Lowland Grassland And Heathland Habitats Habitat Guides:

Lowland Grassland and Heathland Habitats Elizabeth Anne Clewett Price, 2003 Grassland and Heathland Habitats is a practical guide to the habitat types flora and fauna of Britain's range of natural and semi natural grasslands and heaths

Lowland Grassland and Heathland Habitats Elizabeth Price, 2003-10-04 Grasslands are everywhere agricultural land playing fields and road verges but while species poor intensively managed grasslands are widespread colourful semi natural grasslands and heathlands buzzing with life are scarce These semi natural habitats are ancient cultural landscapes which are of considerable if not international importance for biodiversity However despite targets for the conservation and restoration of these valuable grasslands and heathlands these habitats continue to decline before our eyes Lowland Grassland and Heathland Habitats contrasts the uniformity of intensively managed grassland with the diversity of traditionally managed grasslands and heathlands It examines topics of concern to the ecologist or habitat manager such as causes of the loss and deterioration of these habitats including inappropriate management eutrophication and climate change It then evaluates opportunities for positive change such as conservation restoration and creation A series of case studies illustrates the pressures on some lowland grassland and heathland habitat types and looks at ways to enhance them for biodiversity This habitat guide features illustrated species boxes of typical plants and animals as well as a full species list a series of projects on the ecology of grassland and heathland species a colour plate section up to date references and information and a full glossary It will provide students and environmentalists with a deeper understanding of the nature and importance of lowland grasslands and heathlands

[The Return of the Native](#) Thomas Hardy, 2021-02-25 This is the first complete scholarly edition of one of Hardy's greatest novels The Return of the Native engages ambitiously with contemporary ideas and problems of existence and would go on to become one of the major Wessex novels When composed in 1878 however Hardy's Wessex did not yet exist and this edition which is based on meticulous analysis of Hardy's holograph manuscript and every significant print edition of the novel to appear in his lifetime situates The Return of the Native within the historical context of its first publication encouraging readers to trace its evolution over the following four decades Tim Dolin provides a wealth of supporting materials including an original authoritative text comprehensive annotation commentary and glossary and illustrated appendices of both Arthur Hopkins's illustrations and the topography of Egdon Heath thus creating an invaluable tool for students and scholars of Hardy and nineteenth century literature alike
