Reading Pakeha? Christina Stachurski, 2009 Aotearoa New Zealand a tiny Pacific country is of great interest to those engaged in postcolonial and literary studies throughout the world In all former colonies myths of national identity are vested with various interests Shifts in collective Pakeha or New Zealand European identity have been marked by the phenomenal popularity of three novels each at a time of massive social change Late colonialism anti imperialism and the collapse of the idea of a singular nation can be traced through the reception of John Mulgan s *Man Alone* 1939 Keri Hulme s *The Bone People* 1983 and Alan Duff s *Once Were Warriors* 1990 Yet close analysis of these three novels also reveals marginalization and silencing in claims to singular Pakeha identity and a linear development of settler acculturation Such a dynamic resonates with that of other settler cultures the similarities and differences telling in comparison Specifically *Reading Pakeha: Fiction and Identity in Aotearoa New Zealand* explores how concepts of race and ethnicity intersect with those of gender sex and sexuality This book also asks

whether Pakeha is still a meaningful term Language, Linguistics, and Leadership Carol M. Eastman,1998-01-01 This collection of essays examines various aspects of leadership from several disciplinary perspectives **The Oxford Companion to New Zealand Literature** Roger Robinson,Nelson Wattie,1998 This Companion offers a comprehensive record of New Zealand writing in an easily accessible form More than 1500 alphabetically arranged entries discuss writers novels plays poetry journals anthologies literary movements and professional organizations The generous range of plot summaries and author entries will prove invaluable to scholars students and all lovers of this nation s unique and powerful literary tradition *Tuamaka* Joan Metge,Hon Sir Edward Taihakurei Durie,2013-11-01 From the point of view of a renowned anthropologist this invaluable volume narrates the history of a multicultural New Zealand in which both Maori and non Maori individuals cohabitate Arguing that the Treaty of Waitangi of 1840 signed by the indigenous Maori and the British established a foundation from which New Zealanders could grow and prosper this account demonstrates how two cultures met disputed and dealt with diversity In addition this unique record analyzes the country s languages and myths and explores how they have influenced New Zealand society Moving and engaging this record covers six decades of enlightening field work The Art and Archaeology of Human Engagements with Birds of Prey Robert J. Wallis,2023-10-05 Of all avian groups birds of prey in particular have long been a prominent subject of fascination in many human societies This book demonstrates that the art and materiality of human engagements with raptors has been significant through deep time and across the world from earliest prehistory to Indigenous thinking in the present day Drawing on a wide range of global case studies and a plurality of complementary perspectives it explores the varied and fluid dynamics between humans and birds of prey as evidenced in this diverse art historical and archaeological record From their depictions as powerful beings in visual art and their important roles in Indigenous mythologies to the significance of their body parts as active agents in religious rituals the intentional deposition of their faunal remains and the display of their preserved bodies in museums there is no doubt that birds of prey have been figures of great import for the shaping of human society and culture However several of the chapters in this volume are particularly concerned with looking beyond the culture nature dichotomy and human centred accounts to explore perspectival and other post humanist thinking on human raptor ontologies and epistemologies The contributors recognize that human raptor relationships are not driven exclusively by human intentionality and that when these species meet they relate to and become with one another This raptor with human focused approach allows for a productive re framing of questions about human raptor interstices enables fresh thinking about established evidence and offers signposts for present and future intra actions with birds of prey *Whaikorero* Poia Rewi,2013-10-01 Based on in depth research and interviews with 30 tribal elders this guidebook to whaikorero or New Zealand s traditional Maori oratory is the first introduction to this fundamental art form Assessing whaikorero s origin history structure language and style of delivery this volume features a range of speech samples in Maori with English translations and captures the wisdom and experience of the
