Lucas Luke:

My mate jess, The Hidden Truth of Your Name Nomenology Project,2011-08-17 From the secret wisdom of Kabbalah the Runes and Numerology an unprecedented guide to unlocking the hidden power of your name Your name is not only your calling card it also may determine how your life will unfold Mystics have studied the energies associated with names for centuries but The Hidden Truth of Your Name is the first book to synthesize their fascinating findings into one compelling resource offering in depth profiles of 750 American names Created by a team of linguistic experts and specialists this beguiling reference guides you through the illuminating intricacies of three ancient systems of divination and shows you how to apply them to create a subtly nuanced portrait of any name you choose KABBALAH This ancient Hebrew system of letter and number analysis helps you discover what the mathematics of your name adds up to in terms of work relationships and spiritual energies THE RUNES The letters of this old northern European alphabet for centuries an honored source of religious and magical values open surprising windows to self discovery and change NUMEROLOGY The key numbers of your name contain potent truths about the positive and negative aspects of your true nature and your destiny Complete with the principle colors gemstones and herbs that harmonize with each name this delightfully accessible book at last gives you the means to uncover the hidden truth and unique traits of your name From the Trade Paperback edition Invented Religions Professor Carole M Cusack,2013-06-28 Utilizing contemporary scholarship on secularization individualism and consumer capitalism this book explores religious movements founded in the West which are intentionally fictional Discordianism the Church of All Worlds the Church of the SubGenius and Jediism Their continued appeal and success principally in America but gaining wider audience through the 1980s and 1990s is chiefly as a result of underground publishing and the internet This book deals with immensely popular subject matter Jediism developed from George Lucas Star Wars films the Church of the Flying Spaghetti Monster founded by 26 year old student Bobby Henderson in 2005 as a protest against the teaching of Intelligent Design in schools Discordianism and the Church of the SubGenius which retain strong followings and participation rates among college students The Church of All Worlds focus on Gaia theology and environmental issues makes it a popular focus of attention The continued success of these groups of Invented Religions provide a unique opportunity to explore the nature of late post modern religious forms including the use of fiction as part of a bricolage for spirituality identity formation and personal orientation **The Deep** Nick Cutter,2024-12-10 A strange plague called the Gets is decimating humanity on a global scale It causes people to forget small things at first like where they left their keys then the not so small things like how to drive or the letters of the alphabet Then their bodies forget how to function involuntarily and there is no cure But now far below the surface of the Pacific Ocean deep in the Marianas Trench an heretofore unknown substance hailed as ambrosia has been discovered a universal healer from initial reports It may just be the key to a universal cure In order to study this phenomenon a special research lab the Trieste has been built eight miles under the sea s surface But now the station is

incommunicado and it's up to a brave few to descend through the lightless fathoms in hopes of unraveling the mysteries lurking at those crushing depths
