Conjugal Love Emanuel Swedenborg,2013-11-19 This work published in 1768 when Swedenborg was eighty years of age was the first of the author s theological works on the title of which his name appeared It treats of the relation of the sexes of the nature and origin of love truly conjugal and of its indissoluble nature of the marriage of the Lord and the Church and its correspondence of the spiritual conjunction of partners in true marriage of the change effected in both sexes by

marriage of the causes of disaffection separations and divorces of the causes of apparent love friendship and favor in marriage and of iterated marriages To which is appended a treatise on Adulterous or Scortatory Love in its various degrees showing it to be in its nature the very opposite of Conjugal Love **Awakening to Love** Simon Herfet,2018-11-21 This book is about the reason for your being here in this life in this body in this now moment For the present time is one of a cataclysmic shift in consciousness never seen before in your history on this planet This shift is one from a sleeping state of humanity s mass family consciousness to one of great awakening to a higher consciousness of connection to the one spirit which permeates and gives life to all creation in your universe This is a time long prophesised as this one shared higher consciousness awakens in you towards the realisation of the beauty and clarity of who you all truly are For who you are is pristine perfect consciousness Never tainted by anything which you or your ancestors have ever said or done including lifetimes long preceding this one in which you now find yourselves This book is presented here as a call to each soul on the cusp of this awakening To quite simply help to remind each person that they are a magnificent radiant soul of love Connected to infinite wisdom And that they are now returning to this remembering long lost in the sands of time to help humanity move forward as a wave of awakened beings Sharing the one consciousness which once slumbered But now like a lion roars awake to facilitate and create the new world the creator has in store for Planet Earth
