Transfiguring Women in Late Twentieth-Century Japan James Welker, 2024-07-31 Transfiguring Women in Late Twentieth Century Japan Feminists Lesbians and Girls Comics Artists and Fans examines three dynamic and overlapping communities of women and adolescent girls who challenged Japanese gender and sexual norms in the 1970s and 1980s These spheres encompassed activists in the man ribu women's liberation movement members of the rezubian lesbian community and artists and readers of queer sh jo manga girls comics Individually and collectively they found the normative

understanding of the category women untenable and worked to redefine and expand its meaning by transfiguring ideas images and practices selectively appropriated from the West They did so however while remaining firmly fixed on the local Thus for many this ostensibly Western focus was not a turn away from Japan but integral to their understanding of being a woman within Japan Following broad historical overviews of the man ribu rezubian and queer sh jo manga spheres the book takes a deeper look through the lenses of terminology translation and travel to offer a window onto how acts of transfiguration reshaped what it meant to be a woman in Japan The work draws on a vast archive that encompasses early twentieth century dictionaries sexology texts and literature postwar women s and men s magazines and pornography translated feminist and lesbian texts comics and animation and newsletters fanzines and other heretofore largely unexamined ephemera The volume s characterization of the era is also greatly enriched by interviews with more than sixty individuals Transfiguring Women in Late Twentieth Century Japan demonstrates that the transfiguration of Western culture into something locally meaningful had tangible effects beyond newly re created texts practices images and ideas within the man ribu rezubian and queer sh jo manga communities The individuals and groups involved were themselves transformed More broadly their efforts forged new understandings of women in Japan creating space for a greater number of public roles not bound to being a mother or a wife as well as a greater diversity of gender and sexual expression that reached far beyond the Japanese border

Routledge Handbook of Sexuality Studies in East Asia Mark McLelland, Vera Mackie, 2014-09-15 This collection brings together cutting edge work by established and emerging scholars focusing on key societies in the East Asian region China Taiwan Hong Kong Japan North and South Korea Mongolia and Vietnam This scope enables the collection to reflect on the nature of the transformations in constructions of sexuality in highly developed developing and emerging societies and economies Both Japan and China have established traditions of sexuality studies reflecting longstanding indigenous understandings of sex as well as more recent developments which interface with Euro American medical and psychological understandings Authors reflect upon the complex colonial and economic interactions and cultural flows which have affected the East Asian region over the last two centuries They trace local flows of ideas instead of defaulting to Euro American paradigms for sexuality studies Through looking at regional and global exchanges of ideas about sexuality this volume adds considerably to our understanding of the East Asian region and contributes to wider discussions of social transformation modernisation and globalisation It will be essential reading in undergraduate and graduate programs in sexuality studies gender studies women s studies and masculinity studies as well as in anthropology sociology history cultural studies area studies and health sciences

[History of the Book in Australia Volume 3](#) Craig Munro, 2006-07 This new volume in UQP s History of the Book in Australia series explores Australian book production and consumption from 1946 to the present day In the immediate postwar era most books were imported into a colonial market dominated by British publishers Paper Empires traces this fascinating and volatile half century using wide ranging research oral history and memoir to

explore the worlds of book publishing selling and reading After 1945 Australian publishing went from a handful of fledgling businesses to the billion dollar industry of today with thousands of new titles each year and a vast array of imported books Publishing's postwar expansion began with the baby boom and the increased demand for school texts with independent houses blossoming during the 1960s and 70s followed by the current era dominated by global conglomerates All aspects of print culture are explored from authorship and editing to bookselling libraries and reading habits in the context of today's rapidly changing publishing landscape with its many technological challenges A wide range of expert contributors including book trade practitioners have produced this lively and indispensable account of our vital cultural industry Another Japan Is Possible Jennifer Chan, 2008 This book looks at the emergence of internationally linked Japanese nongovernmental advocacy networks that have grown rapidly since the 1990s in the context of three conjunctural forces neoliberalism militarism and nationalism It connects three disparate literatures on the global justice movement on Japanese civil society and on global citizenship education Through the narratives of fifty activists in eight overlapping issue areas global governance labor food sovereignty peace HIV AIDS gender minority and human rights and youth Another Japan is Possible examines the genesis of these new social movements their critiques of neoliberalism militarism and nationalism their local regional and global connections their relationships with the Japanese government and their role in constructing a new identity of the Japanese as global citizens Its purpose is to highlight the interactions between the global and the local that is how international human rights and global governance issues resonate within Japan and how in turn local alternatives are articulated by Japanese advocacy groups and to analyze citizenship from a postnational and postmodern perspective

Japan Dreams Mark Peters, 2013-10-21 A traveller comes to Japan and is slowly absorbed into a complex and increasingly unnerving interplay of reality representation substitution the virtual the artificial the counterfeit and the unreal In form Japan Dreams is loosely modelled on Pillow Book by Sei Shonagon and As I crossed a bridge of dreams by Lady Sarashina both written c 1000 AD The narrative moves between travelogue meditation exploration of ideas discourse on various subjects dreams lists and introspection Fact and fiction become harder to separate as the story unfolds What starts as straightforward documentary metamorphoses into chaotic self absorption and the reader is left examining the very same question examined by the narrator is this real A very personal first person account Japan Dreams touches on numerous aspects of Japanese culture arts and heritage attitudes to time and space sexuality language technology media entertainment identity and self values family city and country life and religion Emerging Lesbian Voices from Japan Sharon Chalmers, 2003-08-29 Lesbian Sexuality has remained largely ignored in Japan despite increasing exposure of disadvantaged minority groups including gay men This book is the first comprehensive academic exploration of contemporary lesbian sexuality in Japanese society The author employs an interdisciplinary approach and this book will be of great value to those working or interested in the areas of Japanese lesbian and gender studies as well as Japanese history anthropology and
