Fallen Angel - Ashes of Eden J. L. Myers, 2018-08-07

Lucifer was the brightest archangel of them all until he fell in love. Before Earth, there was Heaven, a place of immortality and subservience where angels existed to watch the world transform. Until one angel changed everything. Stripped of his essence, flesh replaced light, and the weight of Lucifer's new wings bore down on him like a burden until he saw her. By his side since the dawn of time, Gabriel was Lucifer's closest companion in brilliant light. But seeing her in the flesh changed him. Lucifer can't look away. And not because she's perfection personified. Beyond Gabriel's cascading hair, porcelain skin, and blushed lips, her silvery eyes are the windows to her very soul, and her eternal hope even for an unworthy angel like him. And Lucifer is unworthy. His thoughts of her alone are a sin. The intimate acts he imagines committing with her could cost him more than his place amongst the archangels. But he can't stop how he feels when she looks at him. When Gabriel's gentle hand lays flat over Lucifer's chest, his heart beats faster for her. Controlling the forbidden desires that rule Lucifer will be the hardest thing he's ever had to endure, but giving in to them could cost him the one being he can't live without.

Angel Season 11 Volume 1 Corinna Bechko, 2017-08-22

Angel, a reformed vampire cursed with a soul, is tormented by a vision linking his shameful past to something very big and very bad that is coming. As Angel and his friend Fred begin trying to solve the mystery, the goddess Illyria gives Angel some insight and incentive. Then she really gets involved, and Angel discovers that it might be possible to change the future by changing the past. Taken by Illyria, Angel and Fred find themselves in Illyria's ancient past. The goddess claims it is a mistake, but when she discovers just when they are in the middle of a battle between her past self and another god, she's not ready to leave without attempting to change the battle's outcome. With no choice, Angel must help both past and present Illyria in a battle for their people and their land.

Lucifer's Revenge Patricia Fish, 2018-04-23

What would you do if you were FORCED to stay away from your children? Would you fight to get them back? Or would you just let them grow up knowing that they had a father but never knowing who he really was?

10 years ago, Lucifer took a girl away from his brother, the one Gabriel was assigned to watch over and keep safe, and even though love is forbidden, he fell in love with her. Lucifer stole this girl from his brother Gabriel and locked her away in a hotel he built in the caves of the Underworld. Then, as he kept her locked away from the world, he came into her room and had his way with her through a rough and forceful night of passion without her consent, forcing her to make love to him. Weeks after Gabriel and the angels finally broke into the Underworld to rescue the girl, she found out she was with child. Lucifer's child. 8 months later, she gave birth to two beautiful

twin girls by the names of Sara and Sophia named after her mother and Gabriel's mother. Now the girls are 17 years old and about to graduate from High School with honors. They were born Nephilim, which is half angel and half human and smarter than any human alive because that was the trait of a Nephilim child born with more knowledge and ability to learn more than that of human children. Lucifer wants them back and will do what it takes to get what is rightfully his. For years he has watched them grow through the viewing pond provided by his father to view the outside world and now he's angry and wants to bring them home no matter the cost or whom he hurts. Will he succeed or will there be another fight among the angelic brothers? And how will Mia, the girl Lucifer stole away from his brother, react when she finds out Lucifer's back and wants to take away the most important treasures of her life.
