Loving Jessie:

Loving Jessie's Girl L.A. Remenicky, Until AJ Monroe left Indiana after college he had always lived in his identical twin brother's shadow. He had made a life for himself in Denver, Colorado, away from Jessie, away from Indiana. But when AJ feared for his brother's safety, he left everything behind to step back into the shadow he thought he had outgrown. Finding his brother was AJ's only concern until he met Jessie's girl. Fiercely independent, Rina Abbot hid her true situation from everyone, including her best friend Jessie. Out of money and unable to care for her rescue dogs, she had no choice but to accept the help of the handsome stranger with a familiar face. Afraid to trust him, she tried to ignore the feelings he stirred within her as they searched for his missing brother. But secrets never stay secrets for long. Finally open about their feelings for each other, Rina's secrets began to wreak havoc on their lives. Would Rina's secrets force AJ to give up his dream of loving Jessie's girl?

LOVING JESSIE Dallas Schulze, 2014-10-15 Life has gone out of focus for photojournalist Matt Latimer. So he's heading back home to the tiny California town where he grew up, hoping to reconnect with his roots, his purpose, and his art. But Matt's homecoming is an event that will propel him and those closest to him into the complex territories of friendship, loyalty, and love. Growing up, Matt was always around when Jessie Sinclair needed him most. Now she needs him for the most important decision of her life. She wants a baby. Suddenly, the lives of Matt and Jessie and others in this small town collide in unexpected ways. Jessie must choose between what was and what might still be, between past heartbreak and the promise of new love, between what was lost and what is waiting to be found. **Loving and Writing, Writing and Loving** D.B.

Reynolds, 2011-08-01 In his late thirties, English playwright and screenwriter Timothy Hainault wants to accomplish two things in life: to write well and to make something of himself as a worthwhile human being. Turning to autobiography to gauge his progress, he revisits his childhood and youth and, following the loss of his mother and older brother, his only sibling, also his late teens break from his father's quietly steadfast Christian faith and makes connections, as well, with a bearing on what he wants for himself between his work and certain personal and professional relationships of his. And never more so than with Congravino, his latest play about Restoration playwright William Congreve's constant pursuit of excellence, firstly through his art, then personally in his lasting love affair with Henrietta, the young duchess of Marlborough, a runaway critically acclaimed success in London and later at Canada's Stratford Festival. As with two earlier plays of his about writing and loving, Hainault again associates validation as both a writer and a self: he can be true to his finding a soulmate; he can love unconditionally; and once more too, in the person of a beautiful and talented actress whose romantically driven stage character is of his own making. Only this time, and potentially even more problematic than before, his Canadian Henrietta has some complicated personal issues of her own to resolve. that we have heard over the years do right don't do wrong love your neighbor and turn the other cheek Jessie's Corner takes some of the less well known scriptures and shows how they too can impact your life Sometimes the big themes find support in the small acts that we do every day These essays show applications of those small pockets of wisdom in our daily lives Some days the best we can say is that we've managed to stay away from sharp objects or explosives It's possible to take those difficult days and lighten them by giving hope and showing that we do not go through them alone Everyone feels discouraged and hopeless at times It takes courage and faith to do something while being afraid You can find courage and faith by connecting with God as a friend This collection of meditations uses lesser known scripture passages to explore ways to create a personal relationship with God and demonstrate that small acts can affect you in big ways **Christmas Candy** Samantha Jacobey, Life isn't always sweet even for girls called Candy Candice Parker's life has never been easy Plagued by losses and setbacks each day is a struggle for the petite brunette and her young son When fireman Gary enters her world he is one mistake she refuses to make but after tragedy strikes she may not have a choice Gerald Ford has never been what anyone would call settled Always keeping things simple he lived a fast and furious lifestyle with no intentions of slowing down However when he inherits his family's ancestral mansion on his thirtieth birthday he considers the possibility that it's time for a change Could this complicated young woman be his Christmas Candy **Call out the Cadets** Sarah Kay Bierle, Keith E. Gibson, 2019-06-18 The Civil War historian recounts a significant yet smaller battle in the Shenandoah Valley showing how it changed the war and the lives of those present The battle of New Market came at a crucial moment in the Union's offensive movements It would also be the last major Confederate victory in the Shenandoah Valley The outcome altered campaign plans across the North and South while the bloody battle changed the lives of those who witnessed or fought it In the spring of 1864 Union Maj Gen Franz Sigel prepared to lead a new invasion into the Valley Confederate Maj Gen John C Breckinridge scrambled to organize a defense Young cadets from the Virginia Military Institute were called to the battle lines just days after leaving their studies When the opposing divisions clashed on May 15th 1864 local civilians watched as the combat unfolded in their streets and churchyards and aided the fallen In Call Out the Cadets Sarah Kay Bierle traces the history of this battle covering its military aspects and shedding light on the lives it forever changed Youth and veterans generals and privates farmers and teachers all were called into the conflict or its aftermath an event that changed a community a military institute and the very fate of the Shenandoah Valley **The Master of Woodleigh.
