Loving God And Disturbing Men:

Loving God and Disturbing Men Donald A. Leggett, 2003 *Loving God and Disturbing Men* is an excellent resource for preachers and teachers that provides a balance between technical scholarly commentaries and popular devotional works. Its unique strength lies in the author's ability to show the relevance of the prophets for the contemporary church and its ministry. Readers will appreciate the detailed scholarly treatment of the prophetic literature the author provides. But equally important, the author demonstrates that what the prophets said about God, evil, repentance, history, social justice, and eschatology has the ring of immediacy for us. Moreover, the study is helpful in treating the lives of the prophets as models of spirituality in prayer, suffering, and preaching. While the book is primarily for those who preach from the prophets, it is suitable for a much wider audience. A book on preaching from the prophets is desperately needed today by the Christian audience if we are to be faithful in declaring the whole counsel of God to our contemporary generation. Professor Donald Leggett is to be commended on his desire to aid the Christian community and its proclaimers in advancing this cause. It is a pleasure to commend this work. Walter C. Kaiser Jr. Here is a pump primer and launch pad for preachers. Dr. Leggett's aim is to show us the wisdom of the prophets in a way that will excite us and enable us to share what we have seen. I appreciate this book for I think it will do its job. And the job is an important one. J. I. Packer. Donald A. Leggett, Th.D., Free University Amsterdam, is Professor Emeritus of Old Testament at Tyndale University College and Seminary in Toronto, Ontario. For 25 years he also served as a pastor and elder at Village Green Baptist Church in London, Ontario.

So You Want to Go to Heaven? God Tells You How! Norman P. Anderson, 2002-10 **The Evangelical Repository**, 1879 **The Evangelical repository. Vol. 1- new**, 1879 *Called by God's Name* Linda Leggett, 2012-12-20

When God named himself it was more than a label. He stressed that his name represented his character and those who bore it must accurately display that character in their words and deeds. Misunderstanding this basic biblical truth has led to the reduction of the third commandment to simply a language issue in popular culture. However, its correct understanding and preaching should be the start of knowing God's dealings with his Old and New Testament people as well as the template for today's believers. Initially establishing the consistency of the testamental record through themes and the use of the Old Testament by Jesus and the New Testament writers, the author displays some of God's characteristics found in both testaments which illustrate ethical requirements for his church and inspire the responses of his people. The fruit of a lifetime of study of the Old Testament distilling biblical wisdom written concisely and understandable to the average church member, though informed by much scholarly reading. As a gifted biblical expositor and much-loved classroom teacher, Leggett again pushes us into Old Testament study to inform us of the New and inspires us to more wholehearted devotion to the God who has called us by his name. Dr. Terrance Tiessen, emeritus professor of theology and ethics, Providence Seminary. Leggett's final work captures his love for Scripture as he carefully explores the theme of Christian identity, drawing on his thorough familiarity with the biblical texts and his impressive knowledge of Old Testament scholarship. Accessibility in style and practical insights make it a valuable resource for the lay person to deepen their understanding of the Scriptures and the God of whom they speak. John Franklin IMAGO, director adjunct at Tyndale Seminary and Trinity College, Toronto. With warmth and passion, the author traces specific themes through both testaments, illustrating their unity of witness to the character of God. The
