Get to the End is written about the end times i e the end of the world and history as we know it But it is written from a Catholic perspective There are many books on the market that speak to the end times however they are all written from a Protestant perspective and for the most part they are written by Christians from conservative churches who are generally Fundamentalist Christians There are virtually no books written about the end times from a Catholic perspective The few that have been written with a Catholic perspective of the end times have been written for the most part by Catholic priests and they are generally weighed down heavily in doctrine and dogma This will be one of the first on the subject written by a Catholic layman who has a broader perspective than Catholic Doctrine and Dogma and who views himself as uniquely in the world but not of the world Mystery and Sacrament of Love Marc Cardinal Ouellet,2015 An internationally respected Roman Catholic leader on the mystery sacrament of marriageMarriage and the family are at the forefront of the burning questions being debated by civil society and the church today Cultural changes in our increasingly secularized society have dire consequences in the family sphere requiring a Christian response that is faithful to the Church s tradition says Marc Cardinal Ouellet In *Mystery and Sacrament of Love* Ouellet clearly expounds a theology of marriage and the Catholic Church s understanding of the sacrament celebrated between spouses and God Developed with influences from Pope Francis the theological intuitions of Vatican II the contributions of Saint John Paul II the pope of the family and the innovative thought of Hans Urs von Balthasar Ouellet s study lays the foundations for a faithful resurgence of well being for families in our contemporary day and age

Kogan,2000-12 *Love Heals 31 Days of Loving You and Other Poems* is the second volume of poetry by Robert E Kogan Dr Kogan shares his life s experiences through poetry He stirs the reader through the intensity of his feelings on the subjects of love life faith and

social commentary **Sex, Love, and Romance in the Mass Media** Mary-Lou Galician, 2004-07-16 This accessible yet research based text offers both foundational theories and practical applications of analysis and criticism of mass media portrayals of sex love and romance in a wide variety of mass media from entertainment to advertising to news The multidisciplinary methodological perspective comes out of a media literacy approach and embraces a variety of traditions along the quantitative qualitative continuum Focused on portrayals of male female coupleship the book is centered around the 12 major myths and stereotypes of Galician's Dr FUN's Mass Media Love Quiz each of which has a corresponding Dr Galician Prescription that encapsulates healthy strategies rarely found in the mass media to counteract that myth or stereotype Readers learn how to identify illustrate deconstruct evaluate and reframe the mass media's mythic and stereotypic portrayals of sex love and romance They also learn how to use their own formal critical evaluations to clarify their own values and as media consumers or mass communication creators to share their insights with others Thus the learning objectives encompass all three major educational domains cognitive affective and behavioral Part I of this book covers the five foundations myths and stereotypes of love and coupleship models of realistic and constructive love and coupleship mass media storytelling approaches techniques and devices research and theories of mass media effects and strategies and skills of media literacy Part II is devoted to exploring the myths and stereotypes identified in the Quiz Following several brief case studies and a summary of related research and commentary each chapter focuses on analyses and criticisms of portrayals of sex love and romance in the content of news and advertising as well as entertainment using Galician's Seven Step Disillusioning Directions Each chapter concludes with a Disillusion Digest While critical of unrealistic portrayals and the damage they can cause unsuspecting media consumers Galician a media literacy advocate is not anti media Rather her goal is to empower consumers to use these portrayals with more awareness of their possible consequences to resist adopting them as models for actual behavior and to consciously reframe them into more realistic productive scenarios This unique text is an engaging classroom resource for media literacy media and relationships and media and society coursework

Chaucer's Troilus and Criseyde and the Knight's Tale Frieda Elaine Penninger, 1993 This book examines Troilus and Criseyde and The Knight's Tale as poems which work the same plot to contrasting tragic and joyous endings but for the same purpose of exploring the folly of electing the temporal world over the eternal It demonstrates that the tragedy of Troilus and Criseyde is a consequence of the folly of relying on Fortune and temporal bliss and works through the pattern of a similar dependence in The Knight's Tale It then develops the portrayal of the protagonists of the poems as Fortune's Fools through a scrutiny of courtship as game of play of caritas and cupiditas contrasted with the implications of pity mercy grace and love as used in temporal contexts in the poem but defined theologically elsewhere in Chaucer and of the limitations of knighthood and chivalry as defined by the world of the poems
