The True Christian's Love for the Unseen Christ Thomas Vincent, 2025-05-30 Christian life is primarily motivated by our love for Christ Without manifesting love to Christ we are as entirely lacking spiritual life as a dead body lacks life when its soul departs for the other world Therefore professing a belief without loving Christ is dead religion and thus a professed believer who has no love to Christ is a dead man dead in transgression and sin Without a biblical love to Christ we may

pretend to be Christians but we would lack entirely the true nature of a Christian In treating the true love of Christians towards Christ this book is like any other Puritan devotion intertwined with clear doctrine and sharp biblical precision in statements permeates this book on every page of it You will be unable to put it down and your life and devotion to Christ will be changed forever This book was originally published in 1812 under the title The True Christian s Love for the Unseen Christ The current edition has been proofread typeset for eBook readers and slightly updated for modern readers

Christ-Centered Consciousness John T. Ryan IV, 2013-06-25 Christ Centered Consciousness is the work of a spiritually awakened gay man who was healed from a satanic possession by Jesus Christ through extraordinary spiritual phenomena The core of his spiritual bondage was in a lack of acceptance of his sexuality and of his deepest core self The healing of this self has led him to many spiritual discoveries including an ability to discern the presence of Christ in his own consciousness The goal of this book is to enable the reader to build a connection to God in their own consciousness and to discern the ways in which the enemy tries to block progress Christ is truly the ultimate in healing and joy and learning how to discern his presence and follow his lead in one s own life is the doorway to happiness in this life and eternal joy in the next
