

How to use radically simple,
thoroughly tested techniques
in all kinds of conflict
situations: black-white, ethnic,
labor-management, interfaith,
teacher-student, parent-youth,
police-community...and many more!

MARGARET MEAD: "A real social
innovation. Should be diffused
throughout the country."

HARRY A. OVERSTREET:
"Almost infallible."

GORDON W. ALLPORT:
"Sound psychology."

Inter-ethnic and Religious Conflict Resolution in Nigeria Ernest E. Uwazie,Isaac Olawale Albert,G. N.

Uzoigwe,1999-01-01 Since 1982 Nigeria has experienced more than ten large scale ethnic or religious riots in its major cities These violent clashes have wreaked economic political and social havoc caused an enormous number of deaths and injuries and posed serious obstacles to Nigeria s sociopolitical development as well as retarded efforts at nation building The papers collected in this book serve as a critical part of an overall objective to develop and promote mechanisms for the understanding and resolution of ethnic and religious conflicts in Nigeria Both academic and community leaders address various aspects of these conflicts and Uwazie offers several thoughtful options for their successful resolution Inter Ethnic and Religious Conflict Resolution in Nigeria will interest students of African history and current affairs scholars of anthropology and ethnicity studies and those involved in international relations and peace studies Addressing Social Issues in the Classroom and Beyond Samuel Totten,Jon Pedersen,2007-01-01 Addressing Social Issues in the Classroom and Beyond The Pedagogical Efforts of Pioneers in the Field is comprised of essays that delineate the genesis and evolution of the thought and work of pioneers in the field of social issues and education The authors many of whom themselves are noted professors of education and who have done significant work in the field of social issues and education delineate and analyze the efforts e g theoretical work research curriculum development and teaching of such pioneers within the larger framework of their life story As a result the reader is not only introduced to the significant work of each pioneer but valuable and often fascinating insights into how his her life experiences informed his her thinking beliefs goals and work This book constitutes a rich and unusual record of the thinking and accomplishments of those luminaries who worked tirelessly in the belief that a well educated and well informed populace was absolutely imperative in a democracy if the latter were to remain healthy and vibrant Beyond current scholars and students we believe that this book will be of great interest to a wide spectrum of individuals teacher educators who perceive the need to avail their students of the rich history rationales and methods for incorporating the study of social issues across the curriculum professors who teach history of curriculum courses and or history of education courses are likely to be drawn to the book both for the rich stories as well as the bounty of information found in each chapter those who specialize in autobiographical studies in the field of education are likely to find the book to be remarkably rich and valuable both for their own research as well as in their teaching secondary level teachers in science social studies and English who are interested in incorporating the study of social issues into the courses they teach will glean

incredibly rich insights into why and how to go about such an endeavor and future scholars and students who care deeply about how society impacts education education impacts society and how individuals and groups can have a positive impact on society through their collective efforts are bound to find the book both fascinating and instructive Quaker Brotherhood Allan W. Austin, 2012-08-15 The Religious Society of Friends and its service organization the American Friends Service Committee AFSC have long been known for their peace and justice activism The abolitionist work of Friends during the antebellum era has been well documented and their contemporary anti war and anti racism work is familiar to activists around the world Quaker Brotherhood is the first extensive study of the AFSC s interracial activism in the first half of the twentieth century filling a major gap in scholarship on the Quakers race relations work from the AFSC s founding in 1917 to the beginnings of the civil rights movement in the early 1950s Allan W Austin tracks the evolution of key AFSC projects such as the Interracial Section and the American Interracial Peace Committee which demonstrate the tentativeness of the Friends activism in the 1920s as well as efforts in the 1930s to make scholarly ideas and activist work more theologically relevant for Friends Documenting the AFSC s efforts to help European and Japanese American refugees during World War II Austin shows that by 1950 Quakers in the AFSC had honed a distinctly Friendly approach to interracial relations that combined scholarly understandings of race with their religious views In tracing the transformation of one of the most influential social activist groups in the United States over the first half of the twentieth century Quaker Brotherhood presents Friends in a thoughtful thorough and even handed manner Austin portrays the history of the AFSC and race highlighting the organization s boldness in some aspects and its timidity in others as an ongoing struggle that provides a foundation for understanding how shared agency might function in an imperfect and often racist world Highlighting the complicated and sometimes controversial connections between Quakers and race during this era Austin uncovers important aspects of the history of Friends pacifism feminism American religion immigration ethnicity and the early roots of multiculturalism *Social Worker* ,1971 *Perspectives on Contemporary Ethnic Conflict* Santosh C. Saha, 2006-01-01 The existing traditions of inquiry into ethnic conflict can be classified into four categories essentialism instrumentalism constructivism and institutionalism All four traditions have a distinguished lineage but none can really account for the worldwide spread of ethnic violence We need to move from the local to the macro or global This book using methodology from sociology history and politics will present the complexities of ethnic conflict in terms of linguistics religion territory and tribes in various regions These brilliant essays look at some of the most conflicted sites in the world where ethnic violence has been created and played out Burma Indonesia Rwanda Burundi Nigeria the Sudan Mexico and Guyana Divided into two parts *Perspectives on Contemporary Ethnic Conflict* is a rich text for scholars of conflict studies focusing on the sources and dynamics of ethnic violence and providing descriptions of ethnic conflict across the globe *The Publishers' Trade List Annual* ,1974 **Fannie Lou Hamer** Earnest N. Bracey, 2014-01-10 This book explores the life of one of Mississippi s greatest civil rights activists Fannie Lou Hamer

Known for her daring her brinkmanship and her impassioned speech making Hamer rose to prominence in the Mississippi Freedom Democratic Party an intrepid group which tried to unseat the predominantly white Democrats of Mississippi during the 1964 Democratic National Convention She is particularly remembered for her speech before the Credentials Committee seeking to end all white representation of her home state Hamer fought her entire life to expand freedom and basic rights to African Americans in the United States **Journal of Intergroup Relations** ,1972 **Interracial Review** ,1970 **A History of the Intercultural Educational Movement, 1924-1941** Nicholas V. Montalto,1982 Understanding the Aging Process and the Institutionalized Elderly Person National League for Nursing,1976 **Readers Advisory Service** ,1974 **The International Journal of Group Psychotherapy** ,1972 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1973 *Friends Journal* ,1972

Enjoying the Tune of Phrase: An Psychological Symphony within **Reducing Social Tension And Conflict Through The Group Conversation Method**

In some sort of taken by monitors and the ceaseless chatter of quick communication, the melodic splendor and emotional symphony developed by the prepared word frequently fade in to the background, eclipsed by the relentless sound and interruptions that permeate our lives. But, located within the pages of **Reducing Social Tension And Conflict Through The Group Conversation Method** a stunning fictional value brimming with natural emotions, lies an immersive symphony waiting to be embraced. Crafted by a wonderful musician of language, that interesting masterpiece conducts readers on a psychological trip, well unraveling the hidden melodies and profound affect resonating within each carefully crafted phrase. Within the depths of the poignant review, we will examine the book is key harmonies, analyze their enthralling writing model, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
