Perkins, 1999 To claim that *Works of Love* is an important philosophical essay is to assume hazardous burden of proof The book s title is an allusion to the Bible s injunction that we should love our neighbor as we love ourselves a far cry far instance from Diotoma s ladder of erotic desire up which we climb from the love of bodies until we catch a vision of that single sea of beauty beauty itself Plato Symposium This contrast given that some of some of our neighbors may not be particularly likable or one may even be a determined enemy suggests immediately to some that a book with such an obviously religious title must be excessively moralistic and at best full of sermon helps for the harried clergy or at worst laden with rules for the unlearned laity A casual perusal of a few paragraphs however shows these put down views of the book to be unfounded **Loving Your Job, Finding Your Passion** Joseph G. Allegretti, 2000 Creating a spirituality of work People want to feel good about their job no matter what they do They want their job to support their spiritual values and to have a meaning that extends beyond them This upbeat title can help anyone in any position do this with the work they
