The Unity of Shadows Milo Zane, 2024-12-15 In the quiet town of Briarhaven the ordinary hides the extraordinary For Elise Morgan a seasoned ex military scientist seeking solace by the sea peace is shattered by an unexplainable hum and flickers in the sky The stillness of the ocean the silence of the wind and the vanishing lights foreshadow a force far beyond human comprehension As homes rise into the sky and darkness encroaches Elise finds herself at the forefront of a mystery that defies the laws of nature Joined by the resolute Sheriff Hayes they uncover unsettling truths buried in ancient markings and unstable terrain near the cliffs But the deeper they delve the clearer it becomes this is no mere phenomenon The world is unraveling and the light is being stolen by an entity beyond their wildest imagination Will Elise and Hayes find the answers before everything disappears into shadow Or will the darkness claim not just their town but the entire world The Unity of Shadows is a gripping sci fi thriller that explores the fragility of reality and the strength of the human spirit when confronted with the unknown

New York Times bestselling author John Farris. To My Annie Book 3 Wade Powers, 2018-08-29. To My Annie Book 3 is a follow-up to the two previous works. Each is a compilation of one hundred poems written for and dedicated to Annie, the author's love and inspiration. A few of the poems are generalized, but the preponderance is composed in a romantic theme and seeks to express the wonder and astonishment that two people can hope to discover. Some of the poetry alludes to the struggles and darkness that is simply a part of human existence, but the effort of the author is to regale always on the strength and enduring power of love, devotion, and commitment. Much of the poetry refers to the Bible and spiritual strivings because, by seeking to understand how God loves us, we can glimpse into the eternal through that lens of love that He created. **Celestial Horizons** Pasquale De Marco, 2025-04-19.
