Allan, 2025-01-01 Do you doubt whether there's more to the world than what we can see in the natural At Ethan's house Aaron struggled to understand why Ethan had helped him The reasons sounded crazy like nothing he'd ever heard of before His friend's unique behaviour had created within Aaron a hunger to hear more He hadn't deserved Ethan's help In a small city in northwestern Ontario a close knit family of believers finds themselves challenged to unconditionally love an enemy who seeks to kill one of their own But is their enemy truly lost to them or to God Along the way these brothers and sisters in Christ discover that they have more in common with this man than it initially appears despite the powerful unseen forces involved For in this world there are two rival families one whose purpose is to destroy and the one whose purpose is to restore everything back to the original design of creation **Love Your Enemies** Arthur C. Brooks, 2019-03-12 NATIONAL BESTSELLER To get ahead today you have to be a jerk right Divisive politicians Screaming heads on television Angry campus activists Twitter trolls Today in America there is an outrage industrial complex that prospers by setting American against American creating a culture of contempt the habit of seeing people who disagree with us not as merely incorrect but as worthless and defective Maybe like more than nine out of ten Americans you dislike it But hey either you play along or you'll be left behind right Wrong In *Love Your Enemies* social scientist and author of the #1 New York Times bestseller *From Strength to Strength* Arthur C Brooks shows that abuse and outrage are not the right formula for lasting success Brooks blends cutting edge behavioral research ancient wisdom and a decade of experience leading one of America's top policy think tanks in a work that offers a better way to lead based on bridging divides and mending relationships Brooks' prescriptions are unconventional To bring America together we shouldn't try to agree more There is no need for mushy moderation because disagreement is the secret to excellence Civility and tolerance shouldn't be our goals because they are hopelessly low standards And our feelings toward our foes are irrelevant what matters is how we choose to act *Love Your Enemies* offers a clear strategy for victory for a new generation of leaders It is a rallying cry for people hoping for a new era of American progress Most of all it is a roadmap to arrive at the happiness that comes when we choose to love one another despite our differences **Love Your Enemies** John Dudley Willis, 1989 [Love Your Enemies \(A History of the Tradition and Interpretation of Its Uses\)](#) John Piper, 2012-06-30 *Love Your Enemies* This is one of the few statements Jesus made that is readily accepted by believers and skeptics alike Its authenticity is not seriously questioned and yet it is a revolutionary command Giving attention to various critical theories John Piper presents evidence that the early church earnestly advocated

for non retaliatory love extending it to those who practiced evil in the world Such love was key to the church s own ethical tradition or paraenesis Piper illuminates the Synoptics and passages in Romans as well as 1 Thessalonians and 1 Peter with non canonical evidence investigating the theological significance of Jesus s love command Originally published as 38 in the Society for New Testament Studies Monograph Series this is John Piper s doctoral dissertation from the University of Munich It is a serious work of Christian scholarship by a long time respected author and pastor This repackaged edition features a new extensive introduction and will be of interest to scholars students and lay people who have training in New Testament studies

Returning us to the inescapable call of the Son of God Sider reminds the church of its true vocation in a world of hatred and war

The Love of Enemy and Nonretaliation in the New Testament Willard M. Swartley, 1992-01-01 The essays in this irenic book explore two pervasive New Testament teachings that are foundational to peace Jesus commands to love enemies and not to retaliate against those who do evil These themes are covered from a variety of perspectives showing the impact of Jesus teaching throughout the New Testament

Love Your Enemies Like They Are a VIP in the Kingdom of God! Jennifer Griggs, 2018-12-06 Love is the foundation of the Kingdom of God It is the one character trait that should be demonstrated to all mankind It is hard to love those who hurt us or cause pain to our loved ones Jesus commands us to love our enemies the same as we love our family and friends It requires a sacrifice of your own feelings and it is essential to walking and living in the Kingdom You may be struggling with loving your neighbors or your enemies and need to know how to get beyond your difficulty This book is a great resource and provides revelation for those who want to walk in obedience to God s commands and live fulfilled in the Kingdom of God As you deepen your relationship with Christ and grow in wisdom and knowledge of the Kingdom you can learn to love When you realize how easy it is you will be inspired to share this resource with others

Practicing Midrash F. Timothy Moore, 2018-07-24 Have you ever been puzzled by contradictions in the Bible Or wondered why there are four Gospels three sets of Ten Commandments or two creation stories at the beginning of Genesis Beginning with the first pages of Genesis the Bible tells most of its stories through multiple versions which contain both similarities and disagreements The inherent arguments in Scripture did not seem to bother the Jewish faith A practice called midrash developed in Judaism sometime before the days of Jesus Rabbis and scholars sparred over opposing passages developed theological arguments and filled gaps in biblical stories with their own understandings This book will use the threefold prayer of St John of the Cross to allow the divergent voices in Scripture to speak and practice midrash with each other enabling the reader to join the conversation The contradictions and arguments have a divine purpose Not only did they prompt the Bible s evolution over hundreds of years but have enabled it to remain a living word for thousands of years This pluralism in the Bible is good news for the faithful living in a multi cultural pluralistic age
