Mollie in Love Jennifer Cole, 1987 **The Necessity of Theater** Paul Woodruff, 2008-04-30 What is unique and essential about theater What separates it from other arts Do we need theater in some fundamental way The art of theater as Paul Woodruff says in this elegant and unique book is as necessary and as powerful as language itself Defining theater broadly including sporting events and social rituals he treats traditional theater as only one possibility in an art that at its most powerful can change lives and as some peoples believe bring a divine presence to earth The Necessity of Theater analyzes
