mental approaches and championship sailing you will be working your way up the leaderboard in no time Packed full of intelligent insight brilliant top tips and engaging photo sequences if your goal is to win then this is the book for you
