Loving Boldly Issues Facing Lesbians:

Loving Boldly Esther D. Rothblum, Ellen Cole, 1989 *Loving boldly* highlights the lesbian experience as an affirmative model of nontraditional lifestyles. In this enlightening volume the authors, counselors, psychologists, and therapists raise some of the vital issues that need to be understood in the context of our extremely homophobic society. Challenging the traditional stigmas held by both the general public and mainstream mental health professionals about lesbianism, the authors review over 30 years of research indicating that lesbians experience positive adjustment and mental health. They explore issues never before discussed in print: married lesbians, lesbians in rural settings, and lesbian nonmonogamy. Publisher's description.

Lesbians in Academia Beth Mintz, Esther D. Rothblum, 2013-10-31 How can being closeted or out affect the personal and professional life of a lesbian in academia? Along with the stories are in-depth analyses of the narratives by other academics. Issues such as race, class, and age, and how these factors distinguish each individual's place in the academy, are examined. The contributors have written from a wide range of experiences, different degrees of outness, various academic disciplines, many geographic locations, and several types of academic settings.
