wonder and surprise about the way God led me to write this book because it started with him as I and my brother were sitting together in my home to write a small leaflet concerning the way of freedom from the punishment of our sins I had a burden in my heart that most people in the world are being deceived by believing and loving so many lies there by people are wasting their only one earthly lives and dying with many sorrows without being forgiven of their sins through trusting in Jesus Christ name because he is the only one who has the authority on earth to forgive sins of the world They are living as slaves to their sins because of their love for sins this is not the way how God wanted people to live as slaves but he wanted all people to know the only truth which sets people free from their sins through trusting and loving the truth and live as sons and daughters of the living God who loves the world with great love He doesn t want any one to perish with their sins this is why he sent his only son whom he loves with an everlasting love to die on our behalf for the sins of the world this happened more than 2000 years before yet most people s sins are not forgiven and they are still living in their sins without having any freedom from their slavery lives
