Loving Life The Morality Of Selfinterest And The Facts That Support It Paperback:

Loving Life Craig Biddle,2002 *Loving Life* demonstrates that morality is a matter not of divine revelation or social convention or personal opinion but rather of the factual requirements of human life and happiness Biddle shows how a true morality is derived logically from observable facts what in essence such a morality demands and why it is a matter of pure self interest *The Objective Standard* ,2008 *Forthcoming Books* Rose Arny,2003-04 **The Journal of Ayn Rand Studies** ,2005 **The Moral Vision of Proverbs** Timothy J. Sandoval,2024-04-16 Wisdom literature is an unfamiliar genre to modern readers and presents many interpretive challenges In this major new work respected wisdom scholar Timothy Sandoval argues that the book of Proverbs though difficult to access for some provides a coherent moral vision for human flourishing The approach Sandoval argues for in *The Moral Vision of Proverbs* is that of virtue ethics or character ethics particularly that which emerges from the classical tradition of Aristotle as opposed to reading the book intentionally or unintentionally through the lenses of modern ethical systems Sandoval engages with specialists in this ethical tradition as well as biblical scholars to make his case that Proverbs is an ancient virtue oriented moral discourse This comprehensive critical study of Proverbs analyzes the book s major topics and strives to discern the moral and philosophical presuppositions and logic of its rhetoric all the while engaging past and present interpretive approaches Although authored by a Christian scholar this text will be of great interest to a broadly ecumenical audience whether students of the Old Testament Tanakh Hebrew Bible biblical scholars or Christian ethicists and moral theologians **Practicing Prayer for the Dead** James B. Gould,2016-11-04 Throughout history Christians have prayed for the dead This book challenges Protestants who seldom pray for the dead to begin doing so and Roman Catholics and Eastern Orthodox who pray only for the Christian dead to include the unsaved as well Gould discusses the meaning of prayer for final consummation of all things growth of the blessed in heaven purification of the imperfect in purgatory and salvation of the unsaved in hell identifying the necessary conception of the afterlife required by each particular prayer He also reflects on the spiritual value of prayer for the departed how it enhances faith builds hope and sharpens discipleship and provides some sample prayers for public liturgy and private devotion In essence *Practicing Prayer for the Dead* offers an outline of theology from the perspective of death arguing that prayer for all the departed is one aspect of a tightly knit web of doctrines The argument while revisionary in some respects is orthodox ecumenical and integrative engaging a range of academic disciplines so as to be biblically accurate historically informed and philosophically reasoned **An Introduction to Biblical Ethics** Robertson McQuilkin,Paul Copan,2014-06-05 What should we do or not do This comprehensive text on biblical ethics is completely revised focusing on how we fulfill the purposes of God for our lives New content includes discussions of living virtuously ethical alternatives bioethical issues technology helping the poor animal rights sexual ethics and the media *The Free Methodist* ,1904 **Interpretation** ,1992 A journal of political philosophy *The (Un)Common Good* Jim Wallis,2014-05-27 Jim Wallis
