

The background of the book cover is a photograph of a person in a white dress standing on a dark, rocky outcrop that juts out into a calm blue ocean. The person is seen from the back, looking out towards the horizon. The sky above is a deep blue with some light clouds. The overall mood is serene and contemplative.

Maness, 2004-06-23 Maness asks us to tie up our sneakers for we are going to have some fun as we hike into the Grand Canyon of Love Love is the treasure of life It is Love all the way Nothing else really matters outside of Love Best of all our Love will only get better in heaven The treasured ability to have loving relationships is God's gift to us in our Imago Dei the image of God we all share Likewise what we know of Love this side of heaven is but a dusty image of what God experiences I want to get personally involved says Maness Can we have a free will relationship with anyone even God if all of what we do and think is settled I don't think so Love is greater than that and I shall prove that and that is indeed a Grand Canyon Maness brings some of the brain splitting complexities of this to light with good humor introduces dynamic foreknowledge and challenges Classical Theism's avoidance of Love And he exposes some foul play in the process That's the first half of the book

For those wanting to strike out on their own wanting to see more of the depth and diversity of the Grand Canyon the second half contains reviews of about 60 major authors a 4 000 Abysmal Bibliography and a huge index to just about everything in the book Maness has thrown a gauntlet before the Classical Theists So tie up your sneakers and take a hike with Michael G Maness as he walks with you into the Grand Canyon see more at www.PreciousHeart.net **Up Close and Personal with the Urantia Book** J. J. Johnson,JJ Johnson,2010 This Expanded Edition of Up Close completes my philosophical description of The Urantia Book s holistic character by adding the new chapter relating science with religion The COSAR Principle A Revelatory Proposition The Coordination of Science and Religion COSAR as revealed in The Urantia Book breaks down the barriers between religion and science This new chapter with the accompanying spiritual message prepares the ground for a higher order of spiritual and social living *Proverbs up Close and Personal* Mary K. Turkington,2020-09-21 You ll love the span of years covered in this book 200 easy to read pages these life stories start back in the Great Depression of 1929 and cycle right on through 2020 Though the advancements made through this last century were beyond the imagination of those early days people themselves are faced with many of the same dilemmas faced in the 1920 s on steroids However the Lord God is ever the same and has known exactly what would happen and when In each generation He has provided according to our needs Read the stories of how He has given strength and courage to His children and about His patience and love as He draws people to Himself Find yourself relating to the problems of so many years ago which in some cases mirror the mess we find ourselves in today But God is good Experience peace and comfort within as you read and enjoy these true to life stories and see how God is there waiting to bless you even in the midst of the storms of life *If God Is in Control, Why Do I Have a Headache?* Debbie Taylor Williams,2004 This six week Scripture intensive study offers thoughtful looks at Esther Peter s mother in law Hannah the woman with the issue of blood Martha and Mary Magdalene Their stories reveal that God cared deeply about their physical struggles and the author demonstrates that He cares deeply about our health struggles today including stress nutrition and exercise and depression Created to glorify Him our bodies can help us serve God and others and find abundant life Each week includes interactive studies for five days Book jacket **Following Rabbi Jesus** Phil Needham,2018-01-24 Following Rabbi Jesus is a surprising exposure of who the Jesus we find in the Gospels really is what he teaches those who dare to follow him and how he models what it means to live God s radical kingdom way The reader of the book will discover in this exploration a very different Jesus from the celebrity or hero of much popular church culture the tame ineffective Jesus of compromised Christianity and the inaccessible conceptual Christ of much academic theology The reader who takes the chance of honestly engaging the Jesus we meet in the Gospel stories may find an engaging and liberating contrast to the life he is now living He may even want to make a turn or two and start over
