Lantern Jose Tomas de Cuellar, 2000-11-16 Jos Tomas de Cuellar 1830 1894 was a Mexican writer noted for his sharp sense of humor and gift for caricature Having a Ball and Christmas Eve are two novellas written in the costumbrista style made popular in the mid nineteenth century by the periodical press in which these sketches of contemporary manners were first published The stories are a sensitive reflection of the effects of modernization brought by an authoritarian regime dedicated to order and progress Christmas Eve describes a volatile middle class in which people pursue pleasure and entertainment without regard to morality Having a Ball depicts women and their dedication to fashion It is through them that Cuellar examines a society susceptible to foreign values the importation of which radically altered the face of Mexico and its traditional customs Bibliographic Guide to Psychology New York Public Library. Starr, 2012-08-01 This volume is the first comprehensive examination of one of the twentieth century s most distinctive iconoclasts Aleister Crowley 1875 1947 was a study in contradictions Born into a fundamentalist Christian family and educated at Cambridge he was vilified as a traitor drug addict and debaucher yet revered as perhaps the most influential thinker in contemporary esotericism Moving beyond the influence of contemporary psychology and the modernist understanding of the occult Crowley declared himself the revelator of a new age of individualism Crowley s occult bricolage Magick was an eclectic combination of spiritual exercises drawn from Western European magical ceremonies and Indic sources for meditation and yoga This journey of self liberation culminated in harnessing sexual power as a magical discipline a sacrilization of the self as practiced in Crowley s mixed masonic group the Ordo Templi Orientis The religion Crowley created Thelema legitimated his role as a charismatic revelator and herald of a new age of freedom Aleister Crowley s lasting influence can be seen in the counter culture movement of the late 1960s and early 1970s and in many forms of alternative spirituality and popular culture The essays in this volume offer crucial insight into Crowley s foundational role in the study of Western esotericism new religious movements and sexuality *Sexual Alchemy* Donald Tyson, 2000 Chances are that you ve heard of Tantra and Taoist sexual practices Now as a result of studying the inner mysteries of alchemy Donald Tyson presents a Western system of sacred sexuality in Sexual Alchemy Here you will learn how to have erotic relationships with loving spirits That means the methods presented here can function as a Western alternative to Eastern sexual practices They also can be used by a solitary person and need not depend upon the participation of a partner The first part of this book presents a history of sex with spirits It also goes into the secrets of Eastern internal alchemy and how the books of Western alchemy often made secretive references to sexual magick You will also learn how to create a physical representation of the spirit you are going to use as a

partner The second part of the book includes the practices and techniques which the author found to be effective from other sources or developed himself This includes techniques of diet exercise breathwork banishings purifications and finally an invocation ritual to summon the spirit who is going to be your lover Then you will learn the previously hidden secrets of having sex with a spirit lover You ll learn how to prepare and recognize the signs that this is an actual occurrence and not simply a fantasy And then when you have accomplished your ritualized mating you will learn how to collect and use the resulting highly charged fluids for magical purposes Everything we are everything we have is a gift from the Divine Doesn t it make sense that we use all of our abilities to honor the source from which they came That means we can even make use of our sensual natures to honor the Gods If you want to follow a system based on western traditions this book can be your guide
